DIRECTOR'S REPORT

The director presents this report and the financial statements of the company for the year ended 31 October 2019.

Director

The director who served the company during the year was as follows:

Patrick Doherty

Other matters

Economic risk

In December 2019, a novel strain of coronavirus ("COVID-19") was reported in Wuhan, China. As the epidemic evolves, it will be expected that many areas may detect imported cases and local transmission of COVID-19. As of now, COVID-19 has since spread to over 100 countries worldwide and on March 11, 2020 the World Health Organization ('WHO') declared COVID-19 a pandemic.

The spread of the COVID-19 outbreak has caused severe disruptions in the United Kingdom and global economy and financial markets and could potentially create widespread business continuity issues of an as yet unknown magnitude and duration. Many countries, including England, have reacted by instituting quarantines, mandating business and school closures and restricting travel. Many experts predict that the outbreak will trigger a period of global economic slowdown or a global recession.

The Company is closely monitoring the potential impact of COVID-19 on its 2020 financial results and cashflows and are preparing revised projections for the business. The Company's top priority remains the health and safety of its staff and clients.

Based on information provided by the Government, the NHS, the WHO and also available publicly, the Company is taking a number of measures to reduce any potential impact, including adjusting capacity to current demand environment. Measures have also been taken to ensure Operations adhere to current social distancing and NHS guidelines.

Director's responsibilities statement

The director is responsible for preparing the director's report and the financial statements in accordance with applicable law and regulations.

Company law requires the director to prepare financial statements for each financial year. Under that law the director has elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the director must not approve the financial statements unless is satisfied that they give a true and fair view of the state of affairs of the company and the profit or loss of the company for that period.

In preparing these financial statements, the director is required to:

- select suitable accounting policies and then apply them consistently;
- make judgments and accounting estimates that are reasonable and prudent; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The director is responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Auditor

Each of the persons who is a director at the date of approval of this report confirms that:

- so far as they are aware, there is no relevant audit information of which the company's auditor is unaware;
and
- they have taken all steps that they ought to have taken as a director to make themselves aware of any relevant audit information and to establish that the company's auditor is aware of that information.

The auditor is deemed to have been re-appointed in accordance with section 487 of the Companies Act 2006.

E.A. ENVIRONMENTAL (U.K.) LIMITED

DIRECTOR'S REPORT

..... continued

Small company provisions

This report has been prepared in accordance with the provisions applicable to companies entitled to the small companies exemption.

This report was approved by the board of directors on 7/9/20 and signed on behalf of the board by:

Patrick Doherty
Director

**INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF
E.A. ENVIRONMENTAL (U.K.) LIMITED**

Opinion

We have audited the financial statements of E.A. Environmental (U.K.) Limited for the year ended 31 October 2019 which comprise the income statement, statement of income and retained earnings, statement of financial position, statement of cash flows and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including FRS 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the company's affairs as at 31 October 2019 and of its loss for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the director's use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the director has not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the company's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

Other Information

The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. The director is responsible for the other information. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the director's report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the director's report has been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the company and its environment obtained in the course of the audit, we have not identified material misstatements in the director's report.

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and the returns; or
- certain disclosures of director's remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the director was not entitled to take advantage of the small companies exemption in preparing the director's report and from the requirement to prepare a strategic report.

Responsibilities of directors

As explained more fully in the director's responsibilities statement, the director is responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the director determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the director is responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the director either intends to liquidate the company or to cease operations, or has no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditors report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

E.A. ENVIRONMENTAL (U.K.) LIMITED

NOTES TO THE FINANCIAL STATEMENTS YEAR ENDED 31 OCTOBER 2019

1. General information

The company is a private company limited by shares, registered in England and Wales. The address of the registered office is Unit 20/21, Bookham Industrial Park, Church Road, Bookham, Leatherhead, Surrey, KT23 3EU, England.

Statement of compliance

These financial statements have been prepared in compliance with FRS 102, 'The Financial Reporting Standard applicable in the UK and Republic of Ireland'.

Currency

The financial statements have been presented in Sterling (£) which is also the functional currency of the company.

2. Accounting policies

Basis of preparation

The financial statements have been prepared on the historical cost basis, as modified by the revaluation of certain financial assets and liabilities and investment properties measured at fair value through profit or loss.

Taxation

The taxation expense represents the aggregate amount of current and deferred tax recognised in the reporting period. Tax is recognised in the statement of comprehensive income, except to the extent that it relates to items recognised in other comprehensive income or directly in capital and reserves. In this case, tax is recognised in other comprehensive income or directly in capital and reserves, respectively.

Current tax is recognised on taxable profit for the current and past periods. Current tax is measured at the amounts of tax expected to pay or recover using the tax rates and laws that have been enacted or substantively enacted at the reporting date.

