Dear Sir/Madam

TEACHERS MEDIA INTERNATIONAL LIMITED – IN LIQUIDATION

Please note that Wilkin Chapman Business Solutions Ltd was formerly known as Wilkin Chapman Silke Ltd and traded as Silke & Co. The appointment of the Insolvency Practitioner and Office Holder is not affected by this and remain the same.

Myself and Catherine Lee-Baggaley were appointed Joint Liquidators on 16 December 2016 by the Secretary of State.

This is the Joint Liquidators third annual report upon this matter. This report should be read in conjunction with the report of the initial meeting of creditors and subsequent annual reports.

1. RECEIPTS AND PAYMENTS ACCOUNT

We attach an account of receipts and payments for the current period 16 December 2018 to 15 December 2019 and cumulatively from the commencement of the winding up to the end of the anniversary.

2. REALISATIONS

Assets

As previously reported, the Joint Liquidators are seeking a purchaser for the business and its assets, being its website, trading style and intellectual property. Despite seeking offers from interested parties, no offer has yet been received, this matter is ongoing.

In addition, a small amount of furniture and equipment was abandoned at the trading premises upon the lease being disclaimed by the Joint Liquidators.

The sum of £1,350.00 has been received by the Official Receiver in respect of the deposit paid by the petitioning creditor for the winding up petition.

The sum of £8,856.62 has been received in respect of book debts due to the Company. No further funds are expected to be received in respect of this.

3. JOINT LIQUIDATORS' REMUNERATION

The Joint Liquidators' remuneration is based on hourly costs at scale rates calculated on the time properly spent in the course of the liquidation and was approved at the meeting held on 1 February 2017, and is capped at £30,575.00 in accordance with the following resolution:

That the Joint Liquidators' fees be charged on a time costs basis and capped at £30,575.00 plus VAT. A schedule of the estimated fees and disbursements and the standard hourly charge-out rates of all grades of staff which are likely to be involved on the case are as set out as part of the information enclosed.

In the current period the Joint Liquidators' have incurred time costs of £7,457.25 representing 40.74 hours at an average hourly charge-out rate of £183.04. Total time spent to date on this assignment amounts to 146.54 hours at

an average composite rate of £198.67 per hour resulting in total time costs to date of £29,113.50. Joint Liquidators' fees of £1,000.00 plus VAT have been drawn to date leaving outstanding time costs of £28,113.50.

As previously reported, the Official Receivers fees and disbursements are as stated on the enclosed receipts and payments account. These fees are drawn prior to Joint Liquidators fees from the funds received into the liquidation. The Secretary of State fees are charged on realisations on a sliding scale and bank charges are charged on a quarterly basis.

Having regard for the costs that are likely to be incurred in bringing this Liquidation to a close, the Joint Liquidators original fees estimate is likely to be exceeded, see comparison below:

Classification	Estimated Number of Hours	Estimated Total Time Costs	Actual Number of Hours	Actual Total Time Costs

Investigations – relating to assets	34.50	£7,125.00	50.23	£9,378.00
Floating Charge Assets	27.00	£4,975.00	10.00	£3,500.00
Employees	0.00	£0.00	7.00	£1,275.00
Statutory & Compliance	26.00	£5,500.00	21.70	£4,650.00
Estimated Totals	150.00	£30,575.00	146.54	£29,113.50

Please refer to Appendix I for a detailed breakdown of the work undertaken.

Administration & Planning – Administration and Planning relates to the cashiering functions required throughout the duration of the liquidation, which included the bank account reconciliations, the submission of annual Corporation Tax returns, and the maintaining of the estate account. It also included the time allowed for case reviews to be undertaken, the filing and maintaining of internal documents relating to the case, dealing with any pension schemes and archiving the Company records. The time incurred amounts to 45.56 hours at a total cost of £8,333.00, the estimated time was 37.00 hours totalling £7,675.00. These costs are higher due to the duration of the liquidation being longer than originally anticipated.

Creditors & Distribution – Time spent on Creditors & Distribution amounts to 12.05 hours, totalling £1,977.50. The estimated time was 25.50 hours at a total cost of £5,300.00. This relates to communication with creditors regarding the liquidation and logging claims received. This is lower than originally estimated as communication with creditors has been lower than anticipated.

Investigations – The time spent on Investigations amounts to 50.23 hours, totalling £9,378.00. The estimated time was 34.50 hours, totalling £7,125.00. These costs are higher due to the level of investigation that has been required during the liquidation.

Floating Charge Assets – The time spent amounts to 10.00 hours at a total cost of £3,500.00. The estimated time was 27.00 hours, totalling £4,975.00. This category of time includes liaising with the director regarding the sale of the assets. As the assets are yet to be sold by the Joint Liquidators, these costs will increase.

Employees – This category was not included in the original estimate, however time spent amounts to 7.00 hours at a total cost of £1,275.00. These costs are not likely to increase as the employee claims have been dealt with.

