TRUSTEES

Method of Recruitment and Appointment or Election of Trustees

The Articles allow for:

- up to 8 Trustees
- the Chief Executive Officer
- a minimum of 2 Parent Trustees elected or appointed in the event that no Local Governing Bodies are established or if no provision is made for at least 2 Parent Local Governors on each established Local Governing Body

The term of office for any Trustee shall be four years, save that this time limit shall not apply to any post which is held ex officio. Subject to remaining eligible to be a particular type of Trustee, any Trustee may be re-appointed or re-elected.

With regard to the appointment of Trustees, the Board gives consideration to the skills mix of the Trustees to ensure that the Board has the necessary skills to contribute to the development of the Academies.

Policies and Procedures Adopted for the Induction and Training of Trustees

The training and induction provided for new Trustees and Local Governors will depend upon their existing experience but would always include a tour of the Academy (or Academies) and a chance to meet staff and pupils. All Trustees and Local Governors are provided with copies of policies, procedures, minutes, accounts, budgets, plans and other documents that they will need to undertake their role as Trustees and Local Governors. Induction tends to be done informally and is tailored specifically to the individual. Advantage is taken of specific courses offered by the Local Authority and other bodies.

Local Governing Body Self Evaluation sessions are organised each year with training sessions to keep the Trustees and Local Governors updated on relevant developments impacting on their roles and responsibilities.

Organisational Structure

The Board of Trustees formally meet at least six times per academic year. Exceptional meetings can be called at any time if circumstances dictate. Quorum is one third of the membership, excluding vacancies. The Annual General Meeting is held every year and there is also a Finance and Audit Committee and a Pay & Appointments Committee.

Each school within the Academy Trust retains a Local Governing Body which meets at least 6 times per year. Local Governing Bodies have delegated authority to ensure educational progression and compliance with The Academy Trust policies and procedures.

Local Governing Bodies are specifically focused on the:

- Standard and quality of education in the Academy
- Welfare of the pupils at the Academy
- Relationship between the Academy and the local community

The Scheme of Delegation sets out the delegations and responsibilities of the Trustees, Local Governors and the Schools' Senior Leadership.

Arrangements for Setting Pay and Remuneration of Key Management Personnel

A pay panel comprising members of the Board of Trustees, plus an independent advisor meet each November to review the performance of the CEO. Headteachers pay at Bradon Forest is reviewed by the governors pay panel with the CEO. Other SLT pay at Bradon Forest School and at Malmesbury School is reviewed by the pay panel of governors and the Headteacher. The CEO with the Chair of the Governing Body reviews the pay of the leadership team at The Dean Academy. The achievement of performance targets will be considered, as will the overall performance and operation of the schools and the Academy Trust. The pay panel has the delegated authority to approve any increase in pay up to a maximum of two points on the leadership scale, within the pay range (ISR) approved for each member of the leadership team. The recommendations of the pay panel will go to the full Board of Trustees to be ratified.

STRATEGIC REPORT

Achievements and Performance

This has been a uniquely challenging year for the Athelstan Trust as for all schools in the UK; the impact of COVID-19 has caused significant disruption to our students education and challenged staff and school leaders to develop a new way of working through lockdown, the partial and ultimately full re-opening of schools. The completely unprecedented cancellation of examinations and the need for schools to submit Centre Assessed Grades (CAGs) and the subsequent confusion and policy changes around the awarding of the grades to students in the summer have been extremely difficult to manage.

During the height of the pandemic Sir William Romney's School in Tetbury joined the Trust on 1st April 2020 and staff have worked very hard to ensure that the transfer and integration of staffing, IT and Finance systems have gone smoothly. The Trust has also established a new dedicated office on the school site at Sir William Romney's.

We have also seen significant changes in School leadership across the Trust; Tom Beveridge left The Dean Academy at Easter to take up a headship in a larger school in the midlands. Declan Mooney and Emily Smith the two deputy heads at the Dean Academy stepped up to be acting heads between Easter and May ½ term when Mr Richard Brand took over as substantive headteacher.

John Barrett retired as Associate headteacher at Malmesbury School after 23 years distinguished service to the school and to the Trust as a whole. Rupert Moreton was appointed as Headteacher with effect from 1st September 2020. Tim Gilson is now working as CEO and Executive Headteacher across the Trust.

As part of the Trust growth Plan we have now received the Headteacher board decision and working towards Chipping Sodbury School joining the Trust.

We have successfully launched the Bradon Forest/Malmesbury School Sixth Form collaboration with a small group of students starting in September 2020.

During the school year 2019/20 we have been focussing on building our central Trust Team capacity and had a significant re-organisation of the central finance team with the appointment of a Trust management accountant post and the integration of all the finance function through the use of the Sage finance package.

We have also appointed two Lead practitioners in English and Maths to work across all the schools in the Trust to support teaching and learning improvements, they start with effective from September 2020.

Avon Teaching School Alliance (TSA)

The Avon TSA continues to be highly successful and has new leadership from Sarah Haines and Sian Jones.

