the floating charge created under clause 3.1.12 by the Borrower will automatically be converted (without notice) with immediate effect into a fixed charge in respect of the relevant Floating Charge Property.

4.3 The floating charge created under this Deed shall not convert into a fixed charge solely by reason of a moratorium being obtained under the Insolvency Act 2000 (or anything done with a view to obtaining such a moratorium) in respect of the Borrower.

4.4 The giving of a notice by White Oak pursuant to clause 4.1 in relation to any class of assets of the Borrower shall not be construed as a waiver or abandonment of the rights of White Oak to serve similar notices in respect of any other class of assets or of any other right of White Oak.

5 Negative pledge

5.1 Except for the Permitted Security, the Borrower shall not create or permit to subsist any Security over any of the Charged Property.

6 Further assurance

including the execution of any Security or other document (in such form as White Oak may reasonably require), the giving of any notice, order or direction and the making of any registration which White Oak may think expedient.

7 Warranties

The Borrower warrants to White Oak that on the date of this Deed and on each date during the Security Period by reference to the facts and circumstances then existing that:

7.1 the Charged Property is, or when acquired will be, legally and beneficially owned by it free of any Security other than the Permitted Security and other than the Security created by or expressly permitted by this Deed;

7.2 this Deed creates the Security which it purports to create and is not liable to be avoided or otherwise set aside on its liquidation or administration or otherwise;

7.3 the Investments are fully paid and are not subject to any option to purchase or similar right; and

7.4 there is no litigation, arbitration or administrative proceedings in progress, pending or to its knowledge threatened against it which might have a material adverse effect on its ability to perform its obligations under any of the Loan Agreement.

8.9 ensure that at all times insurances are maintained in full force and effect, which insure it in respect of its interests in any Charged Property against such risks as a prudent

company in the same business as the Borrower would insure for the full replacement value of the Charged Property and ensure that all its Insurance Policies are endorsed with notice of the interest of White Oak in them (or, if required by White Oak, with White Oak named as a joint insured party though without White Oak being liable for payment of premiums or for carrying out any other obligations under the relevant Insurance Policy) and will produce to White Oak the receipts for each current premium within fifteen days of its becoming due failing which White Oak may effect or renew any such insurance as White Oak shall think fit at the Borrower's expense;

8.15 permit White Oak free access at all reasonable times to any of its premises to inspect and take copies of and extracts from its books and records and will provide White Oak with all information and facilities which it may require for this purpose;

8.16 give full particulars to White Oak of any notice, order, direction, designation, resolution or proposal given or made by any public body or authority that specifically applies to any Charged Property and at its own expense, immediately on request by White Oak, take all reasonable and necessary steps to comply with any such notice;

8.17 deposit with White Oak all deeds and documents relating to its Real Property and the Insurance Policies relating to the same, (subject only to the requirements of any prior Security agreed by White Oak);

8.18 keep all its Plant and Machinery in good and substantial repair and in good working order and condition, normal wear and tear excepted, and will immediately upon request by White Oak affix nameplates or other identifying symbols or numbers indicating White Oak's interest on its Plant and Machinery and it will not, without White Oak's prior written consent, alter or remove any identifying symbol or number on the Plant and Machinery;

8.19 procure that no alteration or addition is made to any of its Real Property and not do or allow anything to be done on its Real Property which will be treated as a development or a change of use for the purposes of any planning laws unless the prior written consent of White Oak has been obtained and to obtain planning permission for any such development;

8.20 keep the Plant and Machinery at the Borrower's premises or such other location as White Oak shall agree in writing; and

8.21 not deal with, negotiate or pay Remittances in respect of its book debts and their Related Rights into any account other than the Borrower's own bank account(s) and will otherwise deal with such book debts and their Related Rights in the ordinary course of business.

9 Enforcement

9.1 The Security created under this Deed shall become immediately enforceable upon the occurrence of an Event of Default and shall continue to be enforceable so long as an Event of Default is continuing.

9.2 At any time after the Security created under this Deed becomes enforceable, White Oak may, without notice to the Borrower and whether or not it has appointed a Receiver, exercise:

9.2.1 all or any of the powers, authorities and discretions conferred on mortgagees by the LPA 1925 (as varied or extended by this Deed);

9.2.2 all of the powers conferred on the holder of a qualifying floating charge (as defined in the Insolvency Act 1986) by the Insolvency Act 1986; and

9.2.3 all or any of the powers conferred by this Deed.

