- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

#### **BASIS FOR OPINION**

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### **CONCLUSIONS RELATING TO GOING CONCERN**

#### OTHER INFORMATION

The Directors are responsible for the other information. The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

#### RESPONSIBILITIES OF DIRECTORS

As explained more fully in the Directors' responsibilities statement, the Directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the Directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Directors either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

#### **AUDITOR'S RESPONSIBLITIES FOR THE AUDIT OF THE FINANCIAL STATEMENTS**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located at the Financial Reporting Council's website at: https://www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Company and the Company's members as a body, for our audit work, for this report, or for the opinions we have formed.

#### NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2020

#### 1. ACCOUNTING POLICIES

#### 1.1 BASIS OF PREPARATION OF FINANCIAL STATEMENTS

South West London Health Partnerships Limited is a private company, limited by shares, registered and domiciled in the UK (England and Wales). The financial statements have been prepared under the historical costs convention and in accordance with Financial Reporting Standard 102, the Financial Reporting Standard applicable in the United Kingdom and the Republic of Ireland and Companies Act 2006.

The financial statements are presented in pounds sterling which is the company's functional currency and rounded to the nearest pound. The preparation of financial statements in compliance with FRS 102 requires the use of certain critical accounting estimates. It also requires management to exercise judgement in applying the companies accounting policies. There was no significant exercise judgement report in the prior year.

The following principal accounting policies have been applied:

#### 1.2 GOING CONCERN

At the Statement of financial position date, the company had net assets of £1,164,008 (2019: £1,182,435). The projects being undertaken by the company are secured under long term finance and the directors are satisfied that the company will continue to operate within the agreed facilities and have therefore prepared the financial statements on a going concern basis.

The directors have considered the potential impact to the business from the effects of the current pandemic (Covid-19) and have put in place plans to mitigate the currently known, and potential risks to business continuity. As income for the subsidiaries is guaranteed through 25 year Lease Plus Agreements or 30 year Land Retained Agreements, and the content of the Cabinet Office Policy Note PPN 02/20 indicates that public bodies will continue to pay their suppliers, the directors do not believe that there is any material risk to income or cashflows. On this basis, the directors anticipate that the group will continue to meet its business obligations as they fall due over the coming twelve months. After considering these matters and in light of the recent forecasts of the group, the directors consider it appropriate to continue to adopt the going concern basis in preparing the financial statements.

#### 1.3 PARENT COMPANY DISCLOSURE EXEMPTIONS

In preparing the financial statements of the company, advantage has been taken of the following disclosure exemption available in FRS 102:

- No cashflow statement has been presented for the company.

### 1.4 TURNOVER

Turnover comprises revenue recognised by the company in respect of goods and services supplied during the year, exclusive of Value Added Tax and trade discounts.

#### NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2020

#### 1. ACCOUNTING POLICIES (CONTINUED)

#### 1.5 CURRENT AND DEFERRED TAXATION

The tax expense for the period comprises current and deferred tax. Tax is recognised in profit or loss, except that a change attributable to an item of income or expense recognised as other comprehensive income or to an item recognised directly in equity is also recognised in other comprehensive income or directly in equity respectively.

The current tax charge is calculated on the basis of tax rates and laws that have been enacted or substantively enacted by the reporting date.

Deferred balances are recognised in respect of all timing differences that have originated but not reversed by the reporting date, except:

- The recognition of deferred tax assets is limited to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits; and
- Any deferred tax balances are reversed if and when all conditions for retaining associated tax allowances have been met.

Deferred tax is determined using tax rates and laws that have been enacted or substantively enacted by the reporting date. Deferred tax balances are not discounted.

#### 1.6 OPERATING LEASES: LESSEE

Rentals paid under operating leases are charged to the profit or loss on a straight line basis over the period of the lease.

#### 1.7 VALUATION OF INVESTMENTS

Investments in subsidiaries are measured at cost less accumulated impairment. Where merger relief is applicable, the cost of the investment in a subsidiary undertaking is measured at the nominal value of the shares issued together with the fair value of any additional consideration paid.

#### 1.8 BORROWINGS

Interest costs are expensed using the effective interest rate method. The effective interest method is a method of calculating the amortised costs of a debt instrument and of allocating interest expense over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash payments (including all fees and points paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the debt instrument, or where appropriate, a shorter period, to the net carrying amount on initial recognition. Arrangement fees are netted off against the carrying value of the loan facility and charged to the profit or loss over the term of the debt.

#### 16. FINANCIAL INSTRUMENTS

The information set out below provides information about how the Company determines fair values of various financial assets and financial liabilities. The following table provides an analysis of financial instruments that are measured subsequent to initial recognition at fair value, grouped into Levels 1 to 3 based on the degree to which the fair value is observable:

Level 1 - fair value measurements are those derived from quoted prices (unadjusted) in active markets for identical assets or liabilities;

Level 2 - fair value measurements are those derived from inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices); and
