**Structure, governance and management**

The Charity is constituted as a Company limited by guarantee, and is therefore governed by its Memorandum and Articles of Association.

The Governors (Trustees) administer the day-to-day affairs of the Charity. None of the Trustees have any beneficial interest in the Charity.

It is not currently the intention of the Trustees of the Charity to appoint new Trustees. Should the situation change in the future, the Trustees will apply recruitment training and induction procedures.

**Objectives and activities**

The Charity's objects are the advancement of Orthodox Jewish religious education, the advancement of the Orthodox Jewish religion, the relief of poverty, in particular persons of the Jewish faith, and to financially support recognised Schools, Theological Colleges and places of advanced education. To achieve these objects, the Charity utilises its income to make grants and donations to charitable organisations whose principal objects are in line with the above.

**Strategic report**

The following sections for achievements and performance, financial review and plans for future periods form the strategic report of the charity.

**Achievements and performance**

During the year, the Company continued to pursue philanthropic objects in support of educational, religious and other Charitable Organisations which was in accordance with the guidance of the Charity Commission relating to Public Benefit.

During the year, the charity distributed grants totalling £30,000 (2020: £43,500) in furtherance of the charity's objects.

**Financial review**

Income from investments aggregated £52,329 (2020: £57,686), with a further £Nil (2020: £50,000) received as donation income. Total resources expended were £95,116 (2020: £70,088) resulting in a deficit of £42,787 (2020: surplus £37,598).

The Trustees' have considered the impact of the outbreak of COVID-19 on the charity and these are disclosed in the notes to the accounts. The financial results of the Charity's activities for the year to 31 July 2021 are fully reflected in the attached Financial Statements together with the Notes thereon.

The trustees' annual report and the strategic report were approved on 26 May 2022 and signed on behalf of the board of trustees by:

Mrs R Stroh  
Charity Secretary

**Strawberry Care Foundation Limited**  
**Company Limited by Guarantee**  
**Independent Examiner's Report to the Trustees of Strawberry Care Foundation Limited**  
**Year ended 31 July 2021**

I report to the trustees on my examination of the financial statements of Strawberry Care Foundation Limited ('the charity') for the year ended 31 July 2021.

**Responsibilities and basis of report**

As the trustees of the company (and also its directors for the purposes of company law) you are responsible for the preparation of the financial statements in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of the charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

**Independent examiner's statement**

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the charity as required by section 386 of the 2006 Act; or
2. the financial statements do not accord with those records; or
3. the financial statements do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination; or
4. the financial statements have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

**Strawberry Care Foundation Limited**  
**Company Limited by Guarantee**  
**Notes to the Financial Statements**  
**Year ended 31 July 2021**

**1. General information**

The charity is a public benefit entity and a private company limited by guarantee, registered in England and Wales and a registered charity in England and Wales. The address of the registered office is 1 East Bank, London, N16 5RJ, United Kingdom.

**2. Statement of compliance**

These financial statements have been prepared in compliance with FRS 102, 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland', the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)) and the Companies Act 2006.

**3. Accounting policies**

**Basis of preparation**

The financial statements have been prepared on the historical cost basis, as modified by the revaluation of certain financial assets and liabilities and investment properties measured at fair value through income or expenditure.

The financial statements are prepared in sterling, which is the functional currency of the entity.

**Going concern**

The Covid-19 pandemic has adversely affected the wider macro economy and has presented the charity with some challenges regarding its operations and sources of income. These risks are beyond the control of the charity and represent uncertainty to the cashflow of the charity in the next 12 months.

Notwithstanding the uncertainty, the financial statements have been prepared in accordance with the accounting principle appropriate to a going concern, as the Trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. The Trustees also recognise that they have the ability to exercise control over the charity's grant making charitable activities due to the absence of any legally binding obligations.

**Judgements and key sources of estimation uncertainty**

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the amounts reported. These estimates and judgements are continually reviewed and are based on experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

Besides those stated below, there were no material judgements, estimates and assumptions that affected the amounts reported in the year.

