PEEL FOLD HOLDINGS LIMITED

DIRECTORS' REPORT

The directors present their annual report together with the accounts for the year ended 30 April 2015.

This directors' report has been presented in accordance with the special provisions applicable to companies subject to the small companies' regime.

ACTIVITIES

The company's principal activities during the year were the provision of business consultancy services and letting of property. The company also carries out small scale building work.

The company is also a holding company and owns a controlling interest in the share capital of Greenland Limited which owns controlling interests in the share capital of Associated Holdings Limited, Associated Environmental Limited and Objective Communications Limited.

FUTURE DEVELOPMENTS

The company expects to continue the consultancy, property and building activities for the foreseeable future.

DIRECTORS

The current directors and those who served during the year and to the date of this report are shown on page 1.

GOING CONCERN

As at 30 April 2015 the company had net current liabilities. The directors have obtained a letter of support from a related party under common control which confirms they will provide financial support as necessary so that Peel Fold Holdings Limited is able to meet its liabilities as they fall due for at least twelve months from the date of this report. After making enquiries and considering the current economic environment, the directors have a reasonable expectation that the company has adequate resources to continue in operational existence for the foreseeable future. Accordingly, they continue to adopt the going concern basis in preparing the financial statements.

DIVIDENDS

The directors do not recommend a final dividend (2014: £nil). No dividend was paid during the year.

Approved by the Board of Directors

PEEL FOLD HOLDINGS LIMITED

STATEMENT OF DIRECTORS' RESPONSIBILITIES

The directors are responsible for preparing the Annual Report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). The financial statements are required by law to give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgments and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

PEEL FOLD HOLDINGS LIMITED

NOTES TO THE ACCOUNTS

For the year ended 30 April 2015

1. ACCOUNTING POLICIES

The financial statements are prepared in accordance with applicable United Kingdom accounting standards. The particular accounting policies adopted are described below. They have all been applied consistently throughout the current and the preceding year.

Accounting convention

The financial statements are prepared under the historical cost convention. Consolidated accounts have not been prepared for the group on the grounds that it has met the qualifications for a small group. Accordingly the financial statements present information about the company as a single entity and not about its group.

Basis of preparation

As at 30 April 2015 the company had net current liabilities. The directors have obtained a letter of support from a related party under common control which confirms they will provide financial support as necessary so that Peel Fold Holdings Limited is able to meet its liabilities as they fall due for at least twelve months from the date of this report. After making enquiries and considering the current economic environment, the directors have a reasonable expectation that the company has adequate resources to continue in operational existence for the foreseeable future. Accordingly, they continue to adopt the going concern basis in preparing the financial statements.

Cash flow statement

The company has taken advantage from preparing a cash flow statement on the grounds that it qualifies as a small company under the Companies Act 2006.

Investment properties

In accordance with SSAP19, investment properties are valued annually and the aggregate surplus or deficit is transferred to revaluation reserve. No depreciation is provided in respect of investment properties.

The Companies Act 2006 requires all properties to be depreciated. However, this requirement conflicts with the generally accepted accounting principle set out in SSAP19. The directors consider that, because these properties are not held for consumption, but for their investment potential, to depreciate them would not give a true and fair view and that it is necessary to adopt SSAP19 in order to give a true and fair view.

If this departure from the Act had not been made, the profit for the financial year would have been reduced by depreciation. However, the amount of depreciation cannot reasonably be quantified, because depreciation is only one of many factors reflected in the annual valuation and the amount which might otherwise have been shown cannot be separately identified or quantified.

Fixed assets

Tangible fixed assets are stated at cost less accumulated depreciation, and any provision for impairment.

Depreciation is provided on assets on a basis related to the operating lives of the assets. The rates of depreciation are as follows:

Fixtures, fittings, equipment and motor vehicles	3 to 5 years straight line
Equipment leased to third parties	5 years straight line

Investments

Investments held as fixed assets are stated at cost less provision for impairment in value.

Work in progress

Work in progress comprises costs incurred to date of building works..

Leases

The company leases a machine for packaging sachets of alcohol to a third party. Operating lease rentals are recognised as turnover on a straight line basis over the course of the lease.

Rental expenses are charged to profit and loss in equal annual amounts over the lease term.

NOTES TO THE ACCOUNTS

For the year ended 30 April 2015

1. ACCOUNTING POLICIES (continued)

Taxation

Current tax is provided at amounts expected to be paid (or recovered) using the tax rates and laws that have been enacted or substantially enacted by the balance sheet date.

Deferred taxation is provided using the full provision method following the adoption of Financial Reporting Standard 19. Deferred taxation is provided in full on timing differences that result in an obligation at the balance sheet date to pay more tax, or a right to pay less tax, at a future date, at rates expected to apply when they crystallise based on current tax rates and law. Timing differences arise from the inclusion of items of income and expenditure in taxation computations in periods different from those in which they are included in the financial statements. Deferred tax assets are recognised to the extent that it is more likely than not that they will be recovered. Deferred tax assets and liabilities are not discounted.

2. TURNOVER

Turnover comprises rental, building and consultancy income and the provision of management services, exclusive of VAT, net of agents' fees and all arising in the UK.

3. INFORMATION REGARDING DIRECTORS AND EMPLOYEES

	2015 £	2014 £
