THE LICHFIELD DIOCESAN BOARD OF EDUCATION

TRUSTEES' REPORT

FOR THE YEAR ENDED 31 AUGUST 2020

It is with great pleasure that the Directors present this annual report of the Board of Education for period 1st September 2019 to 31st August 2020. This year has been exceptionally busy, with new initiatives following the enthronement of the new Diocesan Bishop and continuing structural change in the educational world.

Public Benefit Statement

The Directors have considered the Charity Commission guidance on Public Benefit and in particular the specific guidance to charities for the advancement of religion. The objectives of the Board of Education is to promote or assist in the promotion of Education in the Diocese of Lichfield. The objects shall be carried out in accordance with the doctrines and principles of the Church of England.

LICHFIELD DIOCESAN BOARD OF EDUCATION (LDBE) - Strategic Plan 2018-21

The Board's Strategic Plan for 2018-21 is rooted in the "Church of England's Vision for Education – 'Deeply Christian, Serving the Common Good, which consists of four elements:-

- Educating Wisdom, Knowledge and Skills
- Educating for Hope and Aspiration
- Educating for Community and Living Well Together
- Educating for Dignity and Respect

The Board is to focus on:

1. promote an holistic, values-based education (founded on the teachings of Jesus Christ) that is both *distinctive* and *inclusive*;
2. develop our schools that are rooted in their communities, celebrating diversity;
3. honour the history and tradition of individual schools in their local contexts;
4. work *with* and *alongside* converting schools, in order to develop strategies for change and improvement that are relevant and likely to work in a particular school's context;
5. build on strength; support the weak; enable all members of the school community to flourish.
6. work with partners to ensure that the curriculum and all aspects of school life and experience are appropriate to the needs of the school community;
7. work with partners to ensure sustainable high standards and outcomes for all pupils, so that schools and academies become beacons of good practice that are able to support other schools in turn that need help;
8. build leadership capacity for all staff and pupils.

It is no longer possible to view key Church of England Vision for Education, the new SIAMS framework and our diocesan direction of travel in isolation. Just as the DBE and its officers need to work collaboratively with our diocesan teams, we need to think strategically about each area and each key document in order to deliver effective support and challenge for our schools and academies.

The Key Strategic Priorities are as follows:-

1. To promote and protect the Christian Character of Church of England schools and academies by delivering and securing our vision and values.
2. To work with our Fresh Expression teams, St Chad's Academy Trust and Parishes to develop our schools and academies as a centre for mission in our diocese.
3. To develop a strategy for small, rural schools and secondary schools in our diocese through structural changes and effective partnerships.
4. To develop strategic relationships with our members, trustees, CEO's and local academy committees within all our MATs across the diocese.
5. To promote and support good governance within our schools and academies.
6. To develop models of chaplaincy within our schools and MATs.
7. To promote and develop character education across our schools and academies.
8. To ensure effective strategic financial planning and safeguarding for all our work to ensure that school buildings provide a high quality learning environment for our students and are environmentally sound.

FOR THE YEAR ENDED 31 AUGUST 2020

Reserves Policy

As at the end of the Financial Year to 31 August 2020, the Board had accumulated unrestricted reserves of £2.897M (2019: £2.810M). Within this amount there are Fixed Assets (inc. Property) of £Nil (2019:£Nil). It is deemed that this is sufficient to maintain the current operation of the charity. The policy is to retain an equivalent of at least 50% or six months of the previous year's total expenditure in reserve, the policy figure would be the equivalent of £0.430M (2019 - £0.512M); the Board has more than sufficient unrestricted reserves to satisfy the policy. This allows for any contingencies or risks that the Board may experience in future years, and also allow them to invest and explore areas of increasing their work.

In addition there are Restricted Reserves in the Charity of £3.487M (2019: £3.523M). There are also some Endowment Funds and at the end of the year the Endowment Reserves were £0.136M (2019: £0.130M).

Investment Policy

The Charity has an Ethical Investment Policy, following the guidelines and recommendations of the Church Ethical Investment Group. The Board of Education solely uses the CCLA for investment and predominantly the Investment Fund which offers capital growth and a sustainable form of income to support the day to day activities. Capital growth is important to protect the reserves and assets of the Board against inflation.

In the Financial Year to 31 August 2020, there was capital growth of 3.32% (2019: 5.55%) and Investment Income of 3.54% (2019: 3.06%) giving a Total Return of 6.86% (2019: 8.61%). The Diocesan Benchmark as set by the Diocesan investment Group was around 5%, (4% plus Inflation at 1%) so the trustees and directors of the Board are satisfied with their current investment policy. The Diocesan Benchmark is changing from 01 January 2021 to 5% plus Inflation so this new rate will be applied in future reports.

