NOTES TO THE ACCOUNTS
YEAR ENDED 23 NOVEMBER 2014

1. ACCOUNTING POLICIES

Basis of accounting

The accounts have been prepared under the historical cost convention, and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008).

Cash flow statement

The company has taken advantage of the exemption in Financial Reporting Standard 1 'Cash Flow Statements' from the requirement to produce a cash flow statement on the grounds that it is a small company.

Turnover

Turnover relates to the production of the film entitled "Honour". It represents the value of the work done in the period, including estimates of the amounts not invoiced and is stated after trade discounts, other taxes and net of VAT.

The value of work done in relation to long-term contracts and continuing services is determined by reference to the stage of completion of the relevant project.

Foreign currencies

Assets and liabilities in foreign currencies are translated into sterling at the rates of exchange ruling at the balance sheet date. Transactions in foreign currencies are translated into sterling at the rate of exchange ruling at the date of the transaction. Exchange differences are taken into account in arriving at the operating profit.

Financial instruments

Financial liabilities and equity instruments are classified according to the substance of the contractual arrangements entered into. An equity instrument is any contract that evidences a residual interest in the assets of the entity after deducting all of its financial liabilities.

2. OPERATING PROFIT
