NOTES TO THE ABBREVIATED ACCOUNTS

FOR THE YEAR ENDED 31 MARCH 2015

1 Accounting policies

1.1 Accounting convention

The financial statements are prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008).

1.2 Compliance with accounting standards

The financial statements are prepared in accordance with applicable United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), which have been applied consistently (except as otherwise stated).

1.3 Turnover

Turnover represents amounts receivable for goods during the year, net of VAT.

1.4 Tangible fixed assets and depreciation

Tangible fixed assets are stated at cost less depreciation. Depreciation is provided at rates calculated to write off the cost less estimated residual value of each asset over its expected useful life, as follows:

Plant and machinery	20% reducing balance
Computer equipment	33% straight line
Motor vehicles	25% reducing balance

1.5 Stock

Stock is valued at the lower of cost and net realisable value.

1.6 Deferred taxation

Full provision is made at the tax rates that are expected to apply in the periods in which the timing differences are expected to reverse based on the tax rates and laws that have been enacted or substantially enacted at the balance sheet date in respect of all timing differences which have arisen but not reversed at the balance sheet date. Timing differences are differences between the company's taxable profits and its results as stated in the accounts. Deferred tax is measured on a non-discounted basis. Deferred tax assets are only recognised where they arise from timing differences and their recoverability in the short term is regarded as more likely than not.

1.7 Going concern

The accounts are prepared on the going concern basis as the directors have indicated they will continue to provide the necessary financial support to enable the company to continue to trade for the foreseeable future.