The Steering Group for the Avon TSA has the following strategic partners: Sheldon School, Hardenhuish School and Sir William Romney's School are secondary partners, Trinity CE Primary, Acton Turville and Malmesbury Primary are primary partners, Bristol University and Bath Spa University are university partners.

Other schools within the Alliance are The Dean Academy, Bradon Forest School, Chipping Sodbury School and Katharine Lady Berkley's School. We work collaboratively with The Mead TSA in Trowbridge.

**TRUSTEES' REPORT (CONTINUED)
FOR THE YEAR ENDED 31 AUGUST 2020**

The Teaching School has continued to offer high quality CPD opportunities across the Athelstan Trust, the TSA, and to schools further afield in the region and nationally.

Courses have included:

- National Professional Qualification for Executive Leadership
- Creative Teacher programme
- Outstanding Teacher programme
- Outstanding Teaching Assistant programme
- Physics Teacher Subject Specialism Training (TSST)
- Maths TSST
- Spanish TSST
- French TSST
- Primary Science training and network meetings
- CLEAPSS courses
- Subject Leader meetings
- 'Developing Expertise in' science courses
- Whole School SEND

Extensive School to School support has been offered to Chipping Sodbury School which includes leadership, governance and subject specific support.

In addition, the Teaching School facilitates Leading SENCO Support Programme throughout Wiltshire in collaboration with The Mead TSA.

A successful Sport England bid is also co-ordinated by AvonTSA for 8 secondary schools within our Alliance and local area.

Key Performance Indicators

The main financial performance indicator is the level of total reserves (general unrestricted and GAG) held at the Balance Sheet date. In 2019/20 £1,510,420 was carried forward.

Another key financial performance indicator is staffing costs as a percentage of GAG. For 2019/20 this was 98% (2019: 95%).

Going Concern

After making appropriate enquiries, the board of trustees has a reasonable expectation that the Academy Trust has adequate resources to continue in operational existence for the foreseeable future. For this reason it continues to adopt the going concern basis in preparing the financial statements. Further details regarding the adoption of the going concern basis can be found in the Going concern policy.

FINANCIAL REVIEW

Financial Review

The bulk of the Academy Trust's income is obtained from the DfE via the ESFA in the form of recurrent grants, the use of which is restricted to particular purposes. The grants received from the DfE during the year ended 31 August 2020 and the associated expenditure are shown as Restricted Funds in the Statement of Financial Activities.

**THE ATHELSTAN TRUST
(A COMPANY LIMITED BY GUARANTEE)**

**TRUSTEES' REPORT (CONTINUED)
FOR THE YEAR ENDED 31 AUGUST 2020**

During the year ended 31 August 2020, total expenditure of £19,281,725 was covered by recurrent grant funding from the DfE and local authorities, together with other incoming resources of £23,416,331. Included within the incoming resources this year are donations from the transfer of an existing academy totalling £4,842,173. The excess of income over expenditure for the year was £4,134,606. Excluding pension movements of £1,827,000 and the surplus on capital funding of £5,444,474, this results in an operating surplus for the year of £517,132. This is the movement on "free reserves" which is defined as unrestricted funds and revenue restricted funds (excluding pension reserve and capital funds) and totalled £1,545,552 at the balance sheet date.

Malmesbury School is part of a three school PFI agreement. As a result the premises, grounds and most of the fixed assets belong to White Horse Education Partnership and G4S. For the few fixed assets owned by the school the Restricted Fixed Asset fund balance is reduced by annual depreciation charges over the useful life of the assets concerned, as defined in the Academy's financial policies. Bradon Forest School and The Dean Academy both hold full fixed asset registers with annual depreciation in line with Academy Trust policy.

The Academy Trust has taken on the deficit in the Local Government Pension Scheme in respect of its non teaching staff transferred on conversion. The deficit is incorporated within the Statement of Financial Activities with details in Note 25 to the financial statements.

Reserves Policy

The Trustees review the reserve levels of the Academy annually. This review encompasses the nature of income and expenditure streams, the need to match income with commitments and the nature of reserves. The Trustees take into consideration the future plans of the Academy, the uncertainty over future income streams and other key risks identified during the risk review.

The Trustees have determined that the appropriate level of free reserves should be approximately £1,500,000 which roughly equates to one month's expenditure for the Trust. The reason for this is to provide a cushion against a fall in pupil numbers and to allow for any development works. Total reserves of the academy amount to £21,064,242, although £19,553,822 of this is invested in fixed assets or represents non GAG restricted funds. The remaining £1,510,420 (representing £1,126,082 unrestricted funds and £384,338 unspent GAG) is the balance that the Trustees monitor in accordance with the Board's reserve policy. The reserve of the funds over planned reserves is money put aside to cover projected deficits.

Investment Policy

All funds surplus to immediate requirements are invested to optimal effect. Where cash flow allows reserves of over £100,000 have historically been transferred to a Treasury Deposit account. Trustees are committed to ensuring that all funds under their control are managed in such a way as to maximise return whilst minimising risk. Any cash not required for operating expenses may be placed on deposit at the most favourable rate available from providers covered by the Financial Services Compensation Scheme. Day to day management of the surplus funds is delegated to the CEO and CFO within strict guidelines approved by the Board of Trustees. Current interest rates are such that monies are earning as much in the current account by keeping the balance high as they would moving elements onto deposit.