COVID 19

The Charity Investments have seen an increase in volatility due to COVID 19 pandemic. The CCLA investments have held their value over the course of the last twelve months despite a volatile period in March to May. The Charity have not been directly affected by the pandemic financially as the sources of income have not been impacted. Investment dividends have held their value in the financial year 2020/21 and funding from the government has not been reduced.

Naturally the main impact has been on staffing, where four of the staff were placed on furlough from 10th April 2020 until the end of August 2020. This has enabled the board to recover the majority of the salary costs on the staff concerned, totalling £35,000 as shown in note 7 to the accounts. With the Diocesan office closed; remaining officers have been able to successfully work from home and arrange video meetings and conferences, so overall whilst working patterns have had to change COVID 19 has not had an overall effect on the Charity. It is hoped the offices will start to have a phased reopening in June 2021.

Key Personnel

Key management personnel are deemed to be those having authority and responsibility, delegated to them by the trustees for planning, directing and controlling the activities of the Charity. Mrs Claire Shaw as Diocesan Director of Education is recognised as the key personnel. The remuneration of the key personnel are set by the Diocesan Pay and Conditions Committee.

TRUSTEES' REPORT (continued)

FOR THE YEAR ENDED 31 AUGUST 2020

Principal Risks and Uncertainties

The Trustees are responsible for the identification, mitigation and or management of risk. To achieve this, a register of all the risks identified is maintained by the Diocesan Director of Education. Each Risk is assessed and alongside it, a management and mitigation strategy formed. This is subject to review by the Trustees on an annual basis with the responsibility for delivery of the mitigation strategies identified by it, being delegated to the Diocesan Risk and Audit Committee.

The risk register identifies three areas where the risk of either failure to act or the impact of the events is considered 'high'. These areas and the associated mitigation strategies are:

Schools not being fit for purpose and Litigation or other forms of legal action/exposure:-

- Continued negotiations with the Local Authority who had overseen the project
- Seeking legal advice and ongoing negotiations to try and resolve the issue
- Diocesan Risk and Audit Committee are fully informed of progress and need to approve actions being taken

Government Policy and impact on church schools:-

- Monitoring of proposed legal and regulatory changes including regular liaison with National Institutions, Local Authorities
- Measures to raise the profile of Church schools
- Regular contact with other Diocese and relevant national and regional networks.

COVID 19 and Associated Closure of Offices:-

- Ability for officers to work from home to continue to offer support to schools and staff
- If required a body to review any financial implications, a small finance group called EFACS (Education Finance and Central Services) currently exists
- Policy to oversee the well being of staff during a pandemic; and succession planning should a key officer become unable to work.

TRUSTEES' RESPONSIBILITIES

The Trustees (who are also directors of the Lichfield Diocesan Board of Education) are responsible for preparing the Trustees' Annual Report and the financial statements in accordance with applicable law and United Kingdom Generally Accepted Accounting Practice. The Trustees are also responsible for the maintenance and integrity of the corporate and financial information included on the charitable company's website.

Company law requires the Trustees to prepare financial statements for each financial year that give a true and fair view of the state of affairs of the company and of the surplus or deficit for that year.

In preparing those financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles of the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue its activities;
- ensure that the accounts comply with current statutory requirements and the Charity's governing document.

THE LICHFIELD DIOCESAN BOARD OF EDUCATION

TRUSTEES' REPORT (continued)

FOR THE YEAR ENDED 31 AUGUST 2020

The Trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Each trustee has taken all reasonable steps in order to make themselves aware of any relevant audit information and to establish that the company's auditors are aware of that information.

The Trustees have taken the exemptions available to small companies and have not prepared a strategic report.

Acknowledgements

INDEPENDENT AUDITORS' REPORT

TO THE MEMBERS OF THE LICHFIELD DIOCESAN BOARD OF EDUCATION

FOR THE YEAR ENDED 31 AUGUST 2020

Opinion

We have audited the financial statements of Lichfield Diocesan Board of Education for the year ended 31 August 2020 which comprise the Statement of Financial Activities, the Balance Sheet, the Cash Flow Statement and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 *The Financial Reporting Standard applicable in the UK and Republic of Ireland* (United Kingdom Generally Accepted Accounting Practice).

