REPORT OF THE TRUSTEES FOR THE YEAR ENDED 28 FEBRUARY 2021

The trustees who are also directors of the charity for the purposes of the Companies Act 2006, present their report with the financial statements of the charity for the year ended 28 February 2021. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Objectives and aims

The charity's objects and principal activities continue to be those of the welfare, care and rehabilitation of veteran horses and ponies. In furtherance of these objects, its policy is the rehoming, welfare and rehabilitation of horses and ponies over the age of 15 years and is developing a very successful therapy programme through Animal Communication and Reconnective Healing. The charity now offers full retirement service and operates a small second hand shop, to promote the care and welfare of older horses on digital platforms.

Public benefit

The charity meets the public benefit requirement of caring for sick, injured or homeless animals.

ACHIEVEMENT AND PERFORMANCE

Charitable activities

The charity is currently under reconstruction. The objectives are to care for and promote the health and welfare of elderly horses. The charity promoted this in 2008 by writing articles and attending seminars regarding animal welfare and having a helpline open to those who support the charity and own or care for an elderly horse. The charity continues to work with Allen & Page for the feeding of veteran horses. Whilst the charity is supported by other organisations, it will continue to operate as an independent charity purely supported by other societies or organisations.

The charity's shop based in Cardigan Town Centre has spent a majority of the financial year closed due to the ongoing Covid-19 pandemic.

There are currently 15 horses on retirement and rehabilitation in Pembrokeshire. Yard visits are available for three or more horses per yard or distance healing and communication via e-mail or post. Sessions include communication with the horse to discover the reasons behind health and behavioural problems.

FINANCIAL REVIEW

Principal funding sources

The charity has achieved funding from government resources, which allow the rent and utilities to be paid along with other outgoings such as vets and feed bills.

We have continued with online fund raising during the pandemic but people were also feeling a huge loss of income.

Financial performance

The charity recorded a surplus of £13,563 (2020 a deficit of £1,968) for the year ended 28th February 2021 resulting in total funds of £16,486 (2020 - £2,923). The members have pledged to support the charity for the foreseeable future and thus the accounts have been prepared on a going concern basis.

FUTURE PLANS

The charity intends to seek and invite new Trustees to continue to promote the care and welfare of older horses by the same means as previous years. The shop intends to expand its premises.

REPORT OF THE TRUSTEES FOR THE YEAR ENDED 28 FEBRUARY 2021

STRUCTURE, GOVERNANCE AND MANAGEMENT

There are no restrictions in the governing document on the operation of the Charity or on its investment powers, other than those imposed by charity law.

Recruitment and appointment of new trustees

Trustees are elected by members at the Annual General Meeting, on the recommendation of the existing Trustees. The Board consists of people with an interest in furthering the objects of the charity.

Organisational structure

The Board of Trustees meets as required. Julianne Aston is appointed by the Trustees to manage the day to day operations of the charity.
