# Structure, governance and management

#### Legal structure

The Nature Trust (Sandy) is a company limited by guarantee (company number 5156538) and a charity registered in England & Wales (charity number 1107654).

The trustees are the Charity Board, which is the ultimate governing body. The minimum number of trustees is three, which must include the Chairman and Secretary. New trustees are appointed at the Annual General Meeting and retire by rotation. One third (or the number nearest one third) must retire at each Annual General Meeting although trustees may stand for re-appointment.

The Board sets policy and is responsible for the conduct of the charity's affairs and for ensuring that it operates in accordance with the constitution and the law. The governing document is the Memorandum and Articles of Association.

Following their election to the Board, each trustee receives a briefing outlining their role, together with information on The Nature Trust (Sandy), its structure and work.

The trustees are also the directors of the company.

#### Information provided to auditors

With regard to the preparation of this Annual Report and the financial statements, so far as each director is aware, there is no relevant audit information of which the company's auditor has not been informed, and each Trustee has taken all the steps that he ought to have taken as a director in order to make himself aware of any relevant audit information and to establish that the company's auditor is aware of that information.

This confirmation is given and should be interpreted in accordance with the provisions of section 418 of the Companies Act 2006.

### Statement of Trustees' responsibilities

The Trustees (who are also directors of The Nature Trust (Sandy) for the purposes of company law) are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

Company law requires the Trustees to prepare financial statements for each financial year. Under company law the Trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and of the Incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP:
- make judgments and estimates that are reasonable and prudent;
- state whether applicable UK accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charitable company's transactions, disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006 and the provisions of the charity's constitution. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The directors are responsible for the identification and management of the major risks facing the organisation. The directors have considered risk in its broadest sense to cover aspects that might undermine the capacity of the company and have identified changes to the legislative framework around the Landfill Communities Fund and the ability to successfully fundraise as being the principal risks. The trustees confirm that they are satisfied with the arrangements for managing risk.

## Objectives and activities

The trustees confirm that they have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing objectives and activities.

#### **Objectives**

The objectives of the charity are to:

- conserve wild birds and the wider environment on which wild birds depend, maintaining bird numbers, diversity and natural geographic distribution.
- conserve natural and semi-natural habitats and to recreate habitats.
- encourage others to practise the conservation of wild birds and habitats.
- promote knowledge of conservation through education and research.
- further, in whatever manner and by whatever means, the aims, objects, activities and enterprises of the Royal Society for the Protection of Birds.

#### **Principal activities**

The charity has the powers, which may be exercised only in promoting the objects above, to make grants to the RSPB or any organisation, or in any way to afford financial or other assistance, whether directly or indirectly, to the RSPB, or to such landfill operators, environmental bodies or other organisations operating within the context of the Landfill Communities Fund.

# Aims, achievements and plans for the future

The charity was established with the aim of setting up a framework to maximise the use of available funds for conservation through the Landfill Communities Fund. Having successfully completed this task, the focus moved to generating funds to provide the seed-corn funding necessary to help deliver eligible conservation projects requiring financial support.

Since inception, the charity has successfully established financial support from both corporate bodies and individuals. The trustees are very grateful for the support of donors.

The trustees are proud to have been able to support 12 conservation projects during the year covering a wide range of habitats including the restoration of grazing marsh, heath land, saline lagoons, upland, wetland and woodland. The trustees aim to support many more of these projects during year ending 31<sup>st</sup> March 2017.

The trustees extend their gratitude to the following organisations for their support during the year:

Friends of Yorkshire Wildlife Trust Biffa Waste Services Ltd FCC Recycling (UK) Ltd Tarmac Ltd Veolia ES Ltd Highland Council Sita UK Ltd Viridor Waste Management Ltd

### Financial review

The accounts, which form part of this report, comply with the requirements of the Accounting and Reporting by Charities: FRS 102 Statement of Recommended Practice (SORP). The trustees consider that in preparing these accounts, they have consistently applied appropriate accounting policies supported by reasonable and prudent judgements and estimates where required.

A resolution to re-appoint the firm Crowe Clark Whitehill LLP as auditors was passed at the Annual General Meeting on 22 October 2015.

#### Financial reserves policy

The charity's financial reserves policy is to maintain reserves sufficient only to provide adequate working capital and for anticipated grants to be made over a maximum period of 24 months.

#### Investment policy and powers

The Nature Trust (Sandy) investment powers are as set out in the charity's governing documents. The charity currently keeps its financial resources such that they are available at short notice to provide funding for eligible projects.

#### Financial report

mphrey Norrings

Chairman

Income received during the year was £1k (2015: £5k), from donations and investment income and interest.

During the year, £299k (2015: £269k) was awarded in grants to landfill site operators to support habitat conservation projects.

The charity currently holds funds of £110k (2015: £409k), which, after administration costs, is available for conservation projects.

Approved by the board 25 October 2016 and signed on its behalf by

# Independent Auditor's Report to the Trustees of The Nature Trust (Sandy)

We have audited the financial statements of The Nature Trust (Sandy) for the year ended 31 March 2016 which comprise the Statement of Financial Activities, the Balance Sheet, the Cash Flow Statement and the related notes numbered 1 to 12.