Principal Risks And Uncertainties

The Board of Trustees has reviewed the major risks to which the Academy Trust is exposed together with the operating, financial and compliance controls that have been implemented to mitigate those risks.

The principal risks and uncertainties facing the Academy are as follows:

Financial - the MAT has considerable reliance on continued Government funding through the ESFA. In the last year, 93% of incoming resources were ultimately Government funded and whilst this level is expected to continue, there is no assurance that Government policy or practice will remain the same or that public funding will continue at the same levels or on the same terms.

**THE ATHELSTAN TRUST
(A COMPANY LIMITED BY GUARANTEE)**

**TRUSTEES' REPORT (CONTINUED)
FOR THE YEAR ENDED 31 AUGUST 2020**

Failures in governance and/or management - the risk in this area arises from potential failure to effectively manage the finances of the Academy Trust, internal controls, compliance with regulations and legislation, statutory returns, etc. The Trustees continue to review and ensure that appropriate measures are in place to mitigate these risks.

Reputational - the continuing success of the MAT is dependent on continuing to attract staff and pupils in sufficient numbers by maintaining the highest educational standards. To mitigate this risk Trustees ensure that pupil success and achievement are closely monitored and reviewed. This is an area of particular risk at The Dean Academy; the Trustees are ensuring that resources are being targeted to improve results and meet Ofsted requirements.

Safeguarding and child protection - the Trustees continue to ensure that the highest standards are maintained in the areas of selection and monitoring of staff, the operation of child protection policies and procedures, health & safety and discipline.

Staffing - the success of the MAT is reliant upon the quality of its staff and so the Trustees monitor and review policies and procedures to ensure continued development and training of staff as well as ensuring there is clear succession planning.

Fraud and mismanagement of funds - The Academy Trust buys into the Wiltshire Financial Assurance offer to provide external assurance and routine checks. The CFO also carries out spot checks on financial systems and records. All finance staff receive training to keep them up to date with financial practice requirements and develop their skills in this area.

The MAT has continued to strengthen its risk management process throughout the year by improving the process and ensuring staff awareness. A risk register is maintained and reviewed and updated on a regular basis.

As a PFI school, Malmesbury School, with a multi party contract; risk with regard to assets is minimised, financial risk arises from a situation arising where PFI payments could not be met. The Trustees are aware of these costs and they are accounted for fully in the budget planning. The Asset registers at The Dean Academy and Bradon Forest are complete and the values kept under review.

The Board of Trustees recognises that the defined benefit pension scheme deficit (Local Government Pension Scheme), which is set out in Note 24 to the financial statements, represents a significant potential liability. However as the Trustees consider that the Academy Trust is able to meet its known annual contribution commitments for the foreseeable future, the risk from this liability is minimised.

PLANS FOR FUTURE PERIODS

The Academy Trust will continue to strive to provide outstanding education and improve the levels of performance of its pupils at all levels. The Academy Trust will continue to aim to attract high quality teachers and support staff in order to deliver its objectives:

The schools within the Academy Trust will continue to work with partner schools to improve the educational opportunities for pupils in the wider community. The establishment of the Academy Trust is ongoing and the development of the Avon Teaching Schools Alliance based at Malmesbury School is a strategic priority.

FUNDS HELD AS CUSTODIAN TRUSTEE ON BEHALF OF OTHERS

The Academy Trust and its Trustees do not act as the Custodian Trustees of any other Charity.

For Disabled Employees

The Athelstan Trust is an Equal Opportunities Employer, and works in conjunction with the Equality Act 2010 and supports disabled people including those with long term health conditions, learning disabilities and so called "hidden" disabilities such as dyslexia. The Academy Trust also supports disabled employees by following the Managing Employee Health, Wellbeing and Attendance Procedure in Academies. This policy ensures that the Academy Trust works with Occupational Health in order to support all disabilities with internal training programmes and career development.

For Employee Consultation

The leadership team plans all potential developmental changes for the Federation and works in partnership with all stakeholders which includes employees, unions, governors and senior members of staff to communicate and support the Trust with all workforce changes.

GOVERNANCE STATEMENT

SCOPE OF RESPONSIBILITY

As Trustees, we acknowledge we have overall responsibility for ensuring that The Athelstan Trust has an effective and appropriate system of control, financial and otherwise. However, such a system is designed to manage rather than eliminate the risk of failure to achieve business objectives, and can provide only reasonable and not absolute assurance against material misstatement or loss.

As Trustees, we have reviewed and taken account of the guidance in DfE's Governance Handbook and competency framework for governance.

The Board of Trustees has delegated the day-to-day responsibility to the Chief Executive, as accounting officer, for ensuring financial controls conform with the requirements of both propriety and good financial management and in accordance with the requirements and responsibilities assigned to it in the funding agreement between The Athelstan Trust and the Secretary of State for Education. They are also responsible for reporting to the board of Trustees any material weaknesses or breakdowns in internal control.

GOVERNANCE

The information on governance included here supplements that described in the Trustees' Report and in the Statement of Trustees' Responsibilities. The Board of Trustees has formally met 5 times during the year (2 of these were held virtually via Microsoft Teams).

