The company is entitled to exemption from audit under Section 477 of the Companies Act 2006 for the year ended 31 March 2023.

The members have not required the company to obtain an audit of its financial statements for the year ended 31 March 2023 in accordance with Section 476 of the Companies Act 2006.

The director acknowledges his responsibilities for:

- (a) ensuring that the company keeps accounting records which comply with Sections 386 and 387 of the Companies Act 2006 and
- (b) preparing financial statements which give a true and fair view of the state of affairs of the company as at the end of each financial year and of its profit or loss for each financial year in accordance with the requirements of Sections 394 and 395 and which otherwise comply with the requirements of the Companies Act 2006 relating to financial statements, so far as applicable to the company.

The notes form part of these financial statements

Page 2 continued...

BALANCE SHEET - continued 31 March 2023

The financial statements have been prepared and delivered in accordance with the provisions applicable to companies subject to the small companies regime.

In accordance with Section 444 of the Companies Act 2006, the Income Statement has not been delivered.

The financial statements were approved by the director and authorised for issue on 11 July 2023 and were signed by:

S Johnson - Director

NOTES TO THE FINANCIAL STATEMENTS for the year ended 31 March 2023

1. STATUTORY INFORMATION

Birbeck Pub Company Limited is a private company, limited by shares, registered in England and Wales. The company's registered number and registered office address can be found on the Company Information page.

2. ACCOUNTING POLICIES

Basis of preparing the financial statements

These financial statements have been prepared in accordance with Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" including the provisions of Section 1A "Small Entities" and the Companies Act 2006. The financial statements have been prepared under the historical cost convention as modified by the revaluation of certain assets.

Turnover

Turnover represents the amounts due from third parties in respect of rents receivable, net of value added tax.

Intangible assets

Intangible assets are initially measured at cost. After initial recognition, intangible assets are measured at cost less any accumulated amortisation and any accumulated impairment losses.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life. Fixtures and fittings - 15% on cost

Investment property is shown at most recent valuation. Any aggregate surplus or deficit arising from changes in market value is transferred to a fair value reserve.

No depreciation is provided on investment properties which is a departure from the requirements of the Companies Act 2006. In the opinion of the directors these properties are held primarily for their investment potential and so their current value is of more significance than any measure of consumption and to depreciate them would not give a true and fair view. The provisions of FRS102 Section 1A (effective January 2016) in respect of investment properties have therefore been adopted in order to give a true and fair view. If this departure from the Act had not been made, the profit for the year would have been reduced by depreciation. However the amount of the depreciation cannot reasonably be quantified and the amount which might otherwise have been shown cannot be separately identified or quantified.

Investments in subsidiaries

Investments in subsidiary undertakings are recognised at cost.

Taxation

Taxation for the year comprises current and deferred tax. Tax is recognised in the Income Statement, except to the extent that it relates to items recognised in other comprehensive income or directly in equity.

Current or deferred taxation assets and liabilities are not discounted.

Current tax is recognised at the amount of tax payable using the tax rates and laws that have been enacted or substantively enacted by the balance sheet date.

Page 4 continued...

NOTES TO THE FINANCIAL STATEMENTS - continued for the year ended 31 March 2023

2. ACCOUNTING POLICIES - continued

Deferred tax

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date.

Timing differences arise from the inclusion of income and expenses in tax assessments in periods different from those in which they are recognised in financial statements. Deferred tax is measured using tax rates and laws that have been enacted or substantively enacted by the year end and that are expected to apply to the reversal of the timing difference.

Unrelieved tax losses and other deferred tax assets are recognised only to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits.

Going concern

The directors are satisfied at the time of approving the financial statements that the company has adequate resources to continue to operate for the foreseeable future and as such, continues to adopt the going concern basis in preparing the financial statements.

3. EMPLOYEES AND DIRECTORS

The average number of employees during the year was 1 (2022 - 1).
