Notes to the Abbreviated Accounts

For the year ending 30 November 2014

1 Accounting policies

Basis of accounting

The financial statements have been prepared under the historical cost convention, and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008).

Turnover

The turnover shown in the profit and loss account represents amounts invoiced during the year.

Operating lease agreements

Rentals applicable to operating leases where substantially all of the benefits and risks of ownership remain with the lessor are charged against profits on a straight line basis over the period of the lease.

Financial Instruments

Financial instruments are classified and accounted for, according to the substance of the contractual arrangement, as either financial assets, financial liabilities or equity instruments. An equity instrument is any contract that evidences a residual interest in the assets of the company after deducting all of its liabilities.

2 Exchange rate

Assets and liabilities in foreign currencies are translated into sterling at the rates of exchange ruling at the balance sheet date.

Transactions in foreign currencies are translated into sterling at the rate of exchange ruling at the date of the transaction.

Exchange differences are taken into account in arriving at the operating profit.
