Strategic report

Principal activity

The principal business activities of the company are the provision of after sales services, refurbishment and spare parts to the end users of hydraulic and mechanical power presses, the supply of new power presses, die casting machines and associated ancillary equipment through its operations in the UK.

Business review

The directors are aware of the improvement in the market but continue to monitor the continued economic challenges that face the business and its effect on its financial performance for the reported trading period.

We have reported an increase in turnover in the current period of £1,165,967 but a decrease in our gross profit to 24% (*year ended 31 December 2015: 31%*). This is due to the continued changes of customers spending patterns, as customers become more focused on refurbishments which are larger in terms of turnover but are often associated with slightly lower gross margins.

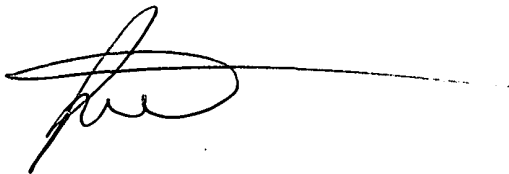

The lower average monthly overheads than in the previous year and the improved cash reserves has compensated for the decrease in gross profit margin, leading to stabilisation of the profit for the year, at £608,547 before taxation, (*year ending 31 December 2015: £739,427*).

The company continued to observe the changes in customer spending patterns. As an alternative to several minor repairs and spare parts being received, customers are now focusing their investments on complete refurbishments, upgrades and preventative major repairs, thus increasing the life of their production equipment. This was furthermore confirmed in the values of orders secured during the reporting period with a strong order book at the end of the reporting period.

The company reported net assets at the period end of £3,964,077 (*period ended 31 December 2015: £3,478,568*) which included an increase in cash balance to £3,884,947 compared to the prior year end (*31 December 2015: £3,498,756*).

With continual improvements and actions in all areas of the UK operation, alongside the strong order book of £1,560,961 at the end of the year (*period ended 31 December 2015: £1,584,797*), and a buoyant market for the industry, the directors are optimistic that profitability will continue to increase in future years.

Approved by the board of directors and signed on its behalf by:

Philip Dawson
Director

22 September 2017

Directors' report

The directors present their annual report and the audited financial statements for the year ended 31 December 2016.

Proposed dividend

The directors do not recommend the payment of a dividend (*period ended 31 December 2015: £Nil*).

Directors

The directors who served during the year were as follows:

J Schommer (resigned 22 March 2017)

H Schoenen (resigned 7 June 2016)

L Francis (resigned 31 August 16)

P Dawson (appointed 21 March 2017)

S Roesel (appointed 21 March 2017)

Disclosure of information to auditor

The directors who held office at the date of approval of this directors' report confirm that, so far as they are each aware, there is no relevant audit information of which the Company's auditor is unaware; and each director has taken all the steps that he ought to have taken as a director to make himself aware of any relevant audit information and to establish that the Company's auditor is aware of that information.

Auditor

Pursuant to Section 487 of the Companies Act 2006, the auditor will be deemed to be reappointed and KPMG LLP will therefore continue in office.

Statement of directors' responsibilities in respect of the Strategic report, directors' report and the financial statements

The directors are responsible for preparing the Strategic report, Directors' report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial period. Under that law the directors have elected to prepare the financial statements in accordance with UK Accounting Standards and applicable law (UK Generally Accepted Accounting Practice).

Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgments and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They have general responsibility for taking such steps as are reasonably open to them to prevent and detect fraud and other irregularities.

Independent auditor's report to the members of Schuler Presses UK Limited

We have audited the financial statements of Schuler Presses UK Limited for the year ended 31 December 2016 set out on pages 6 to 17. The financial reporting framework that has been applied in their preparation is applicable law and UK Accounting Standards (UK Generally Accepted Accounting Practice), including FRS 101 Reduced Disclosure Framework.

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members, as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of directors and auditor

As explained more fully in the Directors' Responsibilities Statement set out on page 3, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit, and express an opinion on, the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

Scope of the audit of the financial statements

A description of the scope of an audit of financial statements is provided on the Financial Reporting Council's website at www.frc.org.uk/auditscopeukprivate.

Opinion on financial statements

In our opinion the financial statements:

- give a true and fair view of the state of the company's affairs as at 31 December 2016 and of its profit for the year then ended;
- have been properly prepared in accordance with UK Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Opinion on other matters prescribed by the Companies Act 2006

In our opinion the information given in the Strategic Report and the Directors' Report for the financial year is consistent with the financial statements.