GOVERNANCE STATEMENT (CONTINUED)

REVIEW OF VALUE FOR MONEY

As Accounting Officer, the Chief Executive has responsibility for ensuring that the Academy Trust delivers good value in the use of public resources. The Accounting Officer understands that value for money refers to the educational and wider societal outcomes achieved in return for the taxpayer resources received.

The Accounting Officer considers how the Academy Trust's use of its resources has provided good value for money during each academic year, and reports to the Board of Trustees where value for money can be improved, including the use of benchmarking data where appropriate. The Accounting Officer for the Academy Trust has delivered improved value for money during the year by investigating economies of scale across the Trust particularly in relation to external contracts. Utility contracts at Bradon Forest and The Dean Academy are through Zenengi and prices are kept under review in this competitive market. A fixed price 2 year agreement has been put in place for payroll provision across the Trust and a single HR contract has been agreed; both agreements have resulted in cost savings.

THE PURPOSE OF THE SYSTEM OF INTERNAL CONTROL

The system of internal control is designed to manage risk to a reasonable level rather than to eliminate all risk of failure to achieve policies, aims and objectives. It can, therefore, only provide reasonable and not absolute assurance of effectiveness. The system of internal control is based on an on-going process designed to identify and prioritise the risks to the achievement of Academy Trust policies, aims and objectives, to evaluate the likelihood of those risks being realised and the impact should they be realised, and to manage them efficiently, effectively and economically. The system of internal control has been in place in The Athelstan Trust for the year 1 September 2019 to 31 August 2020 and up to the date of approval of the annual report and financial statements.

CAPACITY TO HANDLE RISK

The Board of Trustees has reviewed the key risks to which the Academy Trust is exposed together with the operating, financial and compliance controls that have been implemented to mitigate those risks. The Board of Trustees is of the view that there is a formal ongoing process for identifying, evaluating and managing the Academy Trust's significant risks that has been in place for the year 1 September 2019 to 31 August 2020 and up to the date of approval of the annual report and financial statements. This process is regularly reviewed by the Board of Trustees.

THE RISK AND CONTROL FRAMEWORK

The Academy Trust's system of internal financial control is based on a framework of regular management information and administrative procedures including the segregation of duties and a system of delegation and accountability. In particular, it includes:

- comprehensive budgeting and monitoring systems with an annual budget and periodic financial reports which are reviewed and agreed by the Board of Trustees
- regular reviews by the Trustees of reports which indicate financial performance against the forecasts and of major purchase plans, capital works and expenditure programmes
- setting targets to measure financial and other performance
- clearly defined purchasing (asset purchase or capital investment) guidelines
- delegation of authority and segregation of duties
- identification and management of risks

The Financial Controls Assurance (FCA) reporting service is purchased from Wiltshire Council. The FCA's role includes giving advice on financial matters and performing a range of checks on the Academy Trust's financial systems. The FCA produces four reports per year on the operation of the systems of control and on the discharge of the Trust's financial responsibilities. No matters of significance were reported during the year.

REVIEW OF EFFECTIVENESS

As Accounting Officer, the Chief Executive has responsibility for reviewing the effectiveness of the system of internal control. During the year in question the review has been informed by:

- the work of the external auditors;
- the financial management and FCA self assessment process;
- the work of the external auditors;
- the work of the executive managers within the Academy Trust who have responsibility for the development and maintenance of the internal control framework.

The Accounting Officer has been advised of the implications of the result of their review of the system of internal control by the Audit Committee and a plan to address weaknesses and ensure continuous improvement of the system is in place.

STATEMENT OF TRUSTEES' RESPONSIBILITIES
FOR THE YEAR ENDED 31 AUGUST 2020

The Trustees (who are also the directors of the charitable company for the purposes of company law) are responsible for preparing the Trustees' Report and the financial statements in accordance with the Academies Accounts Direction published by the Education and Skills Funding Agency, United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) and applicable law and regulations.

Company law requires the Trustees to prepare financial statements for each financial year. Under company law, the Trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and of its incoming resources and application of resources, including its income and expenditure, for that period. In preparing these financial statements, the Trustees are required to:

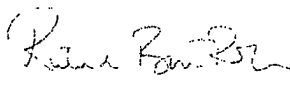

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles of the Charities SORP 2019 and the Academies Accounts Direction 2019 to 2020;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charitable company's transactions and disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Trustees are responsible for ensuring that in its conduct and operation the charitable company applies financial and other controls, which conform with the requirements both of propriety and of good financial management. They are also responsible for ensuring grants received from ESFA/DfE have been applied for the purposes intended.

The Trustees are responsible for the maintenance and integrity of the corporate and financial information included on the charitable company's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

**INDEPENDENT AUDITORS' REPORT ON THE FINANCIAL STATEMENTS TO THE MEMBERS OF THE
ATHELSTAN TRUST**

OPINION

We have audited the financial statements of The Athelstan Trust (the 'Academy Trust') for the year ended 31 August 2020 which comprise the Statement of Financial Activities, the Balance Sheet, the Statement of Cash Flows and the related notes, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law, United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including FRS 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland', the Charities SORP 2019 and the Academies Accounts Direction 2019 to 2020 issued by the Education and Skills Funding Agency.