9.3 Neither White Oak nor any Receiver shall be liable to account as a mortgagee in possession in respect of all or any part of the Charged Property or be liable for any loss upon realisation or for any neglect, default or omission for which a mortgagee in possession might otherwise be liable.

10 Powers of White Oak

10.1 The power of sale conferred on White Oak and on any Receiver by this Deed shall operate as a variation and extension of the statutory power of sale under section 101 of the LPA 1925 and such power shall arise (and the Secured Obligations shall be deemed due and payable for that purpose) on execution of this Deed.

10.2 Sections 93 and 103 of the LPA 1925 shall not apply to this Deed.

10.3 At any time after the Security created by this Deed becomes enforceable, White Oak may lease or make arrangements to lease, at a premium or otherwise, and accept surrenders of leases without any restriction and in particular without the need to comply with any restrictions imposed by sections 99 and 100 of the LPA 1925.

10.4 Any liberty or power which may be exercised or any determination which may be made hereunder by White Oak or any Receiver may be exercised or made in its absolute and unfettered discretion without any obligation to give reasons.

10.5 Each of White Oak and any Receiver shall have full power to delegate (either generally or specifically) the powers, authorities and discretions conferred on it by this Deed (including the power of attorney) on such terms and conditions as it shall see fit which delegation shall not preclude either the subsequent exercise of such power, authority or discretion by White Oak or the Receiver itself or any subsequent delegation or revocation thereof.

10.6 Following the occurrence of an Event of Default which is continuing White Oak may initiate an investigation of, and/or instruct any report (accounting, legal, valuation or other) on the business and affairs of the Borrower which it considers necessary to ascertain the financial position of the Borrower. All fees and expenses incurred by White Oak in connection with such investigations shall be payable by the Borrower and the Borrower consents to the provision by White Oak of all information in relation to the Borrower which White Oak provides to any person in relation to the preparation of any such report.

10.7 If at any time the Borrower does not comply with any of its obligations under this Deed, White Oak may (but shall not be obliged to) rectify such default and the Borrower irrevocably authorises White Oak, at the Borrower's expense, to do all such things as are necessary or desirable to rectify such default.

11 Appointment of Receiver

11.1 At any time after the Security created under this Deed becomes enforceable, or if requested to do so by the Borrower, White Oak may (by deed or otherwise):

11.2.1 appoint one or more persons jointly or severally to be a Receiver of the whole or any part of the Charged Property;

11.2.2 remove (so far as it is lawfully able) any Receiver so appointed; and

11.2 Except as provided below, any restriction imposed by law on the right of a mortgagee to appoint a Receiver (including under section 109(1) of the LPA 1925) does not apply to this Deed.

11.3 White Oak is not entitled to appoint a Receiver solely as a result of the obtaining of a moratorium (or anything done with a view to obtaining a moratorium) under section 1A to the Insolvency Act 1986.

11.4 White Oak may not appoint an administrative receiver (as defined in section 29(2)) of the Insolvency Act 1986) over the Charged Property if White Oak is prohibited from doing so by section 72A of the Insolvency Act 1986 and no exception to the prohibition on appointing an administrative receiver applies.

11.5 Each Receiver shall be:

11.5.1 an agent of the Borrower and the Borrower shall be solely responsible for the Receiver's contracts, engagements, acts, omissions, defaults, losses and liabilities and for the payment of the Receiver's remuneration; and

11.5.2 entitled to remuneration for his services at a rate to be fixed by White Oak from time to time (without being limited to the maximum rate specified in section 109(6) of the LPA 1925).

12 Powers of Receiver

12.1 Every Receiver shall have all the powers:

12.1.1 conferred by the LPA 1925 on mortgagors and on mortgagees in possession and receivers appointed under that Act;

12.1.2 set out in Schedule 1 to the Insolvency Act 1986 and, in the case of an administrator, Schedule B1 to the Insolvency Act 1986; and

12.1.3 conferred from time to time on receivers by statute.