Based solely on the work required to be undertaken in the course of the audit of the financial statements and from reading the Strategic report and the Directors' report:

- we have not identified material misstatements in those reports; and
- in our opinion, those reports have been prepared in accordance with the Companies Act 2006.

Independent auditor's report to the members of Schuler Presses UK Limited
(continued)

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

Notes

(forming part of the financial statements)

1 Accounting policies

Schuler Presses UK Limited (the "Company") is a company incorporated and domiciled in the UK.

These financial statements were prepared in accordance with Financial Reporting Standard 101 *Reduced Disclosure Framework* ("FRS 101"). The amendments to FRS 101 (2014/15 Cycle) issued in July 2015 and effective immediately have been applied.

In preparing these financial statements, the Company applies the recognition, measurement and disclosure requirements of International Financial Reporting Standards as adopted by the EU ("Adopted IFRSs"), but makes amendments where necessary in order to comply with Companies Act 2006 and has set out below where advantage of the FRS 101 disclosure exemptions has been taken.

The Company's ultimate parent undertaking, Andritz AG includes the Company in its consolidated financial statements. The consolidated financial statements of Andritz AG are prepared in accordance with International Financial Reporting Standards and are available to the public and may be obtained from the address given in note 18.

In these financial statements, the company has applied the exemptions available under FRS 101 in respect of the following disclosures

- a Cash Flow Statement and related notes;
- Comparative period reconciliations for tangible fixed assets;
- Disclosures in respect of capital management;
- The effects of new but not yet effective IFRSs;
- An additional balance sheet for the beginning of the earliest comparative period following the retrospective change in accounting policy;
- Disclosures in respect of the compensation of Key Management Personnel.

The accounting policies set out below have, unless otherwise stated, been applied consistently to all periods presented in these financial statements.

1.1 *Measurement convention*

The financial statements are prepared on the historical cost basis. Non-current assets and disposal groups held for sale are stated at the lower of previous carrying amount and fair value less costs to sell.

1.2 *Going concern*

The financial statements have been prepared on a going concern basis. Management have prepared projected cash flows and forecasts for the period to December 2017. On the basis of these forecasts the directors believe that it is appropriate that the financial statement are prepared on a going concern basis.

1.3 *Foreign currency*

Transactions in foreign currencies are translated to the Company's functional currencies at the foreign exchange rate ruling at the date of the transaction. Monetary assets and liabilities denominated in foreign currencies at the balance sheet date are retranslated to the functional currency at the foreign exchange rate ruling at that date. Non-monetary assets and liabilities that are measured in terms of historical cost in a foreign currency are translated using the exchange rate at the date of the transaction. Non-monetary assets and liabilities denominated in foreign currencies that are stated at fair value are retranslated to the functional currency at foreign exchange rates ruling at the dates the fair value was determined. Foreign exchange differences arising on translation are recognised in the profit and loss account.

Notes (continued)

1 Accounting policies (continued)

1.4 Tangible fixed assets

Tangible fixed assets are stated at cost less accumulated depreciation and accumulated impairment losses.

Where parts of an item of tangible fixed assets have different useful lives, they are accounted for as separate items of tangible fixed assets.

Leases in which the Company assumes substantially all the risks and rewards of ownership of the leased asset are classified as finance leases. Where land and buildings are held under leases the accounting treatment of the land is considered separately from that of the buildings. Leased assets acquired by way of finance lease are stated at an amount equal to the lower of their fair value and the present value of the minimum lease payments at inception of the lease, less accumulated depreciation and less accumulated impairment losses. Lease payments are accounted for as described below.

Depreciation is charged to the profit and loss account on a straight-line basis over the estimated useful lives of each part of an item of tangible fixed assets. Land is not depreciated. The estimated useful lives are as follows:

- Fixtures and fittings - 4 years
- Office equipment - 4 years
- Plant and machinery - 4 years
- Motor vehicles - 4 years
- Design archives - 10 years
- Leasehold improvements - over the life of the lease

Depreciation methods, useful lives and residual values are reviewed at each balance sheet date.

1.5 Stocks

Stocks are stated at the lower of cost and net realisable value. Cost is based on the first-in first-out principle and includes expenditure incurred in acquiring the stocks, production or conversion costs and other costs in bringing them to their existing location and condition. In the case of manufactured stocks and work in progress, cost includes an appropriate share of overheads based on normal operating capacity.