In our opinion the financial statements:

- give a true and fair view of the state of the Academy Trust's affairs as at 31 August 2020 and of its incoming resources and application of resources, including its income and expenditure for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006, the Charities SORP 2019 and the Academies Accounts Direction 2019 to 2020 issued by the Education and Skills Funding Agency.

BASIS FOR OPINION

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We are independent of the Academy Trust in accordance with the ethical requirements that are relevant to our audit of the financial statements in the United Kingdom, including the Financial Reporting Council's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

CONCLUSIONS RELATING TO GOING CONCERN

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the Trustees' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the Trustees have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the Academy Trust's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

ATHELSTAN TRUST (CONTINUED)**

OTHER INFORMATION

The Trustees are responsible for the other information. The other information comprises the information included in the Annual Report, other than the financial statements and our Auditors' Report thereon. Other information includes the Trustees' Report including the Strategic Report, the Governance Statement and the Accounting Officer's Statement. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

OPINION ON OTHER MATTERS PRESCRIBED BY THE COMPANIES ACT 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Trustees' Report including the Strategic Report for the financial year for which the financial statements are prepared is consistent with the financial statements.
- the Trustees' Report and the Strategic Report have been prepared in accordance with applicable legal requirements.

MATTERS ON WHICH WE ARE REQUIRED TO REPORT BY EXCEPTION

In the light of our knowledge and understanding of the Academy Trust and its environment obtained in the course of the audit, we have not identified material misstatements in the Trustees' Report including the Strategic Report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of Trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

ATHELSTAN TRUST (CONTINUED)**

RESPONSIBILITIES OF TRUSTEES

As explained more fully in the Trustees' Responsibilities Statement, the Trustees (who are also the directors of the Academy Trust for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the Trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Trustees are responsible for assessing the Academy Trust's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Trustees either intend to liquidate the Academy Trust or to cease operations, or have no realistic alternative but to do so.

AUDITORS' RESPONSIBILITIES FOR THE AUDIT OF THE FINANCIAL STATEMENTS

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditors' Report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our Auditors' Report.

USE OF OUR REPORT

This report is made solely to the Academy Trust's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the Academy Trust's members those matters we are required to state to them in an Auditors' Report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Academy Trust and its members, as a body, for our audit work, for this report, or for the opinions we have formed.

**INDEPENDENT REPORTING ACCOUNTANT'S ASSURANCE REPORT ON REGULARITY TO THE
ATHELSTAN TRUST AND THE EDUCATION & SKILLS FUNDING AGENCY**

In accordance with the terms of our engagement letter dated 22 September 2017 and further to the requirements of the Education and Skills Funding Agency (ESFA) as included in the Academies Accounts Direction 2019 to 2020, we have carried out an engagement to obtain limited assurance about whether the expenditure disbursed and income received by The Athelstan Trust during the year 1 September 2019 to 31 August 2020 have been applied to the purposes identified by Parliament and the financial transactions conform to the authorities which govern them.

This report is made solely to The Athelstan Trust and ESFA in accordance with the terms of our engagement letter. Our work has been undertaken so that we might state to The Athelstan Trust and ESFA those matters we are required to state in a report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than The Athelstan Trust and ESFA, for our work, for this report, or for the conclusion we have formed.

**RESPECTIVE RESPONSIBILITIES OF THE ATHELSTAN TRUST'S ACCOUNTING OFFICER AND
THE REPORTING ACCOUNTANT**

The accounting officer is responsible, under the requirements of The Athelstan Trust's funding agreement with the Secretary of State for Education dated 17 August 2011 and the Academies Financial Handbook, extant from 1 September 2019, for ensuring that expenditure disbursed and income received is applied for the purposes intended by Parliament and the financial transactions conform to the authorities which govern them.

Our responsibilities for this engagement are established in the United Kingdom by our profession's ethical guidance and are to obtain limited assurance and report in accordance with our engagement letter and the requirements of the Academies Accounts Direction 2019 to 2020. We report to you whether anything has come to our attention in carrying out our work which suggests that in all material respects, expenditure disbursed and income received during the year 1 September 2019 to 31 August 2020 have not been applied to purposes intended by Parliament or that the financial transactions do not conform to the authorities which govern them.

APPROACH

We conducted our engagement in accordance with the Academies Accounts Direction 2019 to 2020 issued by ESFA. We performed a limited assurance engagement as defined in our engagement letter.

The objective of a limited assurance engagement is to perform such procedures as to obtain information and explanations in order to provide us with sufficient appropriate evidence to express a negative conclusion on regularity.

A limited assurance engagement is more limited in scope than a reasonable assurance engagement and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in a reasonable assurance engagement. Accordingly, we do not express a positive opinion.

Our engagement includes examination, on a test basis, of evidence relevant to the regularity and propriety of the Academy Trust's income and expenditure.