12.2 In addition to the powers referred to in clause 12.1 a Receiver shall have the power, at the cost of the Borrower and either in his own name or in the name of the Borrower or (with the written approval of White Oak) in the name of White Oak:

12.2.1 to take possession of, collect and get in all or any part of the Charged Property;

12.2.2 to carry on, manage or concur in carrying on and managing all or any part of the business of the Borrower in any manner he thinks fit;

12.2.3 to borrow or raise money and secure the payment of any money in priority to the charges created by this Deed for the purpose of exercising his powers and/or defraying any costs or expenses incurred by him in such exercise;

12.2.4 to sell, let, lease or concur in selling, letting or leasing and to vary the terms or determine, surrender and to accept surrenders of leases or tenancies of or grant options or licences over all of any part of the Charged Property in any manner and on such terms as he thinks fit. The consideration for any such transaction may consist of cash or of shares or securities or other obligations (and the amount of such consideration may be dependent on profit or turnover or be determined by a third party) and may be payable in a lump sum or in instalments;

12.2.5 to sever any fixtures (including trade and tenants fixtures) from the property of which they form part, without the consent of the Borrower;

12.2.6 to exercise all powers, rights and/or obligations under any contract or agreement forming part of the Charged Property, including, without limitation, all voting and other rights attaching to the Investments;

12.2.7 to make and effect all repairs, renewals, improvements, and insurances, commence and/or complete any building operation and/or apply for and maintain any planning permission, building regulation approval or other authorisation in each case as he thinks fit;

12.2.8 to redeem any prior Security in respect of all or any of the Charged Property and to settle and pass the accounts of the holder of such prior Security and any accounts so settled and passed will, in the absence of manifest error, be conclusive and binding on the Borrower. All moneys paid to the holder of such Security in accordance with such accounts shall form part of the Secured Obligations;

12.2.9 to promote the formation of subsidiaries of the Borrower for the purpose of purchasing, leasing, licensing or otherwise acquiring interests in all or any of the assets of the Borrower and to arrange for any such subsidiaries to trade or cease to trade on such terms as the Receiver thinks fit;

12.2.10 to take such proceedings and to settle, adjust, refer to arbitration, compromise and/or arrange any claim, account or demand which White Oak or the Receiver may think fit;

12.2.11 to appoint managers, officers, agents, accountants and workmen at such salaries and for such periods as the Receiver may determine and to discharge any person appointed by the Borrower;

12.2.12 to exercise in relation to all or any part of the Charged Property all such powers and rights as he would be capable of exercising if he were the absolute beneficial owner of the Charged Property;

12.2.13 lend money or advance credit to any customer of the Borrower;

12.2.14 give a valid receipt for any moneys and execute any assurance or thing which may be proper or desirable for realising any Charged Property;

12.2.15 let any Charged Property for any term and at any rent (with or without a premium) which he thinks fit and may accept a surrender of any lease or tenancy of any Charged Property on any terms which he thinks fit; and/or

12.2.16 to do all other acts and things as may be considered by the Receiver to be incidental or conducive to the above or otherwise expedient for or incidental or conducive to the preservation, improvement or realisation of the Charged Property.

13 Application of moneys

13.1 All moneys received or recovered by White Oak or any Receiver pursuant to this Deed shall be applied in the following order:

13.1.1 first, in satisfaction of, or provision for, all costs, charges and expenses incurred by White Oak or any Receiver and the payment of the remuneration of any Receiver;

13.1.2 second, in or towards satisfaction of the Secured Obligations; and

13.1.3 third, any surplus shall be paid to the Borrower or any other person entitled thereto.

This clause is subject to the payment of any claims having priority over the Security created under this Deed. This clause does not prejudice the right of White Oak to recover any shortfall from the Borrower.

13.2 Following the enforcement of this Security, any monies received by White Oak may be appropriated by White Oak in its discretion in or towards the payment and discharge of any part of the Secured Obligations.

13.3 Only money actually paid by the Receiver to White Oak shall be capable of being applied in or towards the satisfaction of the Secured Obligations and the Borrower shall have no rights in respect of the application by White Oak of any sums received, recovered or realised by White Oak under this Deed.

13.4 If White Oak reasonably considers that any amount paid or credited to it is capable of being avoided or reduced by virtue of any bankruptcy, insolvency, liquidation or similar laws, the liability of the Borrower under this Deed and the Security created under this Deed shall continue and such amount shall not be considered to have been irrevocably paid.

13.5 White Oak or a Receiver (as the case may be) may credit any monies to a suspense account for so long and in such manner as White Oak may from time to time determine. The Receiver (as the case may be) or White Oak may retain the same for such period as the Receiver (as the case may be) and White Oak consider expedient.

14 Protection of purchasers

14.1 The receipt of White Oak or its delegate or any Receiver shall be conclusive discharge to a purchaser in any sale or disposal of any of the Charged Property.

14.2 No purchaser or other person dealing with White Oak or its delegate or any Receiver shall be bound to enquire whether the right of White Oak or such Receiver to exercise any of its powers has arisen or become exercisable or be concerned with any notice to the contrary, or be concerned to see whether any such delegation by White Oak shall have lapsed for any reason or have been revoked.

