#### TRUSTEES' ANNUAL REPORT FOR THE YEAR ENDED 31 MARCH 2021

The Trustees have pleasure in presenting their report and audited financial statements for the year ended 31 March 2021, which we also prepared to meet the requirements for a directors' report and accounts for Companies Act purposes.

The financial statements comply with the Charities Act 2011, the Companies Act 2006 and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

#### REFERENCE AND ADMINISTRATIVE DETAILS

Charity registration number: 1105270 Company registration number: 05178212

#### **Principal Office and Advisors**

These are detailed on page 2.

#### **Trustees**

The names of trustees serving during the year and since the year end are shown on page 2.

#### **Legal Status and Governing Document**

Cornwall Refuge Trust (previously Cornwall Women's Refuge Trust) was incorporated by the Memorandum & Articles of Association dated 13 July 2004 as amended by special resolution on 18 February 2016. The Trust is a company limited by guarantee (registered number 05178212) and does not have a share capital. The Trust is also a registered charity (registered number 1105270). In accordance with Section 60 of the Companies Act 2006, the word 'limited' is omitted from the name. The liability of the members who constitute the Trust is limited to £1 per member.

#### STRUCTURE, GOVERNANCE AND MANAGEMENT

The Trust is run by a Board of Trustees. The Trustees are also directors of the company for the purposes of the Companies Act 2006.

#### STAFF, VOLUNTEERS AND SERVICE USERS

The day-to-day management of the Charity is delegated to the Trust manager Ellen Richards, who is assisted by the project managers for each of the projects. The Trustees meet as a full board at least six times per year including the Annual General Meeting to ensure that the governance of the Charity is implemented, to discuss the strategic direction of the Charity, to monitor financial performance, risk, human resources and operations, and all decisions reached are done so by a majority vote.

#### **STRUCTURE, GOVERNANCE AND MANAGEMENT (continued)**

#### **Appointment and training of Trustees**

As set out in the Articles of Association, the Trustees are nominated by the existing management committee members. They are then invited to join the Trust by the Trust manager. The number of Trustees shall be not less than three. Trustees are invited to attend Trust training but the majority are already sufficiently experienced.

#### Pay policy for senior staff.

All Trustees give of their time freely and no trustee received remuneration in the year. The pay of the senior staff is reviewed annually by the Management Committee. Salaries are set based on a pay scale and increment pay rises are given where employees have moved to a higher point on this scale.

#### **PURPOSES AND ACTIVITIES**

#### The purpose of the Charity

The relief of poverty and distress among men and women who experience domestic violence and the children of those men and women.

#### **Mission Statement**

'Cornwall Refuge Trust provides a safe, supportive environment for men, women and children who have escaped domestic abuse. We offer support and advice empowering the person for a safer and happier future.'

#### Aims of Charity for the public benefit

- To offer refuge to men, women and children who have escaped domestic abuse.
- To offer emotional support to the men, women and children who have come to the refuge and when they resettle in the community.
- To offer practical help to men and women who have come to the refuge.
- To offer support to all victims of domestic abuse in the community.
- To work with our partners to raise awareness of domestic abuse as an issue and how best to address it.
- To support team members so that we can work to our full potential.

#### Our objectives to accomplish the above aims are:-

- To manage the men's and women's refuges offering temporary accommodation to men, women and their children who are victims of domestic abuse.
- To provide a domestic abuse counselling project for all victims of domestic abuse over 16 years of age.
- To provide an outreach support service to male victims of domestic abuse.
- To provide high quality advice and support to callers on the 24 hour helpline.
- To attend relevant forums and meetings to ensure CRT is kept up to date on local and national domestic abuse strategic planning.

#### **OVERVIEW**

The past 12 months have been challenging for everyone with the Covid-19 lockdowns and restrictions but we have continued to deliver high quality services and support to service users throughout the pandemic. We have also continued to ensure that a high percentage of our income goes on frontline service delivery. We have maintained consultation with service users, making use of remote means such as telephone and video conferencing whenever possible, and using appropriate PPE whenever face to face contact was considered essential.

