Ashbourne Arts Limited

Trustees' Report

The trustees, who are directors for the purposes of company law, present the annual report together with the financial statements of the charitable company for the year ended 31 August 2019.

Objectives and activities

Objects and aims

The Charity's objectives are to promote, maintain and advance the education of the public by the encouragement of the arts including the art of music, singing, drama, literature, painting and visual arts by the promotion of concerts, performances, exhibitions, workshops and other activities for the benefit of the inhabitants of Ashbourne and surrounding district. The trustees do this through the annual festival.

Public benefit

The objects of the Company are to provide opportunities for both professional and non-professional artists and the community of Ashbourne and surrounding areas to come together for the initiation, organisation and promotion of artistic activities, including in particular through an annual festival, and to promote the benefits of the arts generally within this community.

The trustees confirm that they have complied with the requirements of section 4 of the Charities Act 2011 to have due regard to the public benefit guidance published by the Charity Commission for England and Wales.

Achievements and performance

Audiences across the festival were, once again, very good and although the majority of our audiences are local, we continue to attract a good number travelling to Ashbourne especially for the Festival.

As every year, the trustees faced the financial challenge of keeping the ticket prices as low as possible whilst showcasing high quality performances in a mix of venues with limited audience capacity. The gap between the ticket income and event costs have to be sourced elsewhere and we strive to maintain a spread of sources for this. The trustees are very grateful for grants of £2,300 from Ashbourne Town Council, £800 from Derbyshire Dales District Council and £782 from the Freemasons via an application to Foundation Derbyshire for some new computer equipment.

Financial review

The Trustees of Ashbourne Arts continue to be extremely grateful and reliant on the financial help from local businesses and individuals through its Sponsors/Patrons/Supporters and Friends programmes. Many have been providing this support for many years now and as businesses move from being supporters to patrons and patrons to sponsors and then increasing their sponsorship we are encouraged that they are keen to work with Ashbourne Arts to sustain the Festival in Ashbourne. In addition to the direct financial transactions the Festival benefits from in excess of £50k of 'in kind' support, including use of venues at no or low cost, providing a box office or programme and website design to name just a few. Then there are the volunteers; sourcing funding, running our website and social media, organising all the events that make up the festival, distributing programmes, moving and setting up equipment, staffing bars, etc. From the office staff to the Trustees, everyone involved in the running of the Festival is a volunteer which, we have been told by the British Arts Festivals Association, is unique for a Festival of this size.

Trustees' Report

Policy on reserves

The Directors of Ashbourne Arts Limited have set a reserves policy which requires:

- Reserves to be built up and maintained at a level which ensures that our core activity, of an annual festival, could continue during a period of unforeseen difficulty.
- A proportion of reserves be maintained in a readily realisable form.
- The calculation of the required level of reserves be an integral part of the organisation's planning, budget and forecast with consideration being given to the risks associated with each stream of income and expenditure, the planned activity level and the organisation's commitments.

At the end of the financial period the amount of funds held in reserves was £27,207.

Plans for future periods

Aims and key objectives for future periods

By bringing art in a great variety of forms to a rural community, the Festival not only inspires, encourages, challenges and entertains those who live and work in the area but also brings a visiting audience to Ashbourne and the surrounding area. The benefit to the local business community is shown in their continued financial and in-kind support for the Festival. The annual summer Festival and the winter lantern making workshops and procession are highly valued and appreciated features within the local calendar. Bringing individuals and the community together to celebrate and encourage creativity.

Following each Festival, the Trustees undertake a review to assess how well it enabled them to meet the aims and key objectives and to agree the changes that need to be introduced as part of the planning for the following year's Festival.

Having almost completed the programme for Festival 2020, with most contracts in place, the developing impact of the Coronavirus made it clear that the Festival would not be able to go ahead. The Trustees had to make the difficult decision to cancel, with the pandemic proving to be an unforeseen circumstance for which the Trustees have maintained reserves. Some deposits will be lost but many of the performers have agreed to transfer these towards bookings for Festival 2021. Also, donors and supporters have agreed to continue their funding, to support the organisation to cover continued general overheads. This, together with the reserves, ensures the financial position of Ashbourne Arts Ltd remains healthy, giving the Trustees the platform to start planning and booking performers and events for Festival 2021, which will be our twenty-first annual Festival in Ashbourne.

