**SMALL COMPANY EXEMPTION**

In preparing this report, the Directors have taken advantage of the small companies exemptions provided by section 414B of the Companies Act 2006 not to provide a Strategic Report.

**STATEMENT OF DIRECTORS' RESPONSIBILITIES**

The directors are responsible for preparing the Report of the Directors and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law they have elected to prepare the financial statements in accordance with International Financial Reporting Standards (IFRS) as adopted by the European Union and applicable law.

Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the director is required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They have general responsibility for taking such steps as are reasonably open to them to safeguard the assets of the company and to prevent and detect fraud and other irregularities.

**3. ACCOUNTING POLICIES**

**Basis of preparation**

The company financial statements have been prepared and approved by the directors in accordance with International Financial Reporting Standards as adopted by the EU ("Adopted IFRSs").

The accounting policies set out below have, unless otherwise stated, been applied consistently to all periods presented in these financial statements.

**Measurement convention**

The financial statements have been prepared under the historical cost convention.

**Financial instruments**

Financial instruments recognised on the balance sheet include cash and cash equivalents and other financial liabilities.

**Initial recognition and measurement**

Financial assets and financial liabilities are recognised on the balance sheet when the company becomes party to the contractual provisions of the instrument. Financial instruments are initially recorded at fair value plus, in the case of a financial asset or financial liability not at fair value through profit or loss, directly attributable transaction costs. Subsequent measurement and impairment for each classification is specified in the sections below.

All normal way purchases and sales of financial assets are recognised on the trade date i.e. the date that the company commits to purchase or sell the financial assets.

**Taxation**

Current taxes are based on the results shown in the financial statements and are calculated according to local tax rules, using tax rates enacted or substantially enacted by the statement of financial position date.

**Equity**

Equity comprises the following

- "Share capital" represents the nominal value of ordinary equity shares.
- "Retained earnings" include all current results as disclosed in the income statement.