#### TRUSTEES' ANNUAL REPORT FOR THE YEAR ENDED 31 MARCH 2021 (continued)

#### **OVERVIEW (continued)**

We have been able to maintain a service delivery for all projects by successful funding applications and working closely with the Local Authority. Our core business of refuge provision has been maintained for the female refuge by Local Authority funding and for the male refuge by The Big Lottery Fund up to the end of October 2020. Our child and family work is partly funded by the Local Authority with additional funding from BBC Children in Need for three years, ending August 2021. In addition to our Child and Family Support Worker we have been able to employ a Child and Young Person Worker due to additional funding received from the Local Authority this year. Our 24-hour domestic abuse helpline is also partly funded by the Local Authority.

Our Volunteer Project, which includes Waves Counselling, is partly funded by the Local Authority via First Light, with additional funding from the Big Lottery Fund (ended October 2020) and The Lloyds Bank Foundation. Our Resettlement project, which supports our residents as they leave refuge to set up homes in the community, is funded by the Tudor Trust.

In addition we have received a number of grants towards expenses related to the Covid-19 pandemic, these are listed below. As mentioned previously our Big Lottery funding for our male refuge and Waves ended in October 2020 and our new application was put on hold as a result of the Covid pandemic. We were therefore very grateful for the understanding and flexible approach of the Lloyds Bank Foundation and the Tudor Trust who were both happy for us to divert funds to cover the gap in funding for our Norda House Project (male refuge). Additionally we received two Covid-related grants from the Police & Crime Commissioner for Devon & Cornwall which also helped greatly to cover our shortfall in funding for both projects.

We have also been able to expand and develop our Refuge Resettlement Project through funding from the Tudor Trust which enables us to continue to support our residents once they move out of refuge. This greatly improves the likelihood of a successful outcome for these families and individuals.

We have 7 Management Committee members, 5 of whom are Directors and Trustees, all offering their time and specialist skills voluntarily.

We have had a staff team of between 14 and 16 over the year, including full-time and part-time staff.

In the past year we had 38 Waves volunteer counsellors but unfortunately as a result of the pandemic we have not been able to run our Refuge Volunteer project. We offer volunteers a high level of training and support and unique volunteering opportunities which enable them to improve their skills and employability in a very specialist area of work.

#### **PUBLIC BENEFIT**

The Trustees have complied with their duty to have due regard to guidance published by the Charity Commission on the operation of the Public Benefit requirement.

#### TRUSTEES' ANNUAL REPORT FOR THE YEAR ENDED 31 MARCH 2021 (continued)

#### **ACHIEVEMENTS AND PERFORMANCE**

We have been awarded the following grants:

- Community Safety Partnership (LA) Women's refuge, child and family work and part funding for the 24/7 Helpline
- First Light Southwest Ltd part funding for the Waves Counselling Project
- Cornwall Community Foundation Hardship Fund to assist with crisis expenses for residents.
- Cornwall Community Foundation Surviving Winter Fund to assist residents with suitable winter clothing and other winter-related needs.
- BBC Children in Need, started September 2018 to pay Child and Family Support Worker 12.5 hours per week ends August 2021.
- Lloyds Bank Foundation from April 2019 for the Volunteer Project (including Waves) and core costs ends March 2022 (may be extended for one year)
- Tudor Trust From October 2019 for the Refuge Resettlement Project ends September 2022.
- Tudor Trust grant for Covid-related expenses including education, cleaning and PPE
- Tudor Trust Wellbeing grant for staff, trustees and volunteers
- The Big Lottery Fund from November 2017 for Norda House (men's refuge) and the Waves Project ended October 2020.
- Big Lottery Awards for All funding for Norda Child and Family Work (received October 2018 funding was initially for 1 year but some funds remain).
- Acts 435 funding for ad hoc residents' needs (eg. school uniform, travel, mobile phones, legal costs, moving costs, curtains for new homes)
- Ministry of Housing, Communities & Local Government grant for Covid-related costs and to keep providing our 24-hour domestic abuse helpline during the Covid pandemic
- Neighbourly Ltd Covid grant, unrestricted
- Penzance Council Covid grant for Waves (Penzance clients)
- Police Crime Commissioner for Devon & Cornwall Covid grant for Waves
- Police Crime Commissioner for Devon & Cornwall additional Covid grant for Norda and remote working costs
- Western Power Christmas celebrations grant
- The Pat Newman Memorial Trust grant for running parenting classes on hold due to the pandemic