In our opinion, the financial statements:

- give a true and fair view of the state of the charitable company's affairs as at 31 August 2020 and of the charitable company's net movement in funds, including the income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of trustees for the financial statements

As explained more fully in the trustees' responsibilities statement set out on page 7 and 8, the trustees (who are also the directors of the charitable company for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charitable company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charitable company or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the trustees' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the trustees have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the charitable company's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

INDEPENDENT AUDITORS' REPORT

TO THE MEMBERS OF THE LICHFIELD DIOCESAN BOARD OF EDUCATION

FOR THE YEAR ENDED 31 AUGUST 2020

Other information

The trustees are responsible for the other information. The other information comprises the information included in the Trustees' Annual Report. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Trustees' Annual Report (which includes the directors' report prepared for the purposes of company law) for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the directors' report included in the Trustees Annual Report has been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

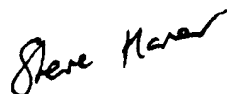

In the light of the knowledge and understanding of the charitable company and its environment obtained in the course of the audit, we have not identified material misstatements in the Trustees' Annual Report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept by the charitable company; or
- the charitable company financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the trustees were not entitled to prepare the financial statements in accordance with the small companies' regime and take advantage of the small companies' exemptions in preparing the trustees' report and from the requirement to prepare a strategic report.

Use of our Report

This report is made solely to the charitable company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the charitable company's members those matters we are required to state to them in an Auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charitable company and the charitable company's members as a body, for our audit work, for this report, or for the opinions we have formed.

THE LICHFIELD DIOCESAN BOARD OF EDUCATION

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 AUGUST 2020

1. ACCOUNTING POLICIES

1.1 Basis of preparation of financial statements

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) - (Charities SORP (FRS 102) Second Edition effective 1 January 2019), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and The Charities (Accounts and Reports) Regulations 2008.

The Lichfield Diocesan Board of Education meets the definition of a public benefit entity under FRS 102. The financial statements are prepared in accordance with the historical cost convention as modified by the revaluation of certain assets. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy note(s).

The Statement of financial activities (SOFA) and Balance sheet represent the financial transactions of the charity. The two trading subsidiaries were dormant with effect from 01 September 2018. On the grounds that the trading subsidiaries are dormant consolidated accounts have not been prepared.

1.2 Going concern

After making appropriate enquiries, the Charity has reviewed its cash flow forecasts and considered the impact on going concern, concluding that the going concern basis remains an appropriate basis of preparation for these financial statements given the likely cash flow impact of operations for 12 months from the date of signing this report. For this reason, they continue to adopt the going concern basis in preparing the financial statements.

1.3 Company status

The charity is a company Limited by Guarantee registered in England and Wales. The members of the company are the Trustees named on page 1. In the event of the charity being wound up, the liability in respect of the guarantee is limited to £1 per member of the charity.

The registered office of the company is: St Mary's House, The Close, Lichfield, Staffordshire, WS13 7LD

1.4 Fund accounting

General funds are unrestricted funds which are available for use at the discretion of the Trustees in furtherance of the general objectives of the charity and which have not been designated for other purposes.

Designated funds comprise unrestricted funds that have been set aside by the Trustees for particular purposes. The aim and use of each designated fund is set out in the notes to the financial statements.

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by donors or which have been raised by the charity for particular purposes. The costs of raising and administering such funds are charged against the specific fund. The aim and use of each restricted fund is set out in the notes to the financial statements.

Permanent Endowments are restricted funds that must be retained as trust capital either permanently or subject to a discretionary power to spend capital as income, and where the use of any income or other benefit derived from the capital may be restricted or unrestricted.

Investment income, gains and losses are allocated to the appropriate fund.

1. ACCOUNTING POLICIES (continued)

1.5 Income

All income is included in the Statement of financial activities when the charity has entitlement to the funds, receipt is probable and the amount can be measured with sufficient reliability. For legacies, entitlement is the earlier of the charity being notified of an impending distribution or the legacy being received.

Gifts in kind donated for distribution are included at valuation and recognised as income when they are distributed to the projects. Gifts donated for resale are included as income when they are sold. Donated facilities are included at the value to the charity where this can be quantified and a third party is bearing the cost. No amounts are included in the financial statements for services donated by volunteers.

Donated services or facilities, which comprise donated services, are included in income at a valuation which is an estimate of the financial cost borne by the donor where such a cost is quantifiable and measurable. No income is recognised where there is no financial cost borne by a third party. Government grants received in respect of the furlough scheme are accounted for on the accruals basis.

1.6 Expenditure

Expenditure is accounted for on an accruals basis and has been included under expense categories that aggregate all costs for allocation to activities. Where costs cannot be directly attributed to particular activities they have been allocated on a basis consistent with the use of the resources.

