#### **DIRECTORS AND TRUSTEES REPORT**

The Directors, who are also the Charity Trustees, present their report and the accounts for the year ended 30 November 2021. They have been prepared in accordance with the charity's governing document, as well as the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with FRS102.

The Association for Palliative Medicine (APM) is a company limited by guarantee. The liability of the members is limited by their guarantee. In the event of the Association being wound up during the period of their membership (or within a year following), members undertake to contribute such amounts as may be required, up to a maximum of £10.

The APM exists to promote the advancement and development of palliative medicine and is recognised as representing physicians at all grades who work in palliative medicine and those with an interest in the specialty.

It does this, and delivers a benefit to the public in a number of ways through:

- Provision of a national and regional network for professionals working in palliative medicine
- The dissemination of information through a bi-monthly bulletin and website www.apmonline.org.
- The development and implementation of education and training materials for specialists and non-specialists in palliative medicine, including e-ELCA modules.
- Organisation of study days and events.
- Maintaining links with other specialists.
- Representing palliative medicine's viewpoint and concerns to Government and other bodies.
- Membership of the European Association for Palliative Care.

#### Summary of the last 12 months

The Famcare audit (survey of bereaved relatives) ran again in 2021 with a slightly higher number of registrations compared to 2020. The APM made the decision to increase the cost of participation from £100 to £125 per service.

The APM began to think about the implementation of a new website, this included reviewing quotes from web developers, however, the majority of this work will fall into 2022.

Due to funding cuts, the Clinical Quality Committee raised their concerns around the consultant role being at risk which led to the 'Promoting the role of Consultants in Palliative Medicine' document.

The APM continue their work focussed on assisted dying, including internal communications, external communications to MPs and participating in media interviews etc stating that the APM does not support a change in law.

The Communications Committee and also the Race Equity Committee were formed including signing off their Terms of Reference documents.

APM members had the opportunity to take part in the National Clinical Excellence Awards and the APM supported applications with citations. The APM Board are now in the process of writing key messages to support the APM membership when completing their ACCEA forms.

The APM made the decision to pick up the work of PANG (Palliative Adult Networking Guidelines) as it is considered a valuable resource, particularly amongst nurses out in the community.

Following an APM member survey in late 2020, e-ELCA produced a 6 point action plan including additional learning paths to enhance the user experience, public access to the e-ELCA programme, to review old learning paths, to link with other organisations for external credits and increase communication to ensure everyone is aware of e-ELCA.

(Company limited by guarantee and not having a share capital)

# **DIRECTORS AND TRUSTEES REPORT (Continued)**

The formation of the SEE Care Work Group which began working on an audit looking for patients with unmet end-of-life-care needs. The launch will take place in 2022.

The Board made the decision to increase the cost of the Junior Doctor membership from £30 to £40 for the year. This came into effect on 1st December 2021.

All Board meetings throughout 2021 were held online via Zoom. March 2022 will see the first face to face meeting since Covid-19.

#### Financial review

The surplus of £75,571 for the year leaves total funds of £717,640 at the balance sheet date. Included in these fund balances are £170,811 of restricted funds as shown in note 9. A designated education fund was established in 2017, now with a year end balance of £201,476 (note 10). So far as free reserves are concerned, a surplus of £27,508 in the year leaves a fund balance of £345,353 at the year end. The trustees are satisfied that this level of reserves enables the company to continue to fulfil its charitable objectives and obligations.

As disclosed in note 5, there is a charge of £18,278 (2020: £24,782) in these accounts paid to the employers of our President, vice president and treasurer to cover replacement consultant costs while they were carrying out APM duties.

Membership for the year may be summarised as follows:	2021	2020
Full members paying full subscription	480	483
Full members paying reduced subscription	353	337
Associate members	110	105
Parental Leave	15	16
Junior doctor	147	123
Medical student (free)	209	163
	1,314	1,227

(Company limited by guarantee and not having a share capital)

# **DIRECTORS AND TRUSTEES REPORT (Continued)**

#### Directors at the year end

Dr Amy Proffitt

Dr Sarah Cox

Dr lain Lawrie

Dr Kirsten Baron

Professor Derek Willis

Directors are nominated and elected by APM members on Full Member and Full Member with Reduced Subscription levels. The APM shares its educational and research resources with other levels of membership including Associate non Doctor members whilst not providing them with voting rights. Formal training is not given by the APM in respect of fulfilling the role of Director, however most palliative medicine doctors have management training and experience and bring this valuable asset to the various committees of the APM.

#### Reserves

The trustees aim to maintain general reserve levels at the equivalent of at least six months expenditure. The unrestricted fund balance (excluding designated funds) at the year end of £345,353 is above this level and continues to be carefully monitored by the trustees.