We have received many financial donations this year from individuals and community groups. Additionally, we have received Gift Aid and small regular donations, and are in receipt of assistance from Hidden Help who help us with supplying furniture and home goods for residents moving out of refuge. Several church and community groups offer continued support with clothing, toiletries and homeware for both male and female residents and those moving out into the community. We are well supported by the community for Easter and Christmas, helping our service users to enjoy these celebrations.

Cornwall Refuge Trust (CRT) projects have achieved the following service figures:

- Refuges 35 adults and 32 children received comprehensive residential support (2020: 24 adults and 27 children)
- The Helpline 6232 support calls received or made within our 24-hour service (2020: 3136)
- The WAVES Project 652 referrals were made to WAVES (2020: 926)
- The Resettlement Project 13 families and 10 single adults were successfully supported to resettle in the community.

#### TRUSTEES' ANNUAL REPORT FOR THE YEAR ENDED 31 MARCH 2021 (continued)

#### **ACHIEVEMENTS AND PERFORMANCE (continued)**

#### The Women's Refuge and Norda House

The level of support offered when entering our refuges is very comprehensive. From the point of receiving the referral, we assist with safety planning for the person or family to leave their abuser and area of risk. We support them to arrange safe transport and their rooms are prepared with welcome packs for both adults and children. Residents are supported to access benefits, including housing benefit, GP services and schools. We ensure emotional needs are met by offering support, a listening ear and a friendly welcoming environment.

For the period of their stay they are appointed a key worker who meets with them regularly and offers individual needs-led support for single adults and families. Support is offered to children and young people with therapeutic sessions, outings, activities, birthday and seasonal events and treats.

Additional services are offered by the refuges when residents are moving out to support them in establishing new homes in the community. These additional services include providing furnishings, emotional support on moving, support for children and young people, help with getting to know the community, accessing services and school placements.

The refuge and resettlement staff are dedicated, hardworking people who are passionate about what they do and go the extra mile in supporting residents.

#### The Volunteer Project & WAVES Counselling

This project is extremely good value for money. We employ one full-time Coordinator / Project Manager who recruits, trains and supervises all counselling volunteers and sessional workers and, normally, one part-time Volunteer Supervisor, who recruits, trains and supervises all refuge volunteers. However, since the start of the Covid-19 pandemic we have had to put our refuge volunteer project on hold for the time being.

Our counselling volunteers are mainly students studying counselling who are required to gain experience in counselling, whilst our refuge volunteers come from all walks of life. We offer them all a vast array of training opportunities and professional supervision. There have been several volunteers who have gone on to be employed by CRT or other DA providers.

We continue to use qualified counsellors as sessional workers to assist the coordinator in taking referrals and processing assessments, and more recently to provide additional counselling sessions in order to bring down the Waves waiting list as a result of funding received for this purpose.

#### **Donated services**

Donated services were received from Phillips Frith LLP who do not charge for processing our wages and payroll. We have several community groups (including the Rotary Club, Inner Wheel Club, Lions Club, the Soroptomists, Women's Institute, Mothers' Union and many church groups and local businesses) who have donated to general funds, residents' support and the children's project, as well as gifts for adults and children, household items, money for school uniforms and funds for Christmas and Easter celebrations. Additionally, we received financial donations from individuals and donated items which were offered to refuge residents to assist in their resettlement.

