ADMINISTRATION AND PLANNING Statutory information

Statutory information may be found at Appendix I.

The Joint Liquidators are required to meet a considerable number of statutory and regulatory obligations. Whilst many of these tasks do not have a direct benefit in enhancing realisations for the insolvent estate, they assist in the efficient and compliant progressing of the administration of the case, which ensures that work is carried out to high professional standards. A detailed list of these tasks may be found in Appendix III.

The Joint Liquidators have met their statutory and regulatory duties to report to creditors, as listed below. In consideration of the need for transparency and engagement with creditors, care has been taken to ensure that reports and other communications with creditors have provided useful details of the strategies pursued and the outcomes anticipated.

During the Review Period, the following key documents have been issued:

• This progress report.

Other administration tasks

During the Review Period, the following material tasks in this category were carried out:

Case reviews.

REALISATION OF ASSETS

Detailed below is key information about asset realisation and strategy, however, more details about the work undertaken may be found at Appendix III. The Joint Liquidators formulated and worked through a realisation strategy that sought to maximise realisations net of costs. The financial benefit of those efforts is described further below.

Monies held in Agents Client Account

As mentioned in the Joint Liquidator's previous report to creditors, the Company had a number of vehicles which were all subject to Hire Purchase agreements. Prior to the appointment of the Liquidators, the Company instructed Middleton Barton Valuations (MBV) to value and dispose of the vehicles.

MBV prepared a valuation report confirming an Ex-situ Value of £9,086.00 following the settlement of the Hire Purchase Agreements. MBV received and accepted an offer for four of the vehicles totalling £22,000.00 plus VAT. Following settlement of the outstanding monies due under the Hire Purchase agreements, the sum £10,678.75 was paid to MBV to hold for the benefit of the Liquidation estate. On appointment, MBV transferred the funds held to the Liquidation estate. No further funds are to be received in this respect.

Furniture and Equipment and Plant and Machinery

As previously reported to creditors, the Joint Liquidators instructed MBV to value the Furniture and Equipment and Plant and Machinery. MBV produced a report which confirmed an Ex-Situ Valuation of

£500.00 in respect of the Furniture and Equipment and £500.00 in respect of Plant and Machinery. An offer of £1,500.00 plus VAT was received to purchase the assets, which was agreed by the Joint Liquidators. These funds have been received in full. No further funds are to be received in this respect.

Books Debts

The Directors estimated the value of the book debts to be £46,777.92. However, the Directors also advised that only a small percentage of the book value is likely to be realised based on the age of the debts.

The Joint Liquidators have taken steps to contact the debtors to recover the funds for the Liquidation Estate. To date, £1,310.78 has been received. It is not expected that any further funds will be recovered in this respect.

Cash at Bank

As previously reported, the Joint Liquidators wrote to the Company's bank on appointment and requested that the balance held be paid to the Liquidation estate. The sum of £3,944.23 was received. No further funds are expected to be received in this respect.

CREDITORS

Irrespective of whether sufficient realisations are achieved to pay a dividend to creditors, the Joint Liquidators have had to carry out key tasks which are detailed in the list at Appendix III. The following sections explain the anticipated outcomes to creditors and any distributions paid.

Secured creditors

The Company has not granted any charges over its assets.

Preferential creditors

The preferential creditor claims were estimated to amount to £796.46 in respect of employee claims for unpaid wages for the period 01 March 2019 to 18 March 2019. The relevant information for employees to submit claims was provided to the Redundancy Payments Office ("RPO") and information and help was given to employees to enable them to submit their claims online. To date, no preferential claim has been received from the RPO.

Unsecured creditors

HM Revenue and Customs ("HMRC") were scheduled on the Statement of Affairs at £4,635.80. To date, no claim has been received from HMRC.

The trade and expense creditors were scheduled on the statement of affairs at £42,913.46. To date, claims totalling £43,462.64 have been received. Please be advised that proofs of debt are still being received and therefore the total value of unsecured claims is not known at present.