1.7 Tangible fixed assets and depreciation

Tangible fixed assets are stated at cost less depreciation. Depreciation is provided at rates calculated to write off the cost of fixed assets, less their estimated residual value, over their expected useful lives on the following bases:

Leasehold improvements	- 10 - 50 years straight line
Fixtures and fittings	- 5 - 10 years straight line
Office and computer equipment	- 3 - 5 years straight line
Leasehold land	- Over the term of the lease

Concerning former school buildings and school/teachers houses, these are included at cost. Included are properties in past action orders, under unrestricted funds and future schemes where the valuation is under permanent endowments

1.8 Investment Properties

Properties that are retained either for rental income or held for capital appreciation only, are to be recorded as Investment Properties – following a detailed investigation in a previous accounting period, certain properties were transferred to investment properties. This was done at book cost and the properties revalued by a qualified person within the diocese. For future accounting periods, the revaluation of these properties are now based on the Nationwide All property Index unless factors are noted which indicate an impairment.

1.9 Section Order Funds

Funds that have arisen from past Section Order Schemes are subject to Uniform Trusts set out in Schedule 36 to The Education Act 1966. Prior to 1990, these funds were accounted for under a separate heading, but until 1998 had been included under the General Reserve - Unrestricted Funds. In light of the discussion at a Barchester Meeting in March 1999, these funds have been extracted from the General Reserve and are now accounted for under Restricted Funds. Due to the fact there have been three separate orders, Section 86 (1944 Act). Section 2 (1972 Act). and more recently Section 554 (1996 Act), which all vary slightly, the funds have been subdivided into separate headings dependent on the Section in which the Scheme was approved.

The accounts include future section order funds under permanent endowment funds. Once an order has been approved the funds are then transferred in accordance with the Order.

1.10 Financial instruments

The Charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments, including trade and other debtors and creditors are initially recognised at transaction value and subsequently measured at their settlement value.

Debtors

Trade and other debtors are recognised at the settlement amount due after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

Creditors

Creditors and provisions are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are normally recognised at their settlement amount after allowing for any trade discounts due.

Cash

Cash at bank and cash in hand includes cash and short term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

16. STATEMENT OF FUNDS – continued

Apart from the Unrestricted Funds, which are used for its day-to-day activities, the other funds considered as part of the Board's free reserves are the Designated Funds. These are reserves that have been ring fenced for specific purposes, although the Directors of the Board have discretion at any time to transfer the reserves back to the unrestricted category.

However these Designated Funds have on the whole originated either from specific events or from agreement with schools as part of the historical financial policies to protect and further the work of the Board. In accordance with the Accounting Regulations the Board is required to express the purposes of each of the designated funds and these are as follows: -

RE Handbook

This fund originates from the surplus on the production of the first handbook. The fund is retained to assist with producing and circulating updates of the resource to assist schools in the Diocese.

Diocesan Schools Fund

The fund originates from the Salop Schools Fund. The funds are held and income generated is assists with the Administration of the Board - £1500 per annum, the balance being made available to schools for grants towards specific celebration or specific events.

Section 2 Funds

The capital originates from a variety of Section 2 Orders on the sale at schools. This fund represents the Board proportion of funds.

In addition there are also the following **Restricted Funds**: -

Managed Funds

This reserve represents funds that have been received, normally from the proceeds of sale. The funds are held as restricted funds to be specifically used at the discretion of the trustees for the area of benefit following Section 554 Order that will direct future use of the funds or where a Section Order has directed their use for specific purposes.

Section Orders

This fund represents the original sale proceeds of a number of schools pending S554 Orders.

Kings School Fund

Under the terms of an agreement dated 15th September 1999, in consideration of a gift of a sum of money towards the improvement of King's school, Tettenhall, the Board has undertaken that upon disposal of the site of the school, the Board will repay to the Trustees of the T.C.James Trust a proportion of the net proceeds as the gifted sum bears to the acquisition values of the site (£1.75m) less the cost of improvements and additions made by others to the site and buildings since acquisition. The approximate value of the amount which would be due is £30,000

Education Projects

This represents funds restricted to various education projects – in particular the Kenya Overseas Project and the Open Door projects (Inspire) used at different sites across the Diocese.

19. PENSION COMMITMENTS

The Church of England Pensions Board administers pension arrangements for clergy and licensed lay workers. The Lichfield Diocesan Board of Finance participates in this scheme. The Church of England Funded Pensions Scheme is a defined benefit scheme but the Lichfield Diocesan Board of Finance is unable to identify its share of the underlying assets and liabilities as each employer is exposed to actuarial risks associated with current and former employees of other entities participating in the scheme. The pension cost charge represents contributions payable by the charity to the scheme and amounted to £40,000 (2019: £37,000).

20. OPERATING LEASE COMMITMENTS

At 31 August 2020 and 31 August 2019 the charity had no commitments under non-cancellable operating leases.