#### TRUSTEES' ANNUAL REPORT FOR THE YEAR ENDED 31 MARCH 2021 (continued)

#### **CURRENT STATUS AND FUTURE PLANNING**

CRT will continue to deliver high quality, life changing services.

We continue to work closely with the Local Authority and other DASV providers to ensure our services continue and our high standards of support are maintained.

We plan to continue to deliver domestic abuse services, ensuring that we are able to offer excellent support to those who enter our projects. We have a very dedicated team of staff and volunteers who have specialist skills and a work ethos that is outstanding.

We are pleased to have received confirmation that the Local Authority will provide funding for our male refuge (Norda House project) from April 2021 and also additional funding for our Children's Project and our Resettlement Project.

Our values are to lead and deliver domestic abuse services with passion and dedication; to be accountable and have integrity in all we do; to embrace diversity, and to always work towards a high quality of service delivery. We are determined to continue to strive to support those people harmed by abuse in the home, assisting them to move towards a safer and happier future.

#### **FINANCIAL REVIEW**

In 2021, CRT had a surplus of £55,578 (2020: surplus of £43,014). Total income increased by £49,554 to £543,791.

The principle funding sources of the Charity continue to be grants received from various organisations which are used to support the running costs of both refuges and various counselling and support projects. Housing benefit is also received to help fund the running costs of both refuges, more detail is provided in notes 2 and 14 of these financial statements.

Expenditure has increased by £36,990 to £488,213.

Net assets increased to £737,885 (2020: £683,110). During the year the Charity had a positive cash flow of £64,561.

At 31 March 2021, the Charity held total cash balances of £542,858 (2020: £478,297).

#### **Reserves Policy**

It is the policy of the Cornwall Refuge Trust to maintain unrestricted funds, which are the free reserves of the Charity (excluding fixed assets), at a level which equates to the approximate six month unrestricted expenditure. This provides sufficient funds to cover management, administration, support costs and to respond to emergency expenditure which arises from time to time.

As at 31 March 2021 free reserves totalled £359,023. This compares with £290,109 at the previous year end.

The Trust holds £70,000 in a designated reserve to cover the costs of interim accommodation to assist those moving from intensive support in the Refuge to community living. The designated reserves are not included in free reserves.

Restricted reserves held at 31 March 2021 amounted to £300,900 (2020: £313,824). A description of these funds is provided in note 14. Included in the restricted reserves is £226,446 (2020: £232,415) that relates to tangible fixed assets, which includes the freehold property.

#### TRUSTEES ANNUAL REPORT FOR THE YEAR ENDED 31 MARCH 2021 (continued)

#### FINANCIAL REVIEW (continued)

#### **Reserves Policy (continued)**

The Charity now holds an expendable endowment fund, in the form of investments in Meteor Senior Life Settlements Sterling Fund. This investment was a gift from West Cornwall Youth Trust and the value of the year end was £7,383.

Total funds held by the Charity at 31 March 2021 amounted to £737,885 (2020: £683,110).

#### **Risk Policy**

The Trustees have examined the major strategic, business and operational risk which the Charity faces and confirm that systems have been established to enable regular reports to be produced so that the necessary steps can be taken to mitigate the exposure to these risks.

The principle risks to which the charity is exposed are:

Risk of fraud perpetrated by trustees or employees of the charity

Risk of accidental damage to the charity's property

Risk of losing funding for support costs (Community Safety Partnership) and additional projects

Non-financial risks arising from fire and health and safety are managed by weekly health and safety checks of both refuges and the fire alarms are tested weekly by external companies. Regular health and safety awareness training is provided to staff.

