- a. For the year ending 30 September 2015 the company was entitled to exemption under section 477 of the Companies Act 2006 relating to small companies.
- b. The members have not required the company to obtain an audit in accordance with section 476 of the Companies Act 2006.
- c. The directors acknowledge their responsibilities for complying with the requirements of the Act with respect to accounting records and the preparation of accounts.
- d. These accounts have been prepared in accordance with the provisions applicable to companies subject to the small companies regime.

Approved by the board on 29 July 2016

And signed on their behalf by:

Mr. H. M. Stewart, Director

This document was delivered using electronic communications and authenticated in accordance with the registrar's rules relating to electronic form, authentication and manner of delivery under section 1068 of the Companies Act 2006.

#### Notes to the Abbreviated Accounts

For the year ending 30 September 2015

### Accounting policies

## Basis of accounting

The financial statements have been prepared under the historical cost convention, and in accordance with applicable UK accounting standards.

#### Cash flow statement

The director has taken advantage of the exemption in Financial Reporting Standard No 1 (Revised 1996) from including a cash flow statement in the financial statements on the grounds that the company is small.

#### Turnover

The turnover shown in the profit and loss account represents amounts invoiced during the year.

#### **Fixed Assets**

All fixed assets are initially recorded at cost.

### **Financial Instruments**

Financial liabilities and equity instruments are classified according to the substance of the contractual arrangements entered into. An equity instrument is any contract that evidences a residual interest in the assets of the entity after deducting all of its financial liabilities. Where the contractual obligations of financial instruments (including share capital) are equivalent to a similar debt instrument, those financial instruments are classed as financial liabilities. Financial liabilities are presented as such in the balance sheet. Finance costs and gains or losses relating to financial liabilities are included in the profit and loss account. Finance costs are calculated so as to produce a constant rate of return on the outstanding liability. Where the contractual terms of share capital do not have any terms meeting the definition of a financial liability then this is classed as an equity instrument. Dividends and distributions relating to equity instruments are debited direct to equity.

### Depreciation

Depreciation has been provided at the following rates in order to write off the assets over their estimated useful lives.

Equipment 25% Straight line basis

# Fixed Assets

|                    | Tangible<br>Assets | Total |
|--------------------|--------------------|-------|
| Cost or valuation  | £                  | £     |
| At 01 October 2014 | 2,896              | 2,896 |
| Additions          | 1,421              | 1,421 |
