Tamburello Limited

Directors' Report Year ended 24 December 2019

The directors present their report and the financial statements for the year ended 24 December 2019.

Directors

The following directors have held office since 25 December 2018.

R Andrew (resigned 16 October 2020)

J Hazelwood

R R Andrew

A N Skinner (appointed 11 September 2020)

Directors' responsibilities statement

The directors are responsible for preparing the directors' report and financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law, the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period.

In preparing these financial statements the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Principal activities, business review and future developments

The company's principal business activity is the leasing of motor vehicles and the renting of plant, equipment and machinery required by other companies in the Hargreaves Group.

Tamburello Limited

Directors' Report Year ended 24 December 2019

Auditors

All the current directors have taken all the steps they ought to have taken to make themselves aware of any information needed by the company's auditors for the purposes of their audit and to establish that the auditors are aware of that information. The directors are not aware of any relevant audit information of which the auditors are unaware.

Kreston Reeves LLP have expressed their willingness to continue in office and a resolution to re-appoint them will be proposed at the next directors' meeting.

In preparing this report, the directors have taken advantage of the small companies' exemption of section 415A of the Companies Act 2006.

On behalf of the board

R R ANDREW

Director

November 2020

Tamburello Limited

Independent Auditor's Report to the Members of Tamburello Limited

Opinion

We have audited the financial statements of Tamburello Limited (the 'company') for the year ended 24 December 2019 which comprise the Statement of Income and Retained Earnings, the Balance Sheet and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the company's affairs as at 24 December 2019, and of its profit for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the directors' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the directors have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the company's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

Other information

The directors are responsible for the other information. The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the directors' report for the financial period for which the financial statements are prepared is consistent with the financial statements; and
- the directors' report has been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In the light of our knowledge and understanding of the company and its environment obtained in the course of the audit, we have not identified material misstatements in the directors' report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the directors were not entitled to prepare the financial statements in accordance with the small companies regime and take advantage of the small companies' exemptions in preparing the directors' report and from the requirement to prepare a strategic report.

Tamburello Limited

Independent Auditor's Report to the Members of Tamburello Limited - continued

Responsibilities of directors

As explained more fully in the directors' responsibilities statement set out on page 1, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs (UK), we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the directors.
- Conclude on the appropriateness of the directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Use of our report

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

R R ANDREW

Director

The notes on pages 7 to 12 form part of these financial statements.

Tamburello Limited

Notes to the Financial Statements Year ended 24 December 2019

1 General information

Tamburello Limited is a company limited by shares incorporated in England & Wales under the Companies Act. The address of the registered office and principal place of business is given on the company information page.

2 Accounting policies

2.1 Basis of preparation of financial statements

The financial statements have been prepared in accordance with Financial Reporting Standard 102, The Financial Reporting Standard Applicable in the UK and Republic of Ireland, including Section 1A - small entities ("FRS 102"), and the Companies Act 2006. The financial statements have been prepared on a going concern basis under the historical cost convention.

The financial statements are presented in 'sterling', which is the functional currency of the company and all amounts are rounded to the nearest £1.

The preparation of financial statements in compliance with FRS 102 requires the use of certain critical accounting estimates. It also requires management to exercise judgement in applying the company's accounting policies.

The following principal accounting policies have been applied:

2.2 Revenue

Revenue from finance and operating leases are recognised in accordance with the company's policy, see 2.5 below. Profit or loss on sale is immediately taken to profit or loss and included within administrative expenses. Revenue is excluding VAT and arising wholly within the United Kingdom.

2.3 Expenditure

Costs not directly attributable to individual property, plant and equipment are charged to profit or loss as administrative expenditure.

2.4 Property, plant and equipment

Tangible fixed assets are stated at historical cost less accumulated depreciation and any accumulated impairment losses.

Depreciation is charged so as to allocate the cost of assets, less their estimated residual value, over their estimated useful lives as shown below.

Depreciation is provided on the following basis:

Furniture and equipment, motor vehicles and plant - 25% reducing balance (including in year of acquisition)

Electronic equipment - Straight line over 3 years

The assets' estimated residual values, useful lives and depreciation methods are reviewed and adjusted prospectively, if appropriate, if there is an indication of a significant change since the last reporting date.

Gains and losses on disposals are determined by comparing the proceeds with the carrying amount and are recognised within administrative expenses in the statement of income and retained earnings.

Tamburello Limited

Notes to the Financial Statements Year ended 24 December 2019

2.5 Leasing

Leases are classified as finance lease if they transfer substantially all the risks and rewards of the ownership of the assets to the customer. All other leases are classified as operating leases.

Finance lease receivables are stated in the balance sheet at the amount of the net investment in the leases being the minimum lease payments and any unguaranteed residual value discounted at the effective interest rate in the lease. Finance lease income is allocated to accounting periods so as to give constant periodic rate of return on the investment.

Rental income from operating leases is credited to the income statement on a straight line basis over the term of the lease. Operating lease assets are included within property, plant and equipment.

2.6 Debtors

Debtors receivable within one year and with no stated interest rate are initially recognised at the transaction price.

2.7 Financial instruments

The company enters into basic financial instrument transactions that result in the recognition of financial assets and liabilities.

Basic debt instruments are measured, initially and subsequently, at the undiscounted amount of the cash or other consideration, expected to be paid or received.

Financial assets that are measured at cost and amortised cost are assessed at the end of each reporting period for objective evidence of impairment, which, if found, is recognised as an impairment loss in profit or loss.

2.8 Creditors

Creditors payable within one year and with no stated interest rate are initially recognised at the transaction price.

2.9 Current and deferred taxation

The tax expense for the year comprises current and deferred tax. Tax is recognised in profit or loss, except that a charge attributable to an item of income and expense recognised as other comprehensive income or to an item recognised directly in equity is also recognised in other comprehensive income or directly in equity respectively.

