Fees and disbursements policies

Fee policy

In line with most practices, we normally calculate our fees on the basis of the time spent by each member of staff. We are prepared to calculate fees as a percentage of realisations or as a fixed fee by special arrangement only where the circumstances warrant it. Where the assignment relates to an insolvency appointment, we are normally required to obtain a resolution from creditors approving the basis of calculation.

Staff of the appropriate grades, are allocated to each task on each assignment, according to the size and complexity of the matter, and they record their time in six minute units. Where the fee is to be calculated on the basis of time spent, cost rates for each grade are then used to evaluate the fee. The effectively hourly rates are currently as follows:-

Cost per hour (£)	
Director/office holder	550
Senior Manager	465
Manager 1	415
Manager 2	365
Admin 1	295
Admin 2	265
Admin 3	245
Admin 4	175

These rates apply with apply from 1st November 2022. They are reviewed periodically, typically every 1-2 years, and could therefore increase during any particular assignment.

Expenses policy

Category 1 – no approval required

Where expenses are incurred through third parties specifically in respect of the assignment, they are recharged to the case as incurred, for example statutory advertising, external room hire, fidelity bond, rail travel and external storage. These are defined as category 1 expenses in SIP9 and approval is not required.

Category 2 – approval required

Other expenses can be recharged to the assignment based on a share or allocation of a cost that Leonard Curtis incurs centrally. These are defined as category 2 expenses in SIP 9 and approval is required. Typically such expenses and the method of allocation are as follows:-

Mileage	-	HM Revenue and Customs agreed rate
Debt collection fees	-	Details in report if charged
Leonard Curtis Legal	-	Details in report if charged
