NOTES TO THE ABBREVIATED ACCOUNTS
For the year ended 31 December 2012

1. ACCOUNTING POLICIES

1.1 Basis of preparation of financial statements

The full financial statements, from which these abbreviated accounts have been extracted, have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008)

1.2 Turnover

Turnover comprises the invoiced value of services supplied by the company exclusive of Value Added Tax

1.3 Tangible fixed assets and depreciation

Tangible fixed assets are stated at cost less depreciation. Depreciation is provided at rates calculated to write off the cost of fixed assets, less their estimated residual value, over their expected useful lives on the following bases

Leasehold land & buildings	-	Over the term of the lease
Plant & machinery	-	15% straight line
Fixtures, fittings & equipment	-	25% straight line
Motor vehicles	-	25% straight line

1.4 Stock

Stock is valued at the lower of cost and net realisable value after make provision for slow moving and obsolete items

1.5 Deferred taxation

Provision is made in full for all deferred taxation in respect of timing differences that have originated but not reversed by the balance sheet date, except for gains on disposal of fixed assets which will be rolled over into replacement assets. No provision is made for taxation on permanent differences

Deferred tax assets are recognised to the extent that it is more likely than not that they will be recovered

1.6 Leasing and hire purchase

Assets acquired under hire purchase contracts and finance leases are capitalised as tangible fixed assets. Assets acquired under finance leases are depreciated over the shorter of the lease term and their useful lives. Assets acquired under hire purchase are depreciated over their useful lives. Finance leases are those where substantially all of the benefits and risks of ownership are assumed by the company. Obligations under such agreements are included in creditors net of the finance charge allocated to future periods. The finance element of the rental payment is charged to the profit & loss account so as to produce a constant periodic rate of charge on the net obligation outstanding in each period

1.7 Pensions

The company operates a defined contribution pension scheme and the pension charge represents amounts payable by the company to the fund in respect of the year