Deferred tax is recognised in respect of all timing differences at the reporting date. Unrelieved tax losses and other deferred tax assets are recognised to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits. Deferred tax is measured using the tax rates and laws that have been enacted or substantively enacted by the reporting date that are expected to apply to the reversal of the timing difference.

Financial instruments

A financial asset or a financial liability is recognised only when the company becomes a party to the contractual provisions of the instrument.

Basic financial instruments are initially recognised at the transaction price, unless the arrangement constitutes a financing transaction, where it is recognised at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Debt instruments are subsequently measured at amortised cost.

Where investments in non-convertible preference shares and non-puttable ordinary shares or preference shares are publicly traded or their fair value can otherwise be measured reliably, the investment is subsequently measured at fair value with changes in fair value recognised in profit or loss. All other such investments are subsequently measured at cost less impairment.

Other financial instruments, including derivatives, are initially recognised at fair value, unless payment for an asset is deferred beyond normal business terms or financed at a rate of interest that is not a market rate, in which case the asset is measured at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Other financial instruments are subsequently measured at fair value, with any changes recognised in profit or loss, with the exception of hedging instruments in a designated hedging relationship.

Financial assets that are measured at cost or amortised cost are reviewed for objective evidence of impairment at the end of each reporting date. If there is objective evidence of impairment, an impairment loss is recognised in profit or loss immediately.

For all equity instruments regardless of significance, and other financial assets that are individually significant, these are assessed individually for impairment. Other financial assets are either assessed individually or grouped on the basis of similar credit risk characteristics.

Any reversals of impairment are recognised in profit or loss immediately, to the extent that the reversal does not result in a carrying amount of the financial asset that exceeds what the carrying amount would have been had the impairment not previously been recognised.

3. Operating loss

Operating loss is stated after charging/(crediting):

	2019	2018
	£	£
Fees payable for the audit of the financial statements	750	750
	<u> </u>	<u> </u>

4. Staff costs

There were no employees during the year apart from the director.

E.A. ENVIRONMENTAL (U.K.) LIMITED**NOTES TO THE FINANCIAL STATEMENTS
YEAR ENDED 31 OCTOBER 2019**

..... continued

5. Tax on loss

	2019 £	2018 £
Current tax:		
UK current tax expense	-	-

Reconciliation of tax expense

The tax assessed on the loss for the year is higher than (2018: higher than) the standard rate of corporation tax in the UK of 19.00% (2018: 19.00%).

	2019 £	2018 £
Loss before taxation	(756)	(664)
Loss multiplied by rate of tax	(144)	(126)
Unrelieved tax losses	144	126
Tax on loss	-	-

6. Creditors: amounts falling due within one year

	2019 £	2018 £
Amounts owed to group undertakings	48,392	48,448
Accruals and deferred income	12,389	11,639
Other creditors	3,572	3,572
	64,353	63,659

Amounts owed to group undertakings are interest free, unsecured and repayable on demand.

7. Financial instruments

The carrying amount for each category of financial instrument is as follows:

	2019 £	2018 £
Financial assets that are debt instruments measured at amortised cost		
Cash at bank and in hand	<u>1,113</u>	<u>1,175</u>
Financial liabilities measured at amortised cost		
Amounts owed to group undertaking	<u>48,392</u>	<u>48,448</u>

**8. Called up share capital
Issued, called up and fully paid**

	2019 No	£	2018 No	£
Ordinary shares of £ 1.00 each	300	300	300	300
Redeemable preference shares of £ 1.00 each	<u>66,000</u>	<u>66,000</u>	<u>66,000</u>	<u>66,000</u>
	<u>66,300</u>	<u>66,300</u>	<u>66,300</u>	<u>66,300</u>

9. Reserves

The profit and loss account represents cumulative gains and losses recognised in the profit and loss account, net of transfers to and from other reserves and dividends paid.

10. Capital commitments

There were no capital commitments or contingencies at the year ended 31 October 2019.

11. Events after the end of the reporting period

Other than as described in the Principal Risks and Uncertainties section in the Directors Report in relation to COVID-19, there were no significant events between the Balance Sheet date and the date of signing of the financial statements, affecting the Company, which require adjustment to or disclosure in the financial statements.

12. Related party transactions

In accordance with the exemption available in Section 33 of FRS 102; the company has not disclosed transactions with its 100% parent entity and fellow subsidiary companies within the group.

E.A. ENVIRONMENTAL (U.K.) LIMITED

**NOTES TO THE FINANCIAL STATEMENTS
YEAR ENDED 31 OCTOBER 2019**

..... continued

13. Key management personnel

The directors of the company are the key management personnel. There were no payments to the directors during the year.

14. Controlling party

The holders of the ordinary shares in Electro Automation (Group) Limited are regarded as being the ultimate controlling party of the company. Electro Automation (Group) Limited is incorporated and registered in the Republic of Ireland.

15. Approval of financial statements

The board of directors approved these financial statements for issue on .