#### **Investment Policy**

The management committee has considered the most appropriate policy for investing funds and has agreed that instant access to funds is currently necessary to enable the Charity to operate effectively. The funds, therefore, are currently held in bank deposit accounts with an approved UK regulated bank.

#### **Going Concern**

The accounts are prepared on a going concern basis which assumes the Trust will continue to operate for the foreseeable future. The trustees consider this to be appropriate having regard to the circumstances outlined in note 19.

#### TRUSTEES' RESPONSIBILITIES IN RELATION TO THE FINANCIAL STATEMENTS

The Trustees (who are also directors of the Charity for the purposes of company law) are responsible for preparing the Trustees' Annual Report and the financial statements in accordance with applicable law and regulations.

Company law requires the Trustees to prepare financial statements for each financial year. Under that law the Trustees have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the Trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and of its income and expenditure for that year. In preparing those financial statements, the Trustees are required to:

- select suitable accounting policies and apply them consistently;
- observe the methods and principles in the applicable Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in operation.

#### TRUSTEES ANNUAL REPORT FOR THE YEAR ENDED 31 MARCH 2021 (continued)

#### TRUSTEES' RESPONSIBILITIES IN RELATION TO THE FINANCIAL STATEMENTS (continued)

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charitable company's transactions and disclose with reasonable accuracy at any time the financial position of the charitable company and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities. The Trustees are also responsible for ensuring that the assets are properly applied in accordance with charity law.

#### **DISCLOSURE OF INFORMATION TO AUDITORS**

The Trustees confirm that so far as they are aware at the time of approving the Annual Report, there is no relevant audit information of which the auditors are unaware. They have taken all the steps that they ought to have taken as Trustees in order to make themselves aware of any relevant audit information and to establish that the auditors are aware of that information.

This report has been prepared in accordance with the special provisions of Part 15 of the Companies Act 2006 relating to small companies.

By order of the board

Karen Furness (Trustee)

#### **INDEPENDENT AUDITOR'S REPORT**

#### TO THE MEMBERS OF THE CORNWALL REFUGE TRUST

We have audited the financial statements of Cornwall Refuge Trust for the year ended 31 March 2021 which comprise the Statement of Financial Activities, the Balance Sheet, the Statement of Cash Flows and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the charitable company's affairs as at 31 March 2021 and of its incoming resources and application of resources for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

#### **Basis for opinion**

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the charitable company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### Conclusions relating to going concern

In auditing the financial statements, we have concluded that the trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively may cast significant doubt on the trust's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to going concerns are described in the relevant sections of this report.

#### Other information

The Trustees are responsible for the other information. The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

#### **INDEPENDENT AUDITORS' REPORT**

#### TO THE MEMBERS OF THE CORNWALL REFUGE TRUST (continued)

#### Opinions on other matters prescribed by the Companies Act 2006

In our opinion based on the work undertaken in the course of our audit

- the information given in the Trustees' Report, which includes the Directors' Report prepared for the purposes of company law, for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the Directors' Report included within the Trustees' Report have been prepared in accordance with applicable legal requirements.

#### Matters on which we are required to report by exception

In light of the knowledge and understanding of the charitable company and its environment obtained in the course of the audit, we have not identified material misstatements in the Directors' Report included within the Trustees' Report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of Trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the Trustees were not entitled to prepare the financial statements in accordance with the small companies regime and take advantage of the small companies exemption in preparing the Trustees' Report and take advantage of the small companies exemption from the requirement to prepare a Strategic Report.

#### **Responsibilities of Trustees**

As explained more fully in the Trustees' Responsibilities Statement set out on page 9, the Trustees (who are also the directors of the charitable company for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the Trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Trustees are responsible for assessing the charitable company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Trustees either intend to liquidate the charitable company or to cease operations, or have no realistic alternative but to do so.

#### Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

#### **INDEPENDENT AUDITORS' REPORT**

#### TO THE MEMBERS OF THE CORNWALL REFUGE TRUST (continued)

#### Auditor's responsibilities for the audit of the financial statements (continued)

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud, is detailed below.

- Enquiry of management and those charged with governance around actual and potential litigation and claims plus consideration of compliance functions to identify any instances of non-compliance with laws and regulations.
- Reviewing legal fee invoices to identify any instances of non-compliance with laws and regulations.
- Reviewing minutes of meetings of the trustees.
- Reviewing financial statement disclosures and to supporting documentation to access compliance with applicable laws and regulations.
- Considering and testing areas which involve cash handling.
- Auditing the risk of management override of controls, including testing journal entries and other adjustments for appropriateness.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

#### Use of our report

This report is made solely to the charitable company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the charitable company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charitable company and the charitable company's members as a body, for our audit work, for this report, or for the opinions we have formed.

# CORNWALL REFUGE TRUST NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2021

#### 1 ACCOUNTING POLICIES

#### **Charity Information**

Cornwall Refuge Trust is a private charitable company limited by guarantee and has no share capital, incorporated in England and Wales. The principal address is PO Box 80, Truro, Cornwall.

#### a) Basis of preparation and compliance with statutory requirements

The individual Charity's financial statements have been prepared in accordance with the Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019) – (Charities SORP (FRS 102)) (second edition – October 2019), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006.

The accounts are prepared in sterling, which is the functional currency of the Charity. Monetary amounts in these financial statements are rounded to the nearest  $\pounds$ .

The Charity meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value. The principal accounting policies adopted are set out below.

The financial statements have been prepared on the assumption that the Charity is able to carry on as a going concern, which the Trustees consider appropriate having regard to the circumstances outlined in note 20 to the financial statements. The Trustees have no material uncertainties about the Charity's ability to continue.

#### b) Fund accounting

The Charity has various types of funds for which it is responsible, and which require separate disclosure. These are as follows:

RESTRICTED FUNDS These are earmarked by the donor, or the terms of an appeal, for specific purposes within the overall aims of the Charity or for specific projects being undertaken by the Charity. The donation and income deriving therefrom will be used in accordance with the specific purposes.

UNRESTRICTED FUNDS Funds which are expendable at the discretion of the board in furtherance of the purposes of the Charity.

DESIGNATED FUNDS The board may at its discretion set aside unrestricted funds for specific purposes. The aim and use of each designated fund is set out in note 13. Discretionary reallocations between designated and general funds are treated as transfers in the notes to the financial statements.

EXPENDABLE ENDOWMENT FUND This was created by a gift of investments from the WCYT. The income from these investments is restricted as described in note 14.

A description of the specific funds in existence during the year is given in note 14.

#### c) Income

Income is recognised when the Charity has entitlement to the funds, any performance conditions attached to the item(s) of income have been met, it is probable that the income will be received and the amount can be measured reliably.

#### **NOTES TO THE FINANCIAL STATEMENTS (continued)**

#### FOR THE YEAR ENDED 31 MARCH 2021

#### 1 ACCOUNTING POLICIES (continued)

#### c) Income (continued)

#### i) DONATIONS

Donations and grants are recognised when receivable. Donations received for the general purposes of the Charity are included as unrestricted funds. Donations for activities restricted by the wishes of the donor are taken to restricted funds. Donations required to be retained as capital in accordance with the donor's wishes are accounted for as endowments - permanent or expendable according to the nature of the restriction.

#### ii) GRANTS AND GOVERNMENT GRANTS

Income from government and other grants, including capital grants, is recognised when the Charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably, except as follows:-

- when donors specify that grants given to the Charity must be used in future accounting years, the income is deferred until those years.
- when donors impose conditions which have to be fulfilled before the Charity becomes entitled to use such income, the income is deferred and not included in incoming resources until the pre-conditions for use have been met. A grant received before the recognition criteria are satisfied is recognised as a liability.