Our work on regularity included a review of the internal controls policies and procedures that have been implemented and an assessment of their design and effectiveness to understand how the academy complied with the framework of authorities. We also reviewed the reports commissioned by the trustees to assess the internal controls throughout the year.

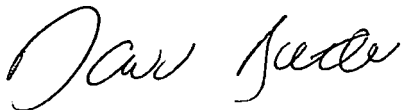

We performed detailed testing based on our assessment of the risk of material irregularity, impropriety and non-compliance. This work was integrated with our audit on the financial statements where appropriate and included analytical review and detailed substantive testing of transactions.

**INDEPENDENT REPORTING ACCOUNTANT'S ASSURANCE REPORT ON REGULARITY TO THE
ATHELSTAN TRUST AND THE EDUCATION & SKILLS FUNDING AGENCY (CONTINUED)**

CONCLUSION

In the course of our work, nothing has come to our attention which suggest in all material respects the expenditure disbursed and income received during the year 1 September 2019 to 31 August 2020 has not been applied to purposes intended by Parliament and the financial transactions do not conform to the authorities which govern them.

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 AUGUST 2020**

1. ACCOUNTING POLICIES

A summary of the principal accounting policies adopted (which have been applied consistently, except where noted), judgements and key sources of estimation uncertainty, is set out below.

1.1 BASIS OF PREPARATION OF FINANCIAL STATEMENTS

The financial statements of the Academy Trust have been prepared under the historic cost convention in accordance with the Financial Reporting Standard Applicable in the UK and Republic of Ireland (FRS 102), the Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)), the Academies Accounts Direction 2019 to 2020 issued by ESFA, the Charities Act 2011 and the Companies Act 2006.

The Athelstan Trust meets the definition of a public benefit entity under FRS 102.

1.2 GOING CONCERN

The Trustees assess whether the use of going concern is appropriate i.e. whether there are any material uncertainties related to events or conditions that may cast significant doubt on the ability of the Academy Trust to continue as a going concern. The Trustees make this assessment in respect of a period of at least one year from the date of authorisation for issue of the financial statements and have concluded that the Academy Trust has adequate resources to continue in operational existence for the foreseeable future and there are no material uncertainties about the Academy Trust's ability to continue as a going concern, thus they continue to adopt the going concern basis of accounting in preparing the financial statements.

**THE ATHELSTAN TRUST
(A COMPANY LIMITED BY GUARANTEE)**

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 AUGUST 2020**

1. ACCOUNTING POLICIES (continued)

1.3 INCOME

All incoming resources are recognised when the Academy Trust has entitlement to the funds, the receipt is probable and the amount can be measured reliably.

• **Grants**

Grants are included in the Statement of Financial Activities on a receivable basis. The balance of income received for specific purposes but not expended during the period is shown in the relevant funds on the Balance Sheet. Where income is received in advance of meeting any performance-related conditions there is not unconditional entitlement to the income and its recognition is deferred and included in creditors as deferred income until the performance-related conditions are met. Where entitlement occurs before income is received, the income is accrued.

General Annual Grant is recognised in full in the Statement of Financial Activities in the year for which it is receivable and any abatement in respect of the year is deducted from income and recognised as a liability.

Capital grants are recognised in full when there is an unconditional entitlement to the grant. Unspent amounts of capital grants are reflected in the Balance Sheet in the restricted fixed asset fund. Capital grants are recognised when there is entitlement and are not deferred over the life of the asset on which they are expended.

• **Donations**

Donations are recognised on a receivable basis (where there are no performance-related conditions) where the receipt is probable and the amount can be reliably measured.

Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

Other income, including the hire of facilities is recognised in the period in which it is receivable and to the extent the goods have been provided or on completion of the service.

• **Transfer of existing academies into the Academy Trust**

Where assets and liabilities are received on the transfer of an existing academy into the Academy Trust, the transferred assets are measured at fair value and recognised in the Balance Sheet at the point when the risks and rewards of ownership pass to the Academy Trust. An equal amount of income is recognised for the transfer of an existing academy into the Academy Trust within 'Income from Donations and Capital Grants' to the net assets acquired.

1.4 EXPENDITURE

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use.

• **Charitable activities**

These are costs incurred on the Academy Trust's educational operations, including support costs and costs relating to the governance of the Academy Trust apportioned to charitable activities.

**THE ATHELSTAN TRUST
(A COMPANY LIMITED BY GUARANTEE)**

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 AUGUST 2020**

1. ACCOUNTING POLICIES (continued)

1.4 EXPENDITURE (CONTINUED)

All resources expended are inclusive of irrecoverable VAT.

1.5 TAXATION

The Academy Trust is considered to pass the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes.

Accordingly, the Academy Trust is potentially exempt from taxation in respect of income or capital gains received within categories covered by Part 11, chapter 3 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

1.6 TANGIBLE FIXED ASSETS

Assets costing £1,000 or more are capitalised as tangible fixed assets and are carried at cost, net of depreciation and any provision for impairment.

