Variation

Any capitalised defined terms are as defined in the company's articles of the association unless otherwise defined herein. Voting each holder of a C Ordinary share is entitled to vote per C Ordinary share of which it is a holder. Return of the capital on a return of assets on a liquidation or capital reduction or similar, the assets of the company remaining after the payment of its liabilities shall be distributed amongst the holders of shares (pari passu as if the same constituted one class of shares) in proportion to the amounts paid up or credited as paid up in relation to the nominal value only of the shares held by them respectively.
(see continuation page for further rights)

Notice of particulars of variation of rights attached to shares

3 Details of variation of rights

	Please give details of the variation of rights attached to shares.	
Variation	<p>Notwithstanding any of the foregoing in order to comply with the tax legislation no single company which is a holder of shares shall (together with any connected person) be entitled (without regard to any rights which any holder has as a loan creditor or by reason of that holder's possession of, or entitlement to acquire relevant fixed-rate preference shares) on a return of assets on a liquidation or capital reduction or otherwise (but, for the avoidance of doubt, not on sale) to receive more than 50% of the capital available for payment to all members. For those purposes the expression 'Loan Creditor' shall bear the meanings respectively given to them by Section 253 of the Tax Act and the expression "Relevant Fixed-Rate Preference Shares" shall bear the meaning given by Chapter 4, Part 6 of the Tax Act, redemption rights C Ordinary shares carry no rights for redemption. Dividends when the company has profits available for distribution in a financial year a holder of a C Ordinary share is entitled to receive a Non-Cumulative Preferential Dividend of £375 in proportion to the number of C Ordinary shares held by it cumulatively ("C Non-Cumulative Preferential Dividend"). The Non-Cumulative Preferential Dividend is to be paid contemporaneously with the A Non-Cumulative Preferential Dividend. In calculating the A Non-Cumulative Preferential Dividend, the C Non-Cumulative Preferential Dividend and the D Non-Cumulative Preferential Dividend are deducted so as to ensure the holders of C Ordinary shares and D Ordinary shares are given priority above the holders of A Ordinary shares. once the A, C and D Non-Cumulative Preferential Dividends have been paid, each holder of a C Ordinary share together with the holders of all the other shares shall be entitled to the remaining balance of distributable profits on a parri passu as the A Ordinary shares, B Ordinary shares, C Ordinary shares and D Ordinary shares constituted one class of share. Any distributable profits payable to a holder of a C Ordinary share will be payable by the company on the tenth day after the 25th June, 25th September, 27th December and 25th March (or if that day is a Saturday or Sunday or a day on which banks are not open in London for normal business banking on the next following day which is neither a Saturday or Sunday and on which banks are so open). Notwithstanding the above, the distributable profits payable to a holder of a C Ordinary share shall be capped at an amount no greater than 50% of the profits distributed by the company</p>