Statutory & Compliance – Statutory & Compliance involves the preparation and circulation of the Joint Liquidators report to creditors upon appointment, preparing annual reports to creditors, filing the relevant documents to Companies House, including annual receipts and payments accounts, advertising throughout the liquidation in accordance with statutory requirements and bonding the case for the value of the assets. The time spent amounts to 21.70 hours at a total cost of £4,650.00, the estimated time was 26.00 hours totalling £5,500.00. These costs are lower than anticipated, however further time will be incurred up to the conclusion of the liquidation.

Post Appointment category 2 disbursements of £1,169.90 have been allocated to the case from the commencement of the liquidation up to the anniversary which have not been drawn leaving unbilled disbursements of £1,169.90. The disbursements that have been incurred are detailed in Appendix II.

Wilkin Chapman Business Solutions Limited chargeout rates and disbursements policy is attached at Appendix III.

All payments have been made in accordance with the rules and regulations generally as to the payment of costs and expenses in the liquidation, details of which can be found below:

Other Costs

The sum of £60.00 has been incurred and paid by Silke & Co, this relates to the insurance bond on the case, this is a statutory requirement under the guidelines produced by the Joint Liquidators regulatory bodies.

The sum of £168.00 has been incurred and paid by Silke & Co, this relates to the statutory advertising of the appointment of the Joint Liquidators.

The sum of £5.60 has been incurred and paid by Silke & Co, this relates to searches being conducted in order to comply with Anti Money Laundering regulations.

The sum of £197.04 has been incurred and paid by Silke & Co, in respect of room hire. This meeting was necessary in order for the Joint Liquidators to meet with the directors of the Company following our appointment.

A Creditors' Guide to Liquidators' Fees can be found on the portal or on our website, which includes creditors' rights to further information and to challenge.

4. CREDITORS' CLAIMS AND DIVIDEND PROSPECTS

Secured Creditors

The Company has not granted any charges over its assets.

Employee Claims

Nine employees were made redundant on 5 December 2016. The relevant information for employees to submit claims has been made to the Redundancy Payments Office and information and help was given to employees to enable them to submit their claims.

No preferential claims have been received.

Unsecured Creditors

Ordinary unsecured claims have been received amounting to £214,532.01.

At this stage although creditors' claims have been lodged we have not taken steps to formally agree the claims of unsecured creditors as it appears unlikely there will be a dividend payable to unsecured creditors until and unless further assets are realised.

5. OTHER RELEVANT INFORMATION

Investigation

You may be aware that the Official Receiver has a duty to consider the conduct of the company's directors and to make an appropriate submission to the department for Business Energy & Industrial Strategy. In addition, a Liquidator has a duty to enquire into the affairs of an insolvent company to determine its property and liabilities and to identify any actions which could lead to the recovery of funds.

Due to the complexity of the intercompany structure and the specialised nature of the Company assets, the Joint Liquidators investigation process has been significant. Upon a lengthy review of the Company's affairs it appears that all transactions are in line with the normal course of trading, in addition to transactions showing the director to be a creditor of the Company.

As the information provided was sufficient to answer the queries and as no further matters for investigations have arisen, the Joint Liquidators have concluded their investigations.

Although this work did not generate any financial benefit to creditors, it was necessary to meet the statutory duties as well as conduct appropriate enquires and investigations into potential rights of actions to enhance realisations.

6. EC REGULATIONS (WHETHER PROCEEDINGS ARE MAIN PROCEEDINGS OR TERRITORIAL)

The Company's centre of main interest was in the UK and therefore it is considered that the EC Regulations will apply. These proceedings are main proceedings as defined in Article 3 of the EC Regulation.

7. CREDITORS' RIGHTS

Any unsecured creditors may, with the permission of the court or with the concurrence of 5% in value of the unsecured creditors (including the creditor in question) request further details of the Joint Liquidator's remuneration and expenses, within 21 days of receipt of this report. Any secured creditor may request the same details in the same time limit.

An unsecured creditor may, with the permission of the court or with the concurrence of 10% in value of the creditors (including the creditor in question), apply to court to challenge the amount and/or basis of the Joint Liquidator's fees and the amount of any proposed expenses or expenses already incurred, within 8 weeks of receipt of this report. Any secured creditor may make a similar application to court within the same time limit.

If there are any matters which you consider we should be aware of regarding the way in which the Company's business has been conducted, and on any potential recoveries for the estate, we shall be pleased to hear from you. This request for information is standard practice and does not imply any criticism or cause of action against any person concerned in the management of the Company's affairs.

Further information on the insolvency process may be found on our website or on the portal.

Please be advised that we are bound by the Insolvency Code of Ethics when carrying out all professional work relating to an insolvency appointment.

8. CONCLUSION

As detailed above, as the Joint Liquidators are still dealing with the sale of the assets, it is not possible to confirm the timescale for conclusion of the liquidation at present.

We will report again following the fourth anniversary of the liquidation or at the conclusion of the winding up, whichever is the sooner.

Yours faithfully

 Ian Michael Rose
Joint Liquidator
