The notes form part of these financial statements

Balance sheet statements

For the year ending 31 March 2020 the company was entitled to exemption under section 477 of the Companies Act 2006 relating to small companies.

The members have not required the company to obtain an audit in accordance with section 476 of the Companies Act 2006.

The directors acknowledge their responsibilities for complying with the requirements of the Act with respect to accounting records and the preparation of accounts.

These accounts have been prepared and delivered in accordance with the provisions applicable to companies subject to the small companies regime.

This report was approved by the board of directors on 6 October 2020 and signed on behalf of the board by:

Name: J Kesanto Status: Director

The notes form part of these financial statements

Notes to the Financial Statements

for the Period Ended 31 March 2020

1. Accounting policies

Basis of measurement and preparation

These financial statements have been prepared in accordance with the provisions of Section 1A (Small Entities) of Financial Reporting Standard 102

Tangible fixed assets depreciation policy

Depreciation is charged so as to allocate the costs of assets less their residual value over their estimated useful lives. Depreciation is provided at the following basis: Equipment - 25% on cost (equipment in shops with a lease of less than four years is written off over the length of the lease) Motor vehicles -20% on cost

Other accounting policies

Basis of preparation of Financial Statements The Financial Statements have been prepared under the historical cost convention unless otherwise specified within these accounting policies and in accordance with Section 1A Financial Reporting Standard 102, the Financial Reporting Standard applicable to the UK and the Republic of Ireland and the Companies Act 2006. The Financial Statements are presented in sterling, which is the functional currency of the Company. The following principal accounting policies have been applied: Going ConcernThe Director is of the opinion that there are no material uncertainties in the company's ability to continue and the accounts are therefore prepared on a going concern basis. At 30 September 2019, all trade, assets and liabilities were transferred to the parent charity, Peace Hospice Care (registered in England and Wales, company number 02604892) at net book value. The company became dormant after this date. Turnover Turnover is recognised to the extent that it is probable that the economic benefits will flow to the Company and the turnover can be reliably measured. Turnover is measured as the fair value of the consideration received or receivable, excluding discounts, rebates, Value Added Tax and other sales taxes. Turnover represents sales of goods and lottery income. The company is registered as a VAT group together with its parent company Peace Hospice Care. Tangible fixed assets Tangible fixed assets under the cost model are stated at historical cost less accumulated depreciation and any accumulated impairment losses. Historical cost includes expenditure that is directly attributable to bring in the asset to the location and condition necessary for it to be capable of operating in the manner intended by management. At each reporting date the Company assesses whether there is any indication of impairment. If such indication exists, the recoverable amount of the asset is determined which is the higher of its fair value less costs to sell and its value in use. An impairment loss in recognised where the carrying amount exceeds the recoverable amount. Depreciation is charged so as to allocate the costs of assets less their residual value over their estimated useful lives. Depreciation is provided at the following basis: Equipment - 25% on cost (equipment in shops with a lease of less than four years is written off over the length of the lease) Motor vehicles - 20% on costStockStock is stated at the lower of cost and net realisable value, being the estimated selling price less costs to complete and sell. At each Balance Sheet date stock is assessed for impairment. If stock is impaired, the carrying amount is reduced to its selling price less costs to complete and sell. The impairment loss is recognised immediately in profit and loss. Debtors Short term debtors are measured at transaction price, less any impairment. PEACE HOSPICE SHOPS LIMITEDCashCash is represented by cash in hand and deposits with financial institutions repayable without penalty on notice of not more than 24 hours. Creditors Short term creditors are measured at the transaction price. Financial Instruments The Company only has basic financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basis financial instruments are initially recognised at transaction value and subsequently measured at their settlement value. Fixed assets are recorded at depreciated historical cost and all other assets and liabilities are recorded at cost which is their fair value. Operating lease commitments Rentals under operating leases are charged to the profit and loss account as incurred. Pensions The company operates defined contribution individual personal pension plan. The assets of these schemes are held separately from those of the Company in individual funds for each member. Contributions payable for the year are charged in the profit and loss account. Significant accounting estimates and judgements In applying the accounting policies adopted, no judgements were required that have a significant effect on the amounts in the financial statements nor do any estimates or assumptions made carry a significant risk of material adjustment next year.