#### **Risk Review**

The trustees are satisfied that the major risks to which the charity is exposed, as identified by the trustees, are being reviewed, and systems are being established to manage those risks.

#### **Directors' Responsibilities**

Company law requires the directors to prepare the directors and trustees report and the accounts for each financial period which give a true and fair view of the state of affairs of the company at the end of the period and of its surplus or deficit for the period. In preparing those accounts, the directors are required to:-

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the accounts; and
- prepare the accounts on the going concern basis unless it is inappropriate to presume that the company will continue in operation.

The directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the accounts comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

This report has been prepared in accordance with the special provisions relating to small companies within Part 15 of the Companies Act 2006.

Signed by order of the board on 30 may 2022

Trustee

DWILLIS

# INDEPENDENT EXAMINERS REPORT TO THE TRUSTEES OF THE ASSOCIATION FOR PALLIATIVE MEDICINE OF GREAT BRITAIN AND IRELAND

(Company limited by guarantee and not having a share capital)

I report on the accounts for the year ended 30 November 2021 set out on pages 6 to 14.

#### RESPECTIVE RESPONSIBILITIES OF DIRECTORS AND INDEPENDENT EXAMINER

As the trustees of the charitable company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the charitable company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charitable company's accounts as carried out under section 145 of the Charities Act 2011 (the '2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

#### INDEPENDENT EXAMINERS REPORT

Since the company's gross income exceeded £250,000 your examiner must be a member of a body listed in section 145 of the 2011 Act. I confirm that I am qualified to undertake the examination because I am a member of the Institute of Chartered Accountants in England and Wales, which is one of the listed bodies.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

- (1) accounting records were not kept in respect of the company as required by section 386 of the 2006 Act; or
- (2) the accounts do not accord with those accounting records; or
- (3) the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination; or
- (4) the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

For the financial year ended 30 November 2021, the company was entitled to exemption from audit under section 477 Companies Act 2006.

#### Directors responsibilities:

- The members have not required the company to obtain an audit of its financial statements for the year in question in accordance with section 476;
- The directors acknowledge their responsibilities for complying with the requirements of the Act with respect to accounting records and the preparation of financial statements.

The accounts have been prepared in accordance with the provisions applicable to companies subject to the small companies' regime.

Approved by the board on 30 may 2022 and signed on its behalf by

#### NOTES TO THE ACCOUNTS FOR THE YEAR ENDED 30 NOVEMBER 2021

#### 1 ACCOUNTING POLICIES

#### (a) Accounting convention

The accounts have been prepared under the historical cost convention and in accordance with the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with FRS102 and the Companies Act 2006.

The charity meets the definition of the public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy note.

The accounts have been prepared on the going concern basis. There are no material uncertainties about the charity's ability to continue.

#### (b) Income

Income is recognised when the charity is entitled to receipt.

- PCC income is recognised when it is received.
- Investment income is included when receivable.
- Resources are deferred when, at the end of an accounting period, they have been received but the charity has yet to become unconditionally entitled to them.

#### (c) Expenditure

Expenditure is recognised on an accruals basis as a liability is incurred. It includes any VAT which cannot be fully recovered, and is reported as part of the expenditure to which it relates:

- Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for
  its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect
  nature necessary to support them.
- All costs are allocated between the expenditure categories of the Statement of Financial Activities on a basis designed to reflect the use of the resource.

#### (d) Fixed assets

Fixed assets are capitalised for ongoing use within the company, where the individual cost of the asset exceeds £100. Depreciation is provided on fixed assets to write off the cost, less estimated residual value, of each asset evenly over its expected useful life, as follows:

Website

3 years straight line

#### (e) Foreign currencies

Assets and liabilities in foreign currencies are translated into sterling at the rates of exchange ruling at the balance sheet date. Transactions in foreign currencies are translated into sterling at the rate of exchange ruling at the date of the transaction. Exchange differences are taken into account in arriving at the result for the year.

#### (f) Funds

Restricted funds are to be used for specific purposes as laid down by the donor. Expenditure which meets these criteria is charged to the fund together with a fair allocation of management costs and overheads.

Unrestricted funds are donations and other incoming resources receivable or generated for the objects of the charity.

(Company limited by guarantee and not having a share capital)

# NOTES TO THE ACCOUNTS FOR THE YEAR ENDED 30 NOVEMBER 2021

#### 2 LEGAL

The charity is a company limited by guarantee and has no share capital. The charitable company was incorporated on 26 February 1996 in England and Wales and was registered on 8 March 1996 with the Charity Commission in England and Wales. The charity is a public benefit entity.

Surplus /

The registered office of the charitable company is Lancaster Court, 8 Barnes Wallis Road, Fareham, PO15 5TU.
