## NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2023

#### 1. STATUTORY INFORMATION

Staffordshire Maintenance Services Ltd is a private company, limited by shares, registered in England and Wales. The company's registered number and registered office address can be found on the Company Information page.

The financial statements are presented in sterling which is the functional currency of the company and rounded to the nearest pound.

#### 2. ACCOUNTING POLICIES

### Basis of preparing the financial statements

These financial statements have been prepared in accordance with Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" including the provisions of Section 1A "Small Entities" and the Companies Act 2006. The financial statements have been prepared under the historical cost convention.

#### Significant judgements and estimates

No judgements have been made in the process of applying the below accounting policies that have had the most significant effect on amounts recognised in the financial statements.

There are no key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date that have a significant risk of causing material adjustment to the carrying amounts of assets and liabilities within the next financial year.

#### **Turnover**

Turnover is measured at the fair value of the consideration received or receivable net of VAT and trade discounts.

When the outcome of a transaction can be estimated reliably, turnover from road marking services is recognised by reference to the stage of completion at the balance sheet date.

Where the outcome cannot be measured reliably, turnover is recognised only to the extent of the expenses recognised that are recoverable.

#### Intangible assets

Intangible assets are initially measured at cost. After initial recognition, intangible assets are measured at cost less any accumulated amortisation and any accumulated impairment losses.

#### 2. ACCOUNTING POLICIES - continued

### **Tangible fixed assets**

Tangible fixed assets are stated at cost (or deemed cost) or valuation less accumulated depreciation and accumulated impairment losses. Cost includes costs directly attributable to making the asset capable of operating as intended.

Depreciation is provided on all tangible fixed assets, at rates calculated to write off the cost, less estimated residual value, of each asset on a systematic basis over its expected useful life as follows:

Plant and machinery - 25% on reducing balance Fixtures and fittings - 25% on reducing balance

#### **Taxation**

Taxation for the year comprises current and deferred tax. Tax is recognised in the Income Statement, except to the extent that it relates to items recognised in other comprehensive income or directly in equity.

Current or deferred taxation assets and liabilities are not discounted.

Current tax is recognised at the amount of tax payable using the tax rates and laws that have been enacted or substantively enacted by the balance sheet date.

### **Deferred tax**

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date.

Timing differences arise from the inclusion of income and expenses in tax assessments in periods different from those in which they are recognised in financial statements. Deferred tax is measured using tax rates and laws that have been enacted or substantively enacted by the year end and that are expected to apply to the reversal of the timing difference.

Unrelieved tax losses and other deferred tax assets are recognised only to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits.

#### 3. EMPLOYEES AND DIRECTORS

The average number of employees during the year was 2 (2022 - 2).