Statement of Trustees' Responsibilities

The trustees (who are also the directors of Ashbourne Arts Limited for the purposes of company law) are responsible for preparing the trustees' report and the financial statements in accordance with the United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) and applicable law and regulations.

Company law requires the trustees to prepare financial statements for each financial year. Under company law the trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and of its incoming resources and application of resources, including its income and expenditure, for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charitable company's transactions and disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Independent Examiner's Report to the trustees of Ashbourne Arts Limited

We report on the accounts of the charity for the year ended 31 August 2019 which are set out on pages 7 to 14 .

Respective responsibilities of trustees and examiner

The trustees (who are also the directors of the company for the purposes of company law) are responsible for the preparation of the accounts. The trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed.

Having satisfied ourselves that the charity is not subject to audit under company law and is eligible for independent examination, it is our responsibility to:

- examine the accounts under section 145 of the 2011 Act;
- to follow the procedures laid down in the general Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act; and
- to state whether particular matters have come to our attention.

Basis of independent examiner's report

Our examination was carried out in accordance with the general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with our examination, no matter has come to our attention:

(1) which gives us reasonable cause to believe that in any material respect the requirements:

- to keep accounting records in accordance with section 386 of the Companies Act 2006; and
- to prepare accounts which accord with the accounting records, comply with the accounting requirements of section 396 of the Companies Act 2006 and with the methods and principles of the Statement of Recommended Practice: Accounting and Reporting by Charities

have not been met; or

(2) to which, in our opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

Ashbourne Arts Limited

Notes to the Financial Statements for the Year Ended 31 August 2019

1 Charity status

The charity is a charity limited by guarantee and consequently does not have share capital. Each of the trustees is liable to contribute an amount not exceeding £1 towards the assets of the charity in the event of liquidation.

2 Accounting policies

Summary of significant accounting policies and key accounting estimates

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

Statement of compliance

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015) - (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006.

Basis of preparation

Ashbourne Arts Limited meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy notes.

Exemption from preparing a cash flow statement

The charity opted to early adopt Bulletin 1 published on 2 February 2016 and have therefore not included a cash flow statement in these financial statements.

Income and endowments

All income is recognised once the charity has entitlement to the income, it is probable that the income will be received and the amount of the income receivable can be measured reliably.

Donations and legacies

Donations are recognised when the charity has been notified in writing of both the amount and settlement date. In the event that a donation is subject to conditions that require a level of performance by the charity before the charity is entitled to the funds, the income is deferred and not recognised until either those conditions are fully met, or the fulfilment of those conditions is wholly within the control of the charity and it is probable that these conditions will be fulfilled in the reporting period.

Ashbourne Arts Limited

Notes to the Financial Statements for the Year Ended 31 August 2019

Grants receivable

Grants are recognised based on the accrual model and are measured at the fair value of the asset received or receivable. Grants are classified as relating either to revenue or to assets. Grants relating to revenue are recognised in income over the period in which the related costs are recognised. Grants relating to assets are recognised over the expected useful life of the asset. Where part of a grant relating to an asset is deferred, it is recognised as deferred income.

Donated services and facilities

Donated services and facilities are not recognised in the accounts but they are acknowledged in the published material and website.

Expenditure

All expenditure is recognised once there is a legal or constructive obligation to that expenditure, it is probable settlement is required and the amount can be measured reliably. All costs are allocated to the applicable expenditure heading that aggregate similar costs to that category. Where costs cannot be directly attributed to particular headings they have been allocated on a basis consistent with the use of resources, with central staff costs allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use. Other support costs are allocated based on the spread of staff costs.

Charitable activities

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

Depreciation and amortisation

Depreciation is provided on tangible fixed assets so as to write off the cost or valuation, less any estimated residual value, over their expected useful economic life as follows:

Asset class	Depreciation method and rate
Office equipment	33% straight line
Plant and machinery	25% reducing balance

Fund structure

Unrestricted income funds are general funds that are available for use at the trustees' discretion in furtherance of the objectives of the charity.
