##### **Income Recognition**

Revenue is measured at the fair value of the consideration received or receivable. Turnover is shown net of value added tax, returns, rebates and discounts. ##### **Leasing**

Assets, obtained under hire purchase contracts and finance leases, are capitalised as tangible fixed assets. Finance leases are those where substantially all of the benefits and risks of ownership are assumed by the company. Obligations under such agreements are included in creditors net of the finance charge allocated to future periods. The finance element of the rental payment is charged to the profit and loss account so as to produce a constant periodic rate of charge on the net obligation outstanding in each period.