Dividend prospects

Based on present information, it is unlikely that there will be sufficient funds to make a distribution to creditors.

Where a floating charge is created after 15 September 2003 a prescribed part of the company's net property shall be made available to unsecured creditors. The Company has not granted a floating charge to any creditor after 15 September 2003 and consequently there will be no prescribed part in this Liquidation.

ETHICS

Please also be advised that the Joint Liquidators are bound by the Insolvency Code of Ethics when carrying out all professional work relating to an insolvency appointment.

General ethical considerations

During the Review Period, no new threats to compliance with the Code of Ethics have been identified and the safeguards put in place to mitigate threats previously identified have been reviewed and they are effectively managing those threats.

Specialist Advice and Services

When instructing third parties to provide specialist advice and services or having the specialist services provided by the firm, the Joint Liquidators are obligated to ensure that such advice or work is warranted, and that the advice or work contracted reflects the best value and service for the work undertaken. The firm reviews annually the specialists available to provide services within each specialist area and the cost of those services to ensure best value. The specialists chosen usually have knowledge specific to the insolvency industry and, where relevant, to matters specific to this insolvency appointment. Details of the specialists specifically chosen in this matter are detailed below.

FEES AND EXPENSES Pre-Appointment Costs

A fee of £5,000.00 plus VAT was agreed and paid by the Company prior to the winding-up resolution.

The Joint Liquidators' fees

It is the firm's practice to ensure that work is conducted by the appropriate staff member at the appropriate level of experience. Junior members of staff deal with the day to day administration on cases and a manager then oversees the work undertaken. Where the issues are complex and litigious, the work will be closely supervised or undertaken by a manager.

The basis of the Joint Liquidators' fees was approved by creditors on 07 May 2019 in accordance with the following resolutions:

That the Joint Liquidator's fees be fixed by reference to the time given by them and their staff in attending to matters arising in the Liquidation, to a limit of £38,230.00, such time to be charged at the hourly charge out rate of the grade of staff undertaking the work at the time it was undertaken.

That the Joint Liquidators be authorised to recover all Category 2 disbursements, calculated on the bases detailed in Ideal Corporate Solutions Limited's Summary.

The time costs for the period 05 April 2020 to 04 April 2021 total £1,840.00, representing 15.15 hours at an average hourly rate of £121.45. The time costs for the period are detailed at Appendix IV.

The total time costs for the period 05 April 2019 to 04 April 2021 amount to £18,738.25 representing 114.61 hours at an average hourly rate of £163.50 and a comparison between the original estimate and time costs to date is given at Appendix V. To date, the sum of £16,246.79 has been drawn in this respect.

Having regard for the costs that are likely to be incurred in bringing this Liquidation to a close, the Joint Liquidators consider that:

- the original fees estimate is unlikely to be exceeded; and
- the original expenses estimate is unlikely to be exceeded.

Expenses

An amended Statement of Insolvency Practice (SIP), SIP 9, was issued on 1 April 2021. The amended SIP 9 has changed some of the terminology and introduced additional disclosure requirements. The information below may therefore not reflect the information previously provided.

The expenses, which include disbursements, that have been incurred and not yet paid during the period are detailed on Appendix VI. Also included in Appendix VI is a comparison of the expenses incurred in the Liquidation as a whole with the original expenses estimate.

The category 1 expenses paid for in the period 05 April 2020 to 04 April 2021 total £18.83 and are detailed at Appendix VI and represent payments to parties not associated with the firm, who have provided services or goods for the administration of the assignment. The Category 1 expenses have been paid in full.

The category 2 expenses for the period 05 April 2020 to 04 April 2021 total £0.45. The basis of calculation of this category of expense was disclosed to creditors prior to their approval, which was given on 07 May 2019, and are also detailed at Appendix III. The Category 2 expenses have been paid in full.

Information about this insolvency process may be found on the R3 website at http://www.creditorinsolvencyguide.co.uk/. A copy of 'A Creditors' Guide to Fees' together with the firm's charge-out rate and disbursement policy may be found at www.idealcs.co.uk/resources.
