Report of the Trustees for the year ended 30 March 2022

The trustees who are also directors of the charity for the purposes of the Companies Act 2006, present their report with the financial statements of the charity for the year ended 30 March 2022. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Objectives and aims

The purposes of Cheshire Carers Centre are:

- a) To alleviate the conditions of life amongst people who are caring or who have cared for elderly, sick, disabled, handicapped or otherwise infirm persons at home (hereinafter called 'carers') and who are in necessitous circumstances and dependents of carers who are themselves in necessitous circumstances.
- b) To relieve and alleviate, and to advance, promote, encourage and assist in the relief or alleviation of all kinds of mental and physical infirmity, sickness, disablement or handicap including mental illness attributable to caring amongst carers and those persons for whom they are caring.
- c) To advance education concerning caring amongst carers and the public.

The centre has a countrywide remit to provide information to carers across Cheshire and the incremental development of services is a key principle of Cheshire and Warrington Carers Centre. This development is dependent upon attracting additional resources. All services provided by Cheshire and Warrington Carers Centre are free of charge to carers.

Public benefit

The charity's trustees have complied with the duty in section 4 of the 2006 Act to have due regard to public benefit guidance published by the Charity Commission.

ACHIEVEMENT AND PERFORMANCE

Charitable activities

After the significant challenges of the pandemic year in 2020, we saw the beginnings of a return to a more typical pattern of work, although punctuated with periods of restrictions and adaptations to how we supported carers, including a widespread adaption of outdoor activities and reduced numbers attending.

We spend a considerable amount of time making our services safe and secure to ensure we kept within regulations and reduced anxieties of carers attending. A return to face to face appointments was welcomed by carers, many of whom experienced extreme isolation during lockdown periods.

As we entered the 5th and final year of our extended contract with Cheshire West and Chester, we were notified of a further extension until September 2023, giving us a little more security of funding for both staff and carers. This extension was also given to the Better Care Fund Carer Breaks across all 8 organisations, including ourselves.

Following on from the previous year, we were again awarded funding through the East Cheshire Carers Choice Awards to support Working Carers with out of hours activities, relaxation sessions for carers and the further development of new breaks across the borough.

In Cheshire East, our first full year of delivering services under the short Breaks for Disabled Children funding for families of children with additional needs, saw great success with both new and existing families, with activity days, climbing and farm visits particular highlights.

To further support our work with Parent Carers we successfully bid for funding from Carers Trust nationally for Making Carers Count funding. This started in January 2022 and will offer Parent Carers across Cheshire and Warrington both group and individual support, training and groups.

In Cheshire West and Chester we were fortunate to be chosen to help distribute funding for carers from The Government's Household Support Fund. This was able to support over 300 carers with funding towards essentials relating to food, fuel and other household needs. This vital funding attracted many new carers to our service for the first time.

Further developments included NHS funding for research into supporting carers from armed forces families and to fully explore the impact on carers of the pandemic and new services developed to support carers at this difficult time.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

- 1. accounting records were not kept in respect of the Company as required by section 386 of the 2006 Act; or
- 2. the accounts do not accord with those records; or
- 3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination; or
- 4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities (applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Notes to the Financial Statements for the year ended 30 March 2022

1. ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements of the charitable company, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Companies Act 2006. The financial statements have been prepared under the historical cost convention.

Income

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Grants offered subject to conditions which have not been met at the year end date are noted as a commitment but not accrued as expenditure.

Governance costs

Governance costs are those incurred in connection with the administration of the charity and compliance with constitutional and statutory requirements.

Intangible assets - database

The database has been amortised over it's estimated useful life of three years.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Fixtures and fittings

- 15% on reducing balance

Motor vehicles

20% on cost

Computer equipment

- 33% on cost and 25% on reducing balance

Taxation

The charity is exempt from corporation tax on its charitable activities.

Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.

Pension costs and other post-retirement benefits

The charitable company operates a defined contribution pension scheme. Contributions payable to the charitable company's pension scheme are charged to the Statement of Financial Activities in the period to which they relate.

Donated goods

Donated professional services and donated facilities are recognised as income when the charity has control over the item, any conditions associated with the donated item have been met, the receipt of economic benefit from the use of the item by the charity is probable and that economic benefit can be measured reliably. On receipt, donated professional services and facilities result in the recognition of income and an expense.

No amount is included within the Financial Statements for volunteer time in line with the SORP (FRS 102).

Grants paid

The charity welcomes applications for grant payments. Applications are reviewed by a panel consisting of management, staff and carers and awards are made based on the applicant's circumstances.