1.6 Impairment excluding stocks and deferred tax assets

Non-financial assets

The carrying amounts of the Company's non-financial assets, other than stocks and deferred tax assets, are reviewed at each reporting date to determine whether there is any indication of impairment. If any such indication exists, then the asset's recoverable amount is estimated. For goodwill, and intangible assets that have indefinite useful lives or that are not yet available for use, the recoverable amount is estimated each year at the same time.

An impairment loss is recognised if the carrying amount of an asset exceeds its estimated recoverable amount. Impairment losses are recognised in profit or loss. In respect of other assets, impairment losses recognised in prior periods are assessed at each reporting date for any indications that the loss has decreased or no longer exists. An impairment loss is reversed if there has been a change in the estimates used to determine the recoverable amount. An impairment loss is reversed only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined, net of depreciation or amortisation, if no impairment loss had been recognised.

1.7 Employee benefits

Defined contribution plans

A defined contribution plan is a post-employment benefit plan under which the company pays fixed contributions into a separate entity and will have no legal or constructive obligation to pay further amounts. Obligations for contributions to defined contribution pension plans are recognised as an expense in the profit and loss account in the periods during which services are rendered by employees.

1.8 Provisions

A provision is recognised in the balance sheet when the Company has a present legal or constructive obligation as a result of a past event, that can be reliably measured and it is probable that an outflow of economic benefits will be required to settle the obligation. Provisions are determined by discounting the expected future cash flows at a pre-tax rate that reflects risks specific to the liability.

Notes (continued)

1 Accounting policies (continued)

1.9 Turnover

Long term contracts

The amount of profit attributable to the stage of completion of a long term contract is recognised when the outcome of the contract can be foreseen with reasonable certainty. Turnover for such contracts is stated at the cost appropriate to their stage of completion plus attributable profits, less amounts recognised in previous years. A provision is made for any losses as soon as they are foreseen.

Contract work in progress is stated at costs incurred, less costs transferred to the profit and loss account, after deducting foreseeable losses and payments received on account not matched with turnover.

Amounts recoverable on contracts are included in debtors and represent turnover recognised in excess of payments on account.

1.10 Expenses

Operating lease payments

Payments (excluding costs for services and insurance) made under operating leases are recognised in the profit and loss account on a straight-line basis over the term of the lease. Lease incentives received are recognised in the profit and loss account as an integral part of the total lease expense.

Finance lease payments

Minimum lease payments are apportioned between the finance charge and the reduction of the outstanding liability. The finance charge is allocated to each period during the lease term so as to produce a constant periodic rate of interest on the remaining balance of the liability. Contingent rents are charged as expenses in the periods in which they are incurred.

Interest receivable and Interest payable

Interest payable and similar charges include interest payable, finance charges on shares classified as liabilities and finance leases recognised in profit or loss using the effective interest method, unwinding of the discount on provisions, and net foreign exchange losses that are recognised in the profit and loss account (see foreign currency accounting policy). Borrowing costs that are directly attributable to the acquisition, construction or production of an asset that takes a substantial time to be prepared for use, are capitalised as part of the cost of that asset. Other interest receivable and similar income include interest receivable on funds invested and net foreign exchange gains.

Interest income and interest payable is recognised in profit or loss as it accrues, using the effective interest method. Dividend income is recognised in the profit and loss account on the date the entity's right to receive payments is established. Foreign currency gains and losses are reported on a net basis.

1.11 Taxation

Tax on the profit or loss for the year comprises current and deferred tax. Tax is recognised in the profit and loss account except to the extent that it relates to items recognised directly in equity or other comprehensive income, in which case it is recognised directly in equity or other comprehensive income.

Current tax is the expected tax payable or receivable on the taxable income or loss for the year, using tax rates enacted or substantively enacted at the balance sheet date, and any adjustment to tax payable in respect of previous years.

Deferred tax is provided on temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the amounts used for taxation purposes. The following temporary differences are not provided for: the initial recognition of goodwill; the initial recognition of assets or liabilities that affect neither accounting nor taxable profit other than in a business combination, and differences relating to investments in subsidiaries to the extent that they will probably not reverse in the foreseeable future. The amount of deferred tax provided is based on the expected manner of realisation or settlement of the carrying amount of assets and liabilities, using tax rates enacted or substantively enacted at the balance sheet date.