The current tax charge is the tax payable or receivable in respect of taxable profit for the current and previous reporting period. The charge is calculated on the basis of tax rates and laws that have been enacted or substantively enacted by the balance sheet date in the countries where the company operates and generates income.

Deferred tax represents future tax consequences of items recognised in the current and previous periods. Timing differences are differences between taxable profit and total comprehensive income as stated in the financial statements.

Deferred tax balances are recognised in respect of all timing differences that have originated but not reversed by the balance sheet date, except that:

- The recognition of deferred tax assets is limited to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits;
- Any deferred tax balances are reversed if and when all conditions for retaining associated tax allowances have been met.

Tamburello Limited

Notes to the Financial Statements Year ended 24 December 2019

2.9 Current and deferred taxation (continued)

Deferred tax balances are not recognised in respect of permanent differences.

Deferred tax is determined using tax rates and laws that have been enacted or substantively enacted by the balance sheet date, or that are expected to apply at the date of reversal of the timing difference.

2.10 Going concern

As an ongoing part of the management of the affairs of the company, detailed forecasts and projections are prepared. The directors have a reasonable expectation that the company has adequate resources to continue in operational existence for the foreseeable future and, in the opinion of the directors, these financial statements may validly be prepared on a going concern basis.

3	Operating profit	2019 £	2018 £
	Operating profit is stated after charging:		
	Depreciation of tangible assets	47,573	59,929
	Loss/(profit) on disposal of fixed assets	<u>2,434</u>	<u>(54,457)</u>

4 Employees

Number of employees

There were no employees during the year apart from the directors. There were no emoluments paid to the directors in the current or the previous year.

5	Taxation on profit on ordinary activities	2019 £	2018 £
	Corporation tax		
	Current tax on profits for the year	-	-
	Total current tax	<u>-</u>	<u>-</u>
	Deferred tax		
	Origination and reversal of timing differences	42	17,385
	Taxation on profit on ordinary activities	<u>42</u>	<u>17,385</u>

Tamburello Limited

Notes to the Financial Statements Year ended 24 December 2019

5 Taxation on profit on ordinary activities (continued)

Factors affecting tax charge for the year

The tax charge for the year is lower than (2018 - lower than) the standard rate of corporation tax in the UK of 19% (2018 - 19%). The differences are explained below:

	2019 £	2018 £
Profit on ordinary activities before tax	50,923	117,632
Profit on ordinary activities at the standard rate of corporation tax in the UK of 19% (2018: 19%)	9,675	22,350
<i>Effect of:</i>		
Income and expenses not eligible for tax purposes	462	(10,347)
Capital allowances in excess of depreciation	(3,445)	7,446
Change in tax rate in future years	957	(1,064)
Group relief claimed	(7,607)	(1,000)
Total tax charge for the year	42	17,385

6 Property, plant and equipment

	Plant £	Furniture and equipment £	Motor vehicles £	Total £
Cost				
At 25 December 2018	238,679	375,127	89,787	703,593
Additions	965	10,889	-	11,854
Disposals	(37,603)	(19,118)	(4,493)	(61,214)
At 24 December 2019	202,041	366,898	85,294	654,233
Depreciation				
At 25 December 2018	168,531	228,185	48,498	445,214
On disposals	(20,141)	(15,947)	(4,240)	(40,328)
Charge for the year	13,559	30,004	4,010	47,573
At 24 December 2019	161,949	242,242	48,268	452,459
Net book value				
At 24 December 2019	40,092	124,656	37,026	201,774
At 24 December 2018	70,148	146,942	41,289	258,379

Tamburello Limited

Notes to the Financial Statements Year ended 24 December 2019

7 Debtors - amounts falling due within one year	2019	2018
	£	£
Net investment in finance leases	127,649	127,649
Amounts owed by group undertakings	417,740	332,196
Other debtors	85,000	62,356
Prepayments and accrued income	816	816
	<u>631,205</u>	<u>523,017</u>

The net investments in finance leases represents the cost of the assets acquired for letting under finance leases.

8 Creditors: amounts falling due within one year	2019	2018
	£	£
Other taxes and social security	660	-
	<u>660</u>	<u>-</u>

9 Provisions for liabilities and charges	2019	2018
	£	£
Deferred tax liability	9,090	9,048
	<u>9,090</u>	<u>9,048</u>

The deferred tax liability represents capital allowances less than depreciation. The movement in the year represents amounts transferred to profit or loss.

10 Share Capital	2019	2018
	£	£
Allotted, called up and fully paid		
2 Ordinary shares of £1 each	<u>2</u>	<u>2</u>

11 Financial commitments

The company has entered into a guarantee in respect of any borrowings with Barclays Bank Plc, of nineteen fellow group companies. The total borrowings of the group with the bank amounted to £nil (2018: £nil) at the balance sheet date.

12 Ultimate parent company

The immediate parent of the company is Hargreaves Group Holdings Limited. The UK parent of the largest and smallest group financial statements that consolidate the company is Hargreaves Property Holdings Limited which is registered in England and Wales, whose registered office is, Kingston Manor, Kingston Gorse, West Sussex, BN16 1RR. These group financial statements are available to the public from Companies House. The ultimate parent company is Hargreaves Property Holdings (2015) Limited which is registered in Guernsey.

Tamburello Limited

Notes to the Financial Statements Year ended 24 December 2019

13 Related party transactions

The company is a wholly owned subsidiary of Hargreaves Property Holdings (2015) Limited and has taken advantage of the exemption conferred by the provisions of FRS 102 Section 1A - small entities, not to disclose transactions with Hargreaves Property Holdings (2015) Limited or wholly owned subsidiaries within the group.