The financial reporting framework that has been applied in their preparation is applicable law and FRS 102, The Financial Reporting Standard applicable in the UK and Republic of Ireland.

This report is made solely to the charitable company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the charitable company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charitable company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

#### Respective responsibilities of trustees and auditor

As explained more fully in the Statement of Trustees' Responsibilities, the trustees (who are also the directors of the charitable company for the purpose of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view.

Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

#### Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the charitable company's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the trustees; and the overall presentation of the financial statements.

In addition, we read all the financial and non-financial information in the Trustees' Annual Report to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by us in the course of performing the audit. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

#### Opinion on financial statements

In our opinion the financial statements:

- give a true and fair view of the state of the charitable company's affairs as at 31 March 2016 and of its incoming resources and application of resources, including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with FRS 102, The Financial Reporting Standard applicable in the UK and Republic of Ireland;
- have been prepared in accordance with the requirements of the Companies Act 2006.

## Opinion on other matter prescribed by the Companies Act 2006

In our opinion the information given in the Trustees Annual Report for the financial year for which the financial statements are prepared is consistent with the financial statements.

# Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the trustees were not entitled to take advantage of the small companies exemption from the requirement to prepare a strategic report.

#### Notes to the accounts

#### 1 Company information

The Nature Trust (Sandy) is a company limited by guarantee (company number 5156538) and a charity registered in England & Wales (charity number 1107654). The address of the registered office is The Lodge, Sandy, Bedfordshire, SG19 2DL.

#### 2 Accounting policies

#### **Basis of accounts**

The accounts (financial statements) have been prepared in accordance with the Charities SORP (FRS102) applicable to charities preparing their accounts in accordance with FRS102 the Financial Reporting Standard applicable in the UK and Republic of Ireland and the Charities Act 2011 and UK Generally Accepted Practice as it applies from 1 January 2015.

The Nature trust (Sandy) meets the definition of a public benefit entity under FRS 102.

Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy note.

In preparing the accounts, the trustees have considered whether in applying the accounting policies required by FRS 102 and the Charities SORP FRS 102 the restatement of comparative items was required. In their estimation, the impact of transitioning is not material to the financial statements and therefore the restatement of comparative items is not required. The transition date was 1 April 2014.

The accounts have been prepared on a going concern basis and having considered future plans and forecasts including a review of financial reserves as detailed in the Trustees' report, the trustees believe it appropriate to continue to do so.

In the application of the charity's accounting policies, Trustees are required to make judgements, estimates, assumptions about the carrying values of assets and liabilities that are not readily apparent from other sources. The estimates and underlying assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an on-going basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period or in the period of the revision and future periods if the revision affects the current and future periods. In the view of the Trustees, no assumptions concerning the future or estimation uncertainty affecting assets and liabilities at the balance sheet date are likely to result in a material adjustment to their carrying amounts in the next financial year.

As a registered charity The Nature Trust (Sandy) is potentially exempt from taxation of income and gains falling within Sections 466 to 493 of the Corporation Tax Act 2010. No tax charge has arisen in the year.

#### Funds

Unrestricted funds are available for use at the discretion of the trustees in furtherance of the objectives of the charity and which have not been designated for other purposes.

### Incoming resources

Incoming resources are included in the SOFA when the charity is legally entitled to the income and the amount can be quantified with reasonable accuracy.

 Individual donations are accounted for when received and related tax recovery, under the Gift Aid Scheme, is included on an accrual basis.

#### Resources expended

All expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all costs related to that category.

 Support costs have been allocated to the headings in the SOFA and they relate to administrative overheads.

## Notes to the accounts (continued)

#### Financial instruments

The Nature Trust (Sandy) has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at amortised cost using the effective interest method. Financial assets held at amortised cost comprise cash and bank and in hand, together with other debtors. Financial liabilities held at amortised cost comprise of trade creditors.

## Notes to the accounts (continued)

## 3 Grants paid

During the year, grant payments were made to 8 landfill site operators in support of 12 projects. All such operators are institutions; no payments were made to individuals. A full list is available upon request.

All grant payments were made under the Landfill Communities Fund to maximise the available funds for environmental bodies to deliver conservation projects.

### 4 Total expenditure

	Direct costs £'s	Support Costs £'s	2016 Total £'s	2015 Total £'s
Cost of raising funds	660	810	1,470	849
Charitable expenditure Habitat conservation projects	298,235	990	299,225	269,157
Total expenditure	298,895	1,800	300,695	270,006

#### 5 Support costs

Support costs	Administration costs £'s	2016 Total £'s	2015 Total £'s
Cost of raising funds	810	810	810
Charitable expenditure: Habitat conservation projects	990	990	990
Total expenditure	1,800	1,800	1,800

#### 6 Audit fees

Audit fees for the year, of £3,840 (2015: £3,840) were paid to our auditor, Crowe Clark Whitehill LLP; no other payments were made to our auditors.

## Notes to the accounts (continued)

#### 7 Staff costs

The charity does not employ staff. No remuneration or expenses were paid to the trustees during the year (2015: nil).

Indemnity insurance premiums of £309 (2015: £426) were paid in the year.