A deferred tax asset is recognised only to the extent that it is probable that future taxable profits will be available against which the temporary difference can be utilised.

Notes (continued)

2 Turnover

Turnover represents amounts invoiced to customers (excluding VAT) in respect of services provided during the year and the amount recognised under long term contracts. Turnover can be analysed by geographical area as follows:

	Year ended 31 December 2016 £	Year ended 31 December 2015 £
UK	6,067,186	5,908,419
Europe	2,020,496	1,013,091
North America	5,545	6,604
Rest of the world	6,834	5,980
	8,100,061	6,934,094
	8,100,061	6,934,094

3 Notes to the profit and loss account

	Year ended 31 December 2016 £	Year ended 31 December 2015 £
<i>Profit on ordinary activities before taxation is stated after charging/(crediting)</i>		
Depreciation:		
Owned assets	12,402	23,596
Profit on disposal of fixed assets	(177)	(2,392)
Operating lease rentals:		
Land and buildings	75,074	75,074
Other	66,330	62,008
	20,750	19,750
<i>Auditor's remuneration:</i>		
Audit of these financial statements	20,750	19,750
Taxation services	5,500	5,050
	5,500	5,050
	26,250	24,800

4 Remuneration of directors

The remuneration of the directors was as follows:

	Year ended 31 December 2016 £	Year ended 31 December 2015 £
Directors' emoluments	102,013	140,802
	102,013	140,802
	102,013	140,802

One director was remunerated by the company.

Two directors were remunerated by other Andritz AG group companies.

Notes *(continued)*

5 Staff numbers and costs

The average number of persons employed by the company (including directors) during the year, analysed by category, was as follows:

	Number of employees	
	Year ended 31 December 2016	Year ended 31 December 2015
Design and service	12	13
Management and administration	7	7
Sales and marketing	3	3
	22	23

The aggregate payroll costs of these persons were as follows:

	Year ended 31 December 2016 £	Year ended 31 December 2015 £
Wages and salaries	804,307	819,577
Social security costs	88,513	90,406
Other pension costs	21,830	24,902
	914,650	934,885

6 Interest receivable and similar income

	Year ended 31 December 2016 £	Year ended 31 December 2015 £
Bank interest receivable	5,727	7,256
Other	-	308
	5,727	7,564

Notes *(continued)*

7 Tax on profit on ordinary activities

(i) Analysis of charge in the period

	Year ended 31 December 2016		Year ended 31 December 2015	
	£	£	£	£
<i>Current tax</i>				
Current tax on income for the period	122,502		152,228	
Adjustments in respect of prior periods	-		(1,245)	
	122,502		150,983	
<i>Deferred tax (see note 11)</i>				
Origination and reversal of timing differences	(7)		(1,463)	
Effect of law change	543		920	
Adjustments in respect of prior periods	-		(37)	
	536		(580)	
Tax on profit on ordinary activities	123,038		150,403	

(ii) Factors affecting the charge for the current year

The current tax charge for the year is higher (*period ended 31 December 2015: higher*) than the standard rate of corporation tax in the UK of 20% (*period ended 31 December 2015: 20.25%*).

	Year ended 31 December 2016 £	Year ended 31 December 2015 £
<i>Current tax reconciliation</i>		
Profit on ordinary activities before taxation	608,547	739,427
	121,710	
Current tax at 20% (<i>period ended 31 December 2015: 20.25%</i>)	121,710	149,734
<i>Effects of</i>		
Expenses not deductible for tax purposes	785	478
Capital allowances less than depreciation	-	395
Adjustment to tax charge in respect of previous periods	-	(1,282)
Tax rate changes	543	1,078
	123,038	
Total tax charge (see above)	123,038	150,403

(iii) Factors that may affect future current and total tax charges

A reduction in the UK corporation tax rate from 21% to 20% (effective from 1 April 2015) was substantively enacted on 2 July 2013. Further reductions to 19% (effective from 1 April 2017) and to 18% (effective 1 April 2020) were substantively enacted on 26 October 2015, and an additional reduction to 17% (effective 1 April 2020) was substantively enacted on 6 September 2016. This will reduce the company's future current tax charge accordingly. The deferred tax asset at 31 December 2016 has been calculated based on these rates.