15 Power of attorney

15.1 The Borrower irrevocably appoints White Oak, each person to whom White Oak shall from time to time have delegated the exercise of the power of attorney conferred by this clause and any Receiver jointly and severally to be its attorney and in its name and on its behalf to execute, deliver and perfect all documents and to do all things which the attorney may consider to be required or desirable for:

15.1.1 carrying out any obligation imposed on the Borrower by this Deed (including the execution and delivery of any deeds, charges, assignments or other Security and any transfers of the Charged Property); and

15.1.2 enabling White Oak and any Receiver to exercise any of the powers conferred on them by or pursuant to this Deed or by law.

15.2 The Borrower ratifies and confirms to agree to ratify and confirm all things done and all documents executed by any attorney in the exercise or purported exercise of all or any of his powers.

16 Preservation of Security

16.1 The Security created under this Deed will be a continuing Security for the ultimate balance of the Secured Obligations notwithstanding any intermediate payment or settlement of all or any part of the Secured Obligations.

16.2 The obligations of the Borrower under this Deed will not be affected by any act, omission or thing which, but for this provision would reduce, release or prejudice any of its obligations under this Deed (whether or not known to it or White Oak). This includes:

16.2.1 any time or waiver granted to, or composition with, any person;

16.2.2 any release or any person under the terms of any composition or arrangement;

16.2.3 the taking, variation, compromise, exchange, renewal or release of, or refusal or neglect to perfect, take up or enforce any rights against, or Security over assets of, any person;

16.2.4 any non-presentation, non-observance of any formality or other requirements in respect of any instrument or any failure to realise the full value of any Security;

16.2.5 any incapacity, lack of power, authority or legal personality of or dissolution or change in the members or status of any person;

16.2.6 any amendment of any document or Security;

16.2.7 any unenforceability, illegality, invalidity or non-provability of any obligation of any person under any document or Security or the failure by any person to enter into or be bound by any document or Security; or

16.2.8 any insolvency or similar proceedings.

16.3 Without prejudice to the generality of clause 16.2, the Borrower expressly confirms that it intends that Security created under this Deed shall extend from time to time to any (however fundamental) variation, increase, extension or addition of the Loan Agreement or to any document creating a Secured Obligation and/or any facility or amount made available under such document.

16.4 The Borrower waives any rights it may have of first requiring White Oak (or any trustee or agent on its behalf) to proceed against or enforce any other right or Security or claim payment from any person or file any proof or claim in any insolvency, administration, winding-up or liquidation proceedings relative to any other person before claiming from the Borrower under this Deed.

16.5 This Deed is in addition to and is not in any way prejudiced by any other Security now or subsequently held by White Oak.

17 Set-off and currency

17.1 All payments to be made to White Oak under this Deed shall be made free and clear of and (save as required by law) without deduction for or on account of any tax withholding, charges, set-off or counterclaim. All payments shall be made into such account(s) as White Oak may from time to time specify for the purpose. If the Borrower is compelled by law to make any deduction or withholding from any sum payable under this Deed to White Oak, the sum so payable by the Borrower shall be increased so as to result in the receipt by White Oak of a net amount equal to the full amount expressed to be payable under this Deed.

17.2 In addition to any general lien or similar rights to which it may be entitled by operation of law, White Oak and the Receiver may at any time and without notice to the Borrower combine or consolidate all or any of the Borrower's then existing accounts with any liabilities to White Oak or its Affiliates and set off or transfer any sum or sums standing to the credit of any one of more of such accounts in or towards satisfaction of the Secured Obligations.

17.3 For the purpose of or pending the discharge of the Secured Obligations, White Oak may, in its sole discretion, convert any moneys received, recovered or realised in any currency under this Deed (including the proceeds of any previous conversion under this clause) from their existing currency into any other currency at such rate or rates of exchange and at such time as White Oak thinks fit. Neither White Oak nor any Receiver shall have any liability to the Borrower in respect of any loss resulting from any fluctuation in exchange rates after any such conversion.

18 Expenses and indemnity

18.1 The Borrower shall, from time to time on the demand of White Oak, pay or reimburse White Oak on a full indemnity basis for all costs and expenses (including legal fees) together with any VAT or similar taxes thereon incurred by it in connection with the preparation, execution, perfection, amendment, enforcement, discharge and/or assignment of this Deed. Such costs and expenses shall form part of the Secured Obligations and shall carry interest from the date of such demand until so paid or reimbursed at the rate determined by White Oak.

