The company is a private company limited by shares and is incorporated and domiciled in England. It's registered office address is North Studio, 116a High Street, Edgware, Middlesex HA8 7EL.

2 BASIS OF PREPARATION

The financial statements of Dipesh Shah Design Studios Limited have been prepared in compliance with United Kingdom Accounting Standards, including Financial Reporting Standard '102 Section 1A' smaller 'entities 'The Financial Reporting Standard applicable in the United Kingdom and Ireland' ("FRS 102") and the Companies Act 2006. The financial statements have been prepared on the historical cost basis.

The financial statements are presented in Sterling (£).

Critical accounting estimates and judgements

No significant judgements have been made by the directors in preparing these financial statements.

3 ACCOUNTING POLICIES

The principal accounting policies adopted in the preparation of the financial statements are set out below and have remained unchanged from the previous year, and have also been consistently applied within the same accounts.

a Tangible fixed assets and depreciation

Tangible fixed assets are stated at cost. Depreciation is charged so as to write off the full cost over their expected useful lives. The rates used are:

Furniture and equipment

Owned assets - 25% reducing balance

b Profit recognition on contracts / long term contracts

Profit on contracting activities is taken as work progresses. Unless a more conservative approach is necessary, the percentage margin on each individual contract is the lower of the margin earned to date and that forecast at completion taking account of agreed claims. Full provision is made for all known or expected losses at completion immediately such losses are forecast on each contract.

Claims are included in the valuation of contracts and credited to the profit and loss account only when entitlement has been established.

Work in progress on small projects incomplete at balance sheet date is stated at the lower of cost plus attributable overheads and net realisable value.

NOTES TO THE ACCOUNTS

FOR THE YEAR ENDED 31ST MARCH 2020

3 ACCOUNTING POLICIES - continued

c Turnover

Turnover represents the value of work carried out in respect of contracting activities during the year, including any amounts invoiced after the balance sheet date in respect of work completed during the year. Turnover excludes value added tax.

d Taxation

Current tax is recognised for the amount of income tax payable in respect of the taxable profit for the current or past reporting years using the tax rates and laws that have been enacted or substantively enacted by the reporting date.

Deferred tax is recognised in respect of all timing differences at the reporting date, except as otherwise indicated.

Deferred tax assets are only recognised to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits.

If and when all conditions for retaining tax allowances for the cost of a fixed asset have been met, the deferred tax is reversed.

Deferred tax is calculated using the tax rates and laws that have been enacted or substantively enacted by the reporting date that are expected to apply to the reversal of the timing differences.

Deferred tax liabilities are presented within provisions for liabilities and deferred tax assets within debtors.

e Pension costs

Employer contributions to defined contribution schemes are charged to the profit and loss account in the year in which they are paid. The assets of the scheme are held separately from the company in an independently administered fund or with insurance companies.

f Operating lease commitments

Rental charges on operating leases are taken to the profit and loss account on a straight line basis over the life of the lease.

g Investment in subsidiary

The investments which comprise a 100% shareholding in a group undertakings is stated at cost less any adjustment for diminution in value.

h Debtors

Basic financial assets, including trade and other debtors, are initially recognised at transaction price, unless the arrangement constitutes a financing transaction, where the transaction is measured at present value of the future receipts discounted at market rate of interest. Such assets are subsequently carried at amortised cost using the effective interest method, less any impairment.

NOTES TO THE ACCOUNTS

FOR THE YEAR ENDED 31ST MARCH 2020

i Cash and cash equivalents

Cash and cash equivalents are represented by cash in hand, deposits held at call with financial institutions and other short term highly liquid investments that mature in no more than three months from the date of acquisition and that are readily convertible to known amounts of cash with insignificant risk of change in value.

j Creditors

Basic financial liabilities, including trade and other creditors are initially recognised at transaction price, unless the arrangement constitutes a financing transaction, where the debt instrument is measured at present value of the future payments discounted at market rates of interest. Such instruments are subsequently carried at amortised cost using the effective interest method, less any impairment.

k Financial instruments

The company only enters into basic financial instruments that result in the recognition of financial assets and liabilities like trade and other debtors and creditors.

Financial assets that are measured at cost and amortised are assessed at the end of each reporting period for objective evidence of impairment. If objective evidence of impairment is found, an impairment loss is recognised in profit and loss.

Financial assets and liabilities are offset and the net amount reported in the statement of financial position when there is an enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

I Group accounts

The company has taken advantage of the exemption conferred by Section 398 of the Companies Act 2006 not to prepare group accounts. The information presented in the financial statements relates to the company only.