Where tangible fixed assets have been acquired with the aid of specific grants, either from the government or from the private sector, they are included in the Balance Sheet at cost and depreciated over their expected useful economic life. Where there are specific conditions attached to the funding requiring the continued use of the asset, the related grants are credited to a restricted fixed asset fund in the Statement of Financial Activities and carried forward in the Balance Sheet. Depreciation on the relevant assets is charged directly to the restricted fixed asset fund in the Statement of Financial Activities. Where tangible fixed assets have been acquired with unrestricted funds, depreciation on such assets is charged to the unrestricted fund.

Depreciation is provided on all tangible fixed assets other than freehold land and assets under construction, at rates calculated to write off the cost of each asset on a straight-line basis over its expected useful life, as follows:

Depreciation is provided on the following bases:

Freehold property	- 2% straight line
Plant and other machinery	- 15%-20% straight line
Motor vehicles	- 10% straight line

Freehold land is not depreciated.

A review for impairment of a fixed asset is carried out if events or changes in circumstances indicate that the carrying value of any fixed asset may not be recoverable. Shortfalls between the carrying value of fixed assets and their recoverable amounts are recognised as impairments. Impairment losses are recognised in the Statement of Financial Activities.

1.7 DEBTORS

Trade and other debtors with no stated interest rate and due within one year are recorded at the amount of the cash or other consideration expected to be received. Prepayments are valued at the amount paid.

**THE ATHELSTAN TRUST
(A COMPANY LIMITED BY GUARANTEE)**

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 AUGUST 2020**

1. ACCOUNTING POLICIES (continued)

1.8 CASH AT BANK AND IN HAND

Cash at bank and in hand includes cash and short-term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account and cash on deposit or similar account and cash on deposit that has a notice period of less than 30 days.

1.9 LIABILITIES

Liabilities are recognised when there is an obligation at the Balance Sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably. Liabilities are recognised at the amount that the Academy Trust anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide.

1.10 OPERATING LEASES

Rentals paid under operating leases are charged to the Statement of Financial Activities on a straight line basis over the lease term.

1.11 PENSIONS

Retirement benefits to employees of the Academy Trust are provided by the Teachers' Pension Scheme ("TPS") and the Local Government Pension Scheme ("LGPS"). These are defined benefit schemes.

The TPS is an unfunded scheme and contributions are calculated so as to spread the cost of pensions over employees' working lives with the Academy Trust in such a way that the pension cost is a substantially level percentage of current and future pensionable payroll. The contributions are determined by the Government Actuary on the basis of quadrennial valuations using a prospective unit credit method. TPS is an unfunded multi-employer scheme with no underlying assets to assign between employers. Consequently, the TPS is treated as a defined contribution scheme for accounting purposes and the contributions recognised in the period to which they relate.

The LGPS is a funded multi-employer scheme and the assets are held separately from those of the Academy Trust in separate trustee administered funds. Pension scheme assets are measured at fair value and liabilities are measured on an actuarial basis using the projected unit credit method and discounted at a rate equivalent to the current rate of return on a high quality corporate bond of equivalent term and currency to the liabilities. The actuarial valuations are obtained at least triennially and are updated at each Balance Sheet date. The amounts charged to operating surplus are the current service costs and the costs of scheme introductions, benefit changes, settlements and curtailments. They are included as part of staff costs as incurred. Net interest on the net defined benefit liability/asset is also recognised in the Statement of Financial Activities and comprises the interest cost on the defined benefit obligation and interest income on the scheme assets, calculated by multiplying the fair value of the scheme assets at the beginning of the period by the rate used to discount the benefit obligations. The difference between the interest income on the scheme assets and the actual return on the scheme assets is recognised in other recognised gains and losses.

Actuarial gains and losses are recognised immediately in other recognised gains and losses.

(A COMPANY LIMITED BY GUARANTEE)**

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 AUGUST 2020**

1. ACCOUNTING POLICIES (continued)

1.12 PFI AGREEMENT

The Academy Trust occupies buildings at Malmesbury School which are subject to a PFI agreement between the White Horse Education Partnership and Wiltshire Council. The Academy Trust pays revenue contributions in respect of facilities management. The contract will expire in 2033. The Academy Trust does not have any rights or obligations of ownership in respect of these assets, and therefore they are not included on the Academy Trust's Balance Sheet. The revenue payment for service is included in the Statement of Financial Activities.

1.13 AGENCY ARRANGEMENTS

The Academy Trust acts as an agent in distributing 16-19 bursary funds from the ESFA and funds from the Dyson Foundation for scholarship pupils. Payments received from the ESFA and the Dyson Foundation are excluded from the Statement of Financial Activities, along with any subsequent disbursements to pupils, as the Academy Trust does not have control over the charitable application of the funds. The Academy Trust can use up to 5% of the allocation towards its own administration costs and this element is recognised in the Statement of Financial Activities.

1.14 FUND ACCOUNTING

Unrestricted income funds represent those resources which may be used towards meeting any of the charitable objects of the Academy Trust at the discretion of the Trustees.

Restricted fixed asset funds are resources which are to be applied to specific capital purposes imposed by the funders where the asset acquired or created is held for a specific purpose.

Restricted general funds comprise all other restricted funds received with restrictions imposed by the funder/donor and include grants from the Department for Education Group.

Investment income, gains and losses are allocated to the appropriate fund.