18.2 The Borrower shall, notwithstanding any release or discharge of all or any part of the Security created under this Deed, indemnify White Oak, its agents, attorneys and any Receiver against any action, proceeding, claim, loss, liability and cost which it may sustain:

18.2.1 in the exercise (or purported exercise) of any of the rights, powers or discretions vested in them by this Deed (or by law): and/or

18.2.2 in connection with or otherwise relating to this Deed or the Charged Property.

19 Changes to parties

19.1 White Oak may assign and transfer all or any of its rights and obligations under this Deed. The Borrower shall, immediately upon being requested to do so by White Oak, enter into such documents as may be necessary or desirable to effect such assignment or transfer.

19.2 White Oak shall be entitled to disclose such information concerning the Borrower and this Deed as White Oak (acting reasonably) considers appropriate to any actual or proposed direct or indirect successor or to any person to whom information may be required to be disclosed by any applicable law or to any company being in the same group of companies as White Oak.

20 Miscellaneous

20.1 All payments to be made to White Oak under this Deed shall be made in freely available funds and shall be made clear of and without deduction for or on account of tax. If the Borrower is required by law to make a tax deduction, the sum payable by the Borrower shall be increased to the extent necessary to ensure that, after the making of such deduction, the recipient of such sum receives and retains a net sum equal to the sum which it would have received and retained had no such deduction been made or required to be made.

20.2 If requested by White Oak, the Borrower shall apply to the Land Registry following completion of this Deed to register a restriction on the titles referred to in Part 1 of the Schedule of this Deed in the following terms:

"No disposition of the registered estate by the proprietor of the registered estate is to be registered without the written consent signed by the proprietor for the time being of the charge dated [ ] in favour of [ ] as referred to in the Charges Register"

and to make any other applications that are necessary and desirable to protect the Charged Property.

20.3 None of White Oak, his delegate(s), nominee(s) or any Receiver shall be liable for any loss by reason of (a) taking any action permitted by this Deed or (b) any neglect or default in connection with the Charged Property or (c) taking possession of or realising all or any part of the Charged Property, except in the case of gross negligence or wilful default upon its part.

20.4 White Oak will not be required in any manner to perform or fulfil any obligation of the Borrower, make any payment, make any enquiry as to the nature or sufficiency of any payment received by it or present or file any claim or take any action to collect or enforce the payment of any amount.

20.5 White Oak shall not be liable either to the Borrower or to any other person by reason of the appointment of a Receiver or for any other reason.

20.6 Neither White Oak nor the Receiver will be in any way liable or responsible to the Borrower for any loss or liability arising from any act, default, omission or misconduct on the part of any delegate or sub-delegate.

20.7 If, at any time, any provision of this Deed is or becomes illegal, invalid or unenforceable in any respect under any law of any jurisdiction, neither the legality, validity or enforceability of the remaining provisions of this Deed nor the legality, validity or enforceability of such provision under the laws of any other jurisdiction shall in any way be affected or impaired. If any part of the Security intended to be created by or pursuant to this Deed is invalid, unenforceable or ineffective for any reason, that shall not affect or impair any other part of the Security.

20.8 Any certificate of White Oak specifying any amount due from the Borrower is, in the absence of manifest error, conclusive evidence of such amount.

20.9 At the end of the Security Period, White Oak will, at the request and cost of the Borrower, take whatever action is reasonably necessary to release the Charged Property from the Security created under this Deed and re-assign any Charged Property assigned under this Deed.

20.10 A person who is not a party to this Deed shall have no right under the Contracts (Rights of Third Parties) Act 1999 to enforce or enjoy the benefit of any term of this Deed.

20.11 Any provision of this Deed may be amended only if White Oak and the Borrower so agree in writing and any breach of this Deed may be waived before or after it occurs only if White Oak so agrees in writing. A waiver given or consent granted by White Oak under this Deed will be effective only if given in writing and then only in the instance and for the purpose for which it is given.

20.12 No failure to exercise, nor any delay in exercising, on the part of White Oak, any right or remedy under this Deed shall operate as a waiver, nor shall any single or partial exercise of any right or remedy prevent any further or other exercise or the exercise of any other right or remedy. The rights and remedies provided are cumulative and not exclusive of any rights or remedies provided by law.

20.13 This Deed secures both present and further advances. White Oak covenants to make available advances and further advances to the extent (and on the terms) provided for in any agreement from time to time giving rise to the Secured Obligations.
