### NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2019

#### 1 General information

A A Telecom Limited (the 'company') is a private company limited by share capital incorporated in England and Wales under the Companies Act. The address of the registered office is given on page 1. The nature of the company's operations and its principal activities are set out in the directors report on page 2.

#### 2 Accounting policies

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented.

#### Going concern

The directors have a reasonable expectation that the company has adequate resources to continue in operational existence for the foreseeable future. Thus they continue to adopt the going concern basis in preparing the annual financial statements.

#### Statement of compliance

These financial statements have been prepared in accordance with Financial Reporting Standard 102 Section 1A - 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Companies Act 2006.

#### **Basis of preparation**

These financial statements have been prepared using the historical cost convention except that as disclosed in the accounting policies certain items are shown at fair value.

The functional currency of the company is considered to be pound sterling  $(\mathfrak{L})$  because that is the currency of the primary economic environment in which the company operates. The financial statements are presented in pound sterling  $(\mathfrak{L})$ .

#### Revenue recognition

Turnover comprises the fair value of the consideration received or receivable for the sale of goods and provision of services in the ordinary course of the Company's activities net of value added tax, returns, rebates and discounts. The Company recognises revenue when the amount of revenue can be reliably measured, and it is probable that future economic benefits will flow to the entity.

# 2 Accounting policies (continued)

#### **Taxation**

The tax expense for the period comprises current and deferred tax.

#### Tangible assets

Tangible assets are stated in the statement of financial position at cost, less any subsequent accumulated depreciation and subsequent accumulated impairment losses.

The cost tangible assets includes directly attributable incremental costs incurred in their acquisition and installation.

Depreciation is charged so as to write off the cost of assets, other than land and properties under construction over their estimated useful lives, as follows:

#### **Asset class**

Depreciation method and rate 20% on cost

Equipment, fixtures and fittings

#### Cash and cash equivalents

Cash and cash equivalents comprise cash on hand and held at bank

#### Stocks

Stocks comprise of finished goods.

Stocks are stated at the lower of cost and estimated selling price.

#### Share capital

Ordinary shares are classified as equity. Equity instruments are measured at the fair value of the cash or other resources received or receivable, net of the direct costs of issuing the equity instruments. If payment is deferred and the time value of money is material, the initial measurement is on a present value basis.

#### **Dividends**

Dividend distribution to the company's shareholders is recognised as a liability in the financial statements in the reporting period in which the dividends are declared.

#### **Financial instruments**

The company only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value.