**3. Accounting policies** *(continued)*

**Fund accounting**

Unrestricted funds are available for use at the discretion of the trustees to further any of the charity's purposes.

Designated funds are unrestricted funds earmarked by the trustees for particular future project or commitment.

Restricted funds are subjected to restrictions on their expenditure declared by the donor or through the terms of an appeal, and fall into one of two sub-classes: restricted income funds or endowment funds.

**Incoming resources**

All incoming resources are included in the statement of financial activities when entitlement has passed to the charity; it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured. The following specific policies are applied to particular categories of income:

- income from donations or grants is recognised when there is evidence of entitlement to the gift, receipt is probable and its amount can be measured reliably.
- legacy income is recognised when receipt is probable and entitlement is established.
- income from donated goods is measured at the fair value of the goods unless this is impractical to measure reliably, in which case the value is derived from the cost to the donor or the estimated resale value. Donated facilities and services are recognised in the accounts when received if the value can be reliably measured. No amounts are included for the contribution of general volunteers.
- income from contracts for the supply of services is recognised with the delivery of the contracted service. This is classified as unrestricted funds unless there is a contractual requirement for it to be spent on a particular purpose and returned if unspent, in which case it may be regarded as restricted.

**3. Accounting policies** *(continued)*

**Resources expended**

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is classified under headings of the statement of financial activities to which it relates:

- expenditure on raising funds includes the costs of all fundraising activities, events, non-charitable trading activities, and the sale of donated goods.
- expenditure on charitable activities includes all costs incurred by a charity in undertaking activities that further its charitable aims for the benefit of its beneficiaries, including those support costs and costs relating to the governance of the charity apportioned to charitable activities.
- other expenditure includes all expenditure that is neither related to raising funds for the charity nor part of its expenditure on charitable activities.

All costs are allocated to expenditure categories reflecting the use of the resource. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs are apportioned between the activities they contribute to on a reasonable, justifiable and consistent basis.

**Investment property**

Investment property is initially recorded at cost, which includes purchase price and any directly attributable expenditure.

Investment property is revalued to its fair value at each reporting date and any changes in fair value are recognised in income or expenditure.

If a reliable measure of fair value is no longer available without undue cost or effort for an item of investment property, it shall be transferred to tangible assets and treated as such until it is expected that fair value will be reliably measurable on an on-going basis.

**Financial instruments**

A financial asset or a financial liability is recognised only when the charity becomes a party to the contractual provisions of the instrument.

Basic financial instruments are initially recognised at the amount receivable or payable including any related transaction costs.

Current assets and current liabilities are subsequently measured at the cash or other consideration expected to be paid or received and not discounted.

Debt instruments are subsequently measured at amortised cost.

Where investments in shares are publicly traded or their fair value can otherwise be measured reliably, the investment is subsequently measured at fair value with changes in fair value recognised in income and expenditure. All other such investments are subsequently measured at cost less impairment.

**Strawberry Care Foundation Limited**  
**Company Limited by Guarantee**  
**Notes to the Financial Statements** *(continued)*  
**Year ended 31 July 2021**

**3. Accounting policies** *(continued)*

**Financial instruments** *(continued)*

Other financial instruments, including derivatives, are initially recognised at fair value, unless payment for an asset is deferred beyond normal business terms or financed at a rate of interest that is not a market rate, in which case the asset is measured at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Other financial instruments are subsequently measured at fair value, with any changes recognised in the statement of financial activities, with the exception of hedging instruments in a designated hedging relationship.

Financial assets that are measured at cost or amortised cost are reviewed for objective evidence of impairment at the end of each reporting date. If there is objective evidence of impairment, an impairment loss is recognised under the appropriate heading in the statement of financial activities in which the initial gain was recognised.

For all equity instruments regardless of significance, and other financial assets that are individually significant, these are assessed individually for impairment. Other financial assets are either assessed individually or grouped on the basis of similar credit risk characteristics.

Any reversals of impairment are recognised immediately, to the extent that the reversal does not result in a carrying amount of the financial asset that exceeds what the carrying amount would have been had the impairment not previously been recognised.

**4. Limited by guarantee**
