BALANCE SHEET (continued)

31 MARCH 2016

The financial statements were approved by the directors on 21 12 2016 and signed on their behalf by

MRS M W CADWALADR

CYMEN CYF**NOTES TO THE ABBREVIATED FINANCIAL STATEMENTS****YEAR ENDING 31 MARCH 2016****1. ACCOUNTING POLICIES****Basis of Accounting**

The financial statements have been prepared under the historical cost methods and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008)

Consolidation

In the opinion of the directors, the initiatives of the company and the subsidiary comprise a small group. Therefore the company availed itself of the exemption provided for in Section 398 of the Companies Act 2006 not to prepare group accounts.

Turnover

The turnover shown in the profit and loss account represents amounts invoiced during the year, exclusive of VAT.

In the case of long-term contracts and contracts for current services, turnover represents the value of work done during the year, including an estimate of the amounts not invoiced. Turnover connected with long-term contracts and current contracts is recognised by reference to the stages completed.

Fixed Assets

All the fixed assets are recorded initially at cost.

Depreciation

Depreciation is reckoned to as to write off an asset's cost, less its deemed residual value, over its useful economic life as follows:

Office Equipment and Furniture	- 16% of Original Cost
Fixtures and Fittings	-20% of Original Cost
Vehicles	-25% of Original Cost
Subtitling and Translation Equipment	-16% of Original Cost
Fittings and Improvements to Leasehold Property	-10% of Original Cost

Work in hand

Work in hand is valued on the basis of direct costs together with appropriate overheads at normal activity level. Provision is made for any anticipated losses where appropriate. No profit element is included in the valuation of work in hand.

Hire Purchase Agreements

Assets held under hire-purchase arrangements have been capitalised and disclosed under tangible fixed assets at fair value. The capital element of future payments is treated as a liability and the interest is set against the Profit and Loss Account on a straight-line basis.

Pension Costs

The company operates a pension scheme for employees. The assets of the scheme are held separately from those of the company. The annual contributions are shown in the profit and loss account.

Financial Instruments

Financial instruments are denoted and accounted for in accordance with the basis on which the contracts were settled, either as financial instruments, financial liabilities or equity instruments. An equity instrument is any contract which provides evidence of a residual benefit in the company assets after deducting all its liabilities.
