30.1.2 the provisions of another agreement between the holder of that share and the Company.

31. NON-CASH DISTRIBUTIONS

31.1 Subject to the terms of issue of the share in question, the Company may, by ordinary resolution on the recommendation of the directors, decide to pay all or part of a dividend or other distribution payable in respect of a share by transferring non-cash assets of equivalent value (including, without limitation, shares or other securities in any company).

31.2 For the purposes of paying a non-cash distribution, the directors may make whatever arrangements they think fit, including, where any difficulty arises regarding the distribution:

31.2.1 fixing the value of any assets;

31.2.2 paying cash to any distribution recipient on the basis of that value in order to adjust the rights of recipients; and

31.2.3 vesting any assets in trustees.

32. WAIVER OF DISTRIBUTIONS

32.1 Distribution recipients may waive their entitlement to a dividend or other distribution payable in respect of a share by giving the Company notice in writing to that effect, but if:

32.1.1 the share has more than one holder; or

32.1.2 more than one person is entitled to the share, whether by reason of the death or bankruptcy of one or more joint holders, or otherwise,

the notice is not effective unless it is expressed to be given, and signed, by all the holders or persons otherwise entitled to the share.

33. AUTHORITY TO CAPITALISE AND APPROPRIATION OF CAPITALISED SUMS

33.1 Subject to these Articles, the directors may, if they are so authorised by an ordinary resolution:

33.1.1 decide to capitalise any profits of the Company (whether or not they are available for distribution) which are not required for paying a preferential dividend, or any sum standing to the credit of the Company's share premium account or capital redemption reserve; and

33.1.2 appropriate any sum which they so decide to capitalise (a capitalised sum) to the persons who would have been entitled to it if it were distributed by way of dividend (the persons entitled) and in the same proportions.

33.2 Capitalised sums must be applied:

33.2.1 on behalf of the persons entitled; and

33.2.2 in the same proportions as a dividend would have been distributed to them.

33.3 Any capitalised sum may be applied in paying up new shares of a nominal amount equal to the capitalised sum which are then allotted credited as fully paid to the persons entitled or as they may direct.

33.4 A capitalised sum which was appropriated from profits available for distribution may be applied in paying up new debentures of the Company which are then allotted credited as fully paid to the persons entitled or as they may direct.

33.5 Subject to these Articles the directors may:

33.5.1 apply capitalised sums in accordance with paragraphs (3) and (4) partly in one way and partly in another;

33.5.2 make such arrangements as they think fit to deal with shares or debentures becoming distributable in fractions under this Article (including the issuing of fractional certificates or the making of cash payments); and

33.5.3 authorise any person to enter into an agreement with the Company on behalf of all the persons entitled which is binding on them in respect of the allotment of shares and debentures to them under this Article.

34. LIEN ON PARTLY PAID SHARES

The Company shall have a first and paramount lien on every share (not being a fully paid share) for all monies (whether presently payable or not) payable at a fixed time or called in respect of that share. The Directors may at any time declare any share to be wholly or in part exempt from the provisions of this regulation. The Company's lien on a share shall extend to any amount in respect of it.

35. MEANS OF COMMUNICATION TO BE USED
