**Notes to the Abbreviated Accounts
for the Year Ended 30th September 2015**

1. ACCOUNTING POLICIES

Accounting convention

The financial statements have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008).

Turnover

Turnover represents net invoiced sales of goods, excluding value added tax.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Plant and machinery etc - 25% on reducing balance

Deferred tax

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date. The policy for deferred tax has been changed in order to comply with the requirements of the Financial Reporting Standard for Smaller Entities (effective June 2002). The change in policy from the previous basis of making partial provision would not have given rise to a material recalculation of deferred tax liabilities and consequently no prior year adjustment is considered necessary.