#### iii) FUNDRAISING EVENTS

Voluntary income arising from events, principally donations, is recognised in the period in which the event takes place.

#### iv) CHARITABLE ACTIVITIES

Income from charitable activities comprises of charges and benefits receivable for services such as housing benefits and personal service charges. These are accounted for in the year in which the service is provided.

#### d) Donated goods and services

Donated fixed assets are included in income at the estimated value of the gift to the charity when received, with the other entry being capitalised in fixed assets.

In accordance with the Charities SORP (FRS 102), the general volunteer time provided to the Charity is not recognised and is referred to in the trustees' annual report with more information about their contribution.

#### e) Expenditure

Expenditure is recognised once there is a legal or constructed obligation to make a payment to a third party, it is probable that settlement will be required and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and is classified under the following activity headings:

- Costs of raising funds comprise the costs of generating voluntary income and securing grants.
- Expenditure on charitable activities includes the costs incurred by the Charity in meeting the charitable purposes.
- Other expenditure represents those items not falling into any other heading.

#### **NOTES TO THE FINANCIAL STATEMENTS (continued)**

#### FOR THE YEAR ENDED 31 MARCH 2021

#### **ACCOUNTING POLICIES (continued)**

#### f) Allocation of support costs

Support costs are those functions that assist the work of the Charity but do not directly undertake charitable activities. Support costs include management, administration, finance, personnel and governance costs which support the Charity's activities. These costs have been allocated between costs of raising funds and expenditure on charitable activities. The basis on which support costs have been allocated are set out in Note 5.

Governance costs comprise of all costs identified as wholly or mainly attributable to ensuring the public accountability of the Charity and its compliance with regulations. These costs include board expenses, legal advice and audit fees.

#### g) Tangible fixed assets and depreciation

Tangible fixed assets costing more than £1,000 are capitalised and included at cost including any incidental expenses of acquisition if in line with the donor documentation.

Depreciation is provided on all tangible fixed assets at rates calculated to write off the cost over their expected economic lives as follows:

Freehold property

- 50 years on the straight line method

Log Cabin - 10% per annum on the straight line method Computer equipment - 25% per annum on the straight line method Equipment - 20% per annum on the straight line method

#### h) Fixed asset investments

Fixed asset investments are initially measured at transaction price excluding transaction costs, and are subsequently measured at fair value at each reporting date using the closing market price. Changes in fair value are recognised in the statement of financial activities for the year.

#### i) Cash and cash equivalents

Cash and cash equivalents are basic financial assets and include cash in hand, deposits held with banks and short-term liquid investments with original maturities of three months or less.

#### j) Financial instruments

The Charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value.

#### **Pension costs** k)

Cornwall Refuge Trust offers a stakeholder scheme to its employees and makes contributions as detailed in note 18. The charity has no liability beyond making its contributions and paying across the deductions for the employee's contributions. The costs are expensed in the SOFA (see notes 5 and 7 for allocation method). Any difference between the share to the SOFA and the contributions payable to the scheme is shown as an asset or liability in the Balance Sheet.

#### 1) **Operating leases**

Rentals applicable to operating leases are charged to the SOFA over the period in which the lease falls due.

#### 19 FUTURE OPERATIONS AND THE CURRENT ECONOMIC ENVIRONMENT

In common with many charities delivering services funded by local authorities, Cornwall Refuge Trust is under pressure to maintain or increase the work it does with fewer funds. Efficiencies are achieved wherever possible with more use of volunteer time and the Charity seeks to find alternative funding wherever possible.

The Trustees are not aware of any reason why they should not continue to adopt the going concern basis of accounting.

#### **20 RELATED PARTIES**

Two Trustees, Ms K Furness and Ms K Hamilton, are partners of Cornwall Law LLP. No payments were made to Cornwall Law LLP (2020: £72). There were no outstanding amounts due at the year end (2020: £nil).
