## Report of the Independent Auditors to C M Jefferies & Co Limited Under Section 449 of the Companies Act 2006

We have examined the abbreviated accounts set out on pages three to five, together with the full financial statements of C M Jefferies & Co Limited for the year ended 31 May 2016 prepared under Section 396 of the Companies Act 2006.

This report is made solely to the company, in accordance with Section 449 of the Companies Act 2006. Our work has been undertaken so that we might state to the company those matters we are required to state to it in a special auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company, for our work, for this report, or for the opinions we have formed.

#### Respective responsibilities of directors and auditors

The directors are responsible for preparing the abbreviated accounts in accordance with Section 444 of the Companies Act 2006. It is our responsibility to form an independent opinion as to whether the company is entitled to deliver abbreviated accounts to the Registrar of Companies and whether the abbreviated accounts have been properly prepared in accordance with the Regulations made under that Section and to report our opinion to you.

#### Basis of opinion

We conducted our work in accordance with Bulletin 2008/4 issued by the Auditing Practices Board. In accordance with that Bulletin we have carried out the procedures we consider necessary to confirm, by reference to the financial statements, that the company is entitled to deliver abbreviated accounts and that the abbreviated accounts to be delivered are properly prepared.

#### Opinion

In our opinion the company is entitled to deliver abbreviated accounts prepared in accordance with Section 444(3) of the Companies Act 2006, and the abbreviated accounts have been properly prepared in accordance with the Regulations made under that Section.

## Notes to the Abbreviated Accounts for the year ended 31 May 2016

#### 1. Accounting policies

#### **Accounting convention**

The financial statements have been prepared under the historical cost convention as modified by the revaluation of certain fixed assets and in accordance with the Financial Reporting Standard for Smaller Entities (effective January 2015).

#### Turnover

Turnover represents income receivable in respect of investments held by the company. This includes interest received on bank balances, dividends from shareholdings and gains and losses on disposal of investments.

#### Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life

Freehold property Fixtures and fittings Motor vehicles not provided15% straight line25% straight line

In the opinion of the directors the residual value of land and buildings is at least equal to the carrying value shown in the balance sheet. Residual value is defined as the realisable value of the asset at the end of its useful economic life. No depreciation has been charged on land and buildings as it would not be material.

#### **Investment property**

Investment property is shown at most recent valuation. Any aggregate surplus or deficit arising from changes in market value is transferred to a revaluation reserve.

Although this accounting policy is in accordance with the Financial Reporting Standard for Smaller Entities (effective January 2015) it is a departure from the general requirement of the Companies Act 2006 for all tangible assets to be depreciated. In the opinion of the directors compliance with the standard is necessary for the financial statements to give a true and fair view. Depreciation or amortisation is only one of many factors reflected in the annual valuation and the amount of this which might otherwise have been charged cannot be separately identified or quantified.

#### Fixed and current asset investments

Fixed and current asset investments are stated at historical cost less provision for any diminution in value.

### Hire purchase and leasing commitments

Assets obtained under hire purchase contracts or finance leases are capitalised in the balance sheet. Those held under hire purchase contracts are depreciated over their estimates useful lives. Those held under finance leases are depreciated over their estimates useful lives or the lease term, whichever is the shorter.

The interest element of these obligations is charged to the profit and loss account over the relevant period. The capital element of the future payments is treated as a liability.
