Chartered Certified Accountants' Independent Assurance Report
to the Board of Directors
on the Unaudited Financial Statements of
Alliance for Natural Health
International
(a company limited by guarantee)

We have performed certain procedures in respect of the company's unaudited financial statements for the year ended 31 May 2014 on pages one to eight, made enquiries of the company's directors and assessed accounting policies adopted by the directors, in order to gather sufficient evidence for our conclusion in this report.

This report is made solely to the company's directors, as a body, in accordance with our terms of engagement. It has been released to the directors on the basis that this report shall not be copied, referred to or disclosed, in whole (save for the directors' own internal purposes or as may be required by law or by a competent regulator) or in part, without our prior written consent. Our work has been undertaken so that we might state to the directors those matters that we have agreed to state to them in this report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's directors as a body for our work, for this report or the conclusions we have formed.

Respective responsibilities

You have confirmed that you have met your duty as set out in the directors' statement on page seven. You consider that the company is exempt from the statutory requirement for an audit for the year. Our responsibility is to form and express an independent conclusion, based on the work carried out, to you on the financial statements.

Scope

We conducted our engagement in accordance with the Institute of Chartered Accountants in England & Wales Interim Technical Release AAF 03/06. Our work was based primarily upon enquiry, analytical procedures and assessing accounting policies in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008). If we considered it to be necessary, we also performed limited examination of evidence relevant to certain balances and disclosures in the financial statements where we became aware of matters that might indicate a risk of material misstatement in the financial statements.

The terms of our engagement exclude any requirement to carry out a comprehensive assessment of the risks of material misstatement, a consideration of fraud, laws, regulations or internal controls, and we have not done so. We are not required to, and we do not, express an audit opinion on these financial statements.

Conclusion

Based on our work, nothing has come to our attention to refute the directors' confirmation that in accordance with the Companies Act 2006 the financial statements give a true and fair view of the state of the company's affairs as at 31 May 2014 and of its deficit for the year then ended and have been properly prepared in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008).