2. CRITICAL ACCOUNTING ESTIMATES AND AREAS OF JUDGEMENT

Estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

Critical accounting estimates and assumptions:

The Academy Trust makes estimates and assumptions concerning the future. The resulting accounting estimates and assumptions will, by definition, seldom equal the related actual results. The estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are discussed below.

The present value of the Local Government Pension Scheme defined benefit liability depends on a number of factors that are determined on an actuarial basis using a variety of assumptions. The assumptions used in determining the net cost or income for pensions include the discount rate. Any changes in these assumptions, which are disclosed in note 24, will impact the carrying amount of the pension liability. Furthermore a roll forward approach which projects results from the latest full actuarial valuation performed at 31 March 2016 has been used by the actuary in valuing the pensions liability at 31 August 2020. Any differences between the figures derived from the roll forward approach and a full actuarial valuation would impact on the carrying amount of the pension liability.

Critical areas of judgement:

The Academy Trust obtains use of fixed assets as a lessee. The classification of such leases as operating or finance lease requires the Academy Trust to determine, based on an evaluation of the terms and conditions of the arrangements, whether it retains or acquires the significant risks and rewards of ownership of these assets and accordingly whether the lease requires an asset and liability to be recognised in the Balance Sheet.

24. PENSION COMMITMENTS

The Academy Trust's employees belong to two principal pension schemes: the Teachers' Pension Scheme England and Wales (TPS) for academic and related staff; and the Local Government Pension Scheme (LGPS) for non-teaching staff, which is managed by Wiltshire and Gloucestershire Council. Both are multi-employer defined benefit schemes.

The latest actuarial valuation of the TPS related to the period ended 31 March 2016 and of the LGPS 31 March 2016.

There were no outstanding or prepaid contributions at either the beginning or the end of the financial year.

Teachers' Pension Scheme

The Teachers' Pension Scheme (TPS) is a statutory, contributory, defined benefit scheme, governed by the Teachers' Pension Scheme Regulations 2014. Membership is automatic for full-time teachers in academies. All teachers have the option to opt-out of the TPS following enrolment.

The TPS is an unfunded scheme to which both the member and employer makes contributions, as a percentage of salary - these contributions are credited to the Exchequer. Retirement and other pension benefits are paid by public funds provided by Parliament.

24. PENSION COMMITMENTS (CONTINUED)

Valuation of the Teachers' Pension Scheme

The Government Actuary, using normal actuarial principles, conducts a formal actuarial review of the TPS in accordance with the Public Service Pensions (Valuations and Employer Cost Cap) Directions 2014 published by HM Treasury every 4 years. The aim of the review is to specify the level of future contributions. Actuarial scheme valuations are dependent on assumptions about the value of future costs, design of benefits and many other factors. The latest actuarial valuation of the TPS was carried out as at 31 March 2016. The valuation report was published by the Department for Education on 5 March 2019. The key elements of the valuation and subsequent consultation are:

- employer contribution rates set at 23.68% of pensionable pay (including a 0.08% administration levy)
- total scheme liabilities (pensions currently in payment and the estimated cost of future benefits) for service to the effective date of £218,100 million and notional assets (estimated future contributions together with the notional investments held at the valuation date) of £196,100 million, giving a notional past service deficit of £22,000 million
- the SCAPE rate, set by HMT, is used to determine the notional investment return. The current SCAPE rate is 2.4% above the rate of CPI, assumed real rate of return is 2.4% in excess of prices and 2% in excess of earnings. The rate of real earnings growth is assumed to be 2.2%. The assumed nominal rate of return including earnings growth is 4.45%.

The next valuation result is due to be implemented from 1 April 2023.

The employer's pension costs paid to TPS in the year amounted to £1,785,000 (2019 - £1,160,281).

A copy of the valuation report and supporting documentation is on the Teachers' Pensions website (<https://www.teacherspensions.co.uk/news/employers/2019/04/teachers-pensions-valuation-report.aspx>).

Under the definitions set out in FRS 102, the TPS is an unfunded multi-employer pension scheme. The Academy Trust has accounted for its contributions to the scheme as if it were a defined contribution scheme. The Academy Trust has set out above the information available on the scheme.

Local Government Pension Scheme

The LGPS is a funded defined benefit pension scheme, with the assets held in separate trustee-administered funds. The total contribution made for the year ended 31 August 2020 was £842,000 (2019 - £762,895), of which employer's contributions totalled £697,000 (2019 - £630,219) and employees' contributions totalled £ 145,000 (2019 - £132,676). The agreed contribution rates for future years are 19.7 - 29.3% per cent for employers and 5.5 - 9.9% per cent for employees.

As described in note the LGPS obligation relates to the employees of the Academy Trust, who were the employees transferred as part of the conversion from the maintained school and new employees who were eligible to, and did, join the Scheme in the year. The obligation in respect of employees who transferred on conversion represents their cumulative service at both the predecessor school and the Academy Trust at the balance sheet date.

Parliament has agreed, at the request of the Secretary of State for Education, to a guarantee that, in the event of academy closure, outstanding Local Government Pension Scheme liabilities would be met by the Department for Education. The guarantee came into force on 18 July 2013.
