## **PANGBOURNE DEVELOPMENTS LIMITED**

### **DIRECTORS' REPORT FOR THE YEAR ENDED 31 DECEMBER 2018**

The Directors present their Annual Report and the audited financial statements of Pangbourne Developments Limited ("the Company") for the year ended 31 December 2018.

#### **Principal activities and future developments**

The Company's sole activity is to carry out a mixed use residential development on the Princess Louise Hospital site in Kensington. The Directors anticipate the Company will continue to operate in this manner for the foreseeable future subject to the risks and uncertainties noted below.

#### **Directors**

The following Directors held office during the year and up to the date of the signing of this report:

I R Osborne  
R B Smith

#### **Dividends**

There were no dividends paid in the current or prior year and no dividends proposed following the year end.

#### **Going concern**

The Company is reliant on continued funding from its ultimate parent company Taylor Wimpey plc ("TW plc") to fund its operations. The Directors of the Company have confirmed with TW plc that it will continue to provide the necessary financial support to the Company, for a period of at least 12 months from the date of approval of these financial statements.

TW plc is the ultimate parent of the Taylor Wimpey group ("the Group"). The Group is profitable and is in a strong financial position.

The Directors of the Company are of the view, at the time of approving the financial statements, that there is a reasonable expectation the Company will be able to remain in existence for at least 12 months from the date of approval of these financial statements. Accordingly, the financial statements have been prepared on a going concern basis.

#### **Principal risks and uncertainties**

The Directors consider the principal risks and uncertainties facing the Company to be equivalent to those facing the Group, as outlined within the Directors' report accompanying those consolidated financial statements, which are publicly available as disclosed in note 11.

#### **Financial risk management and policies**

The financial risk management objectives of the Company are to ensure that sufficient liquidity is maintained to meet its future obligations. The Company does not undertake speculative or trading activities in financial instruments. The Company operates within policies approved by the Board and these are equivalent to those of the Group.

#### **Liquidity risk**

Liquidity risk is the risk that the Company does not have sufficient financial resources available to meet its obligations as they fall due. At 31 December 2018 the Company is in a net current assets position and is indirectly dependent on TW plc to support the settlement of its liabilities and commitments. Liquidity risk is therefore managed by the confirmation from the Directors of TW plc that it will provide the necessary financial support to the Company.

## **PANGBOURNE DEVELOPMENTS LIMITED**

### **DIRECTORS' REPORT FOR THE YEAR ENDED 31 DECEMBER 2018 (continued)**

#### **Credit risk**

Credit risk is the risk of financial loss where counterparties are not able to meet their obligations. The Company is owed balances by its parent. Credit risk is managed by the confirmation from the Directors of TW plc that it will provide the necessary financial support to the Company. The Directors consider that TW plc have adequate resources in order to financially support the Company if required.

#### **Qualifying third party indemnity provisions**

Taylor Wimpey plc has granted indemnities in favour of the directors and officers of its Group subsidiary companies against financial exposure that they may incur in carrying out their duties (including the directors and officers of this company). These have been granted in accordance with section 234 of the Companies Act 2006.

#### **Directors' responsibilities statement**

The Directors are responsible for preparing the Annual Report and the financial statements in accordance with applicable law and regulations.

Company law requires the Directors to prepare financial statements for each financial year. Under that law the Directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law), including FRS 101 "Reduced Disclosure Framework".

Under company law the Directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period. In preparing these financial statements, the Directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent, and;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

The Directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

#### **Auditor**

Each person who is a Director at the date of approval of this report confirms that:

- so far as that Director is aware, there is no relevant audit information of which the Company's auditor is unaware; and
- the Director has taken all the steps that ought to have been taken as a Director in order to be aware of any relevant audit information and to establish that the Company's auditor is aware of that information.
- Deloitte LLP has indicated its willingness to be re-appointed as auditor for another term. Appropriate arrangements have been put in place for them to be deemed re-appointed as auditor in absence of an annual general meeting

This confirmation is given and should be interpreted in accordance with the provisions of section 418 of the Companies Act 2006.

**PANGBOURNE DEVELOPMENTS LIMITED**

**DIRECTORS' REPORT FOR THE YEAR ENDED 31 DECEMBER 2018 (continued)**

**Small company provisions**

This report has been prepared in accordance with the special provisions of section 415A of the Companies Act 2006 relating to small companies.

This Directors' report was approved by the Board of Directors on 27 August and is signed on its behalf by:

2019.

## **PANGBOURNE DEVELOPMENTS LIMITED**

### **INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF PANGBOURNE DEVELOPMENTS LIMITED**

#### **Report on the audit of the financial statements**

##### **Opinion**

In our opinion the financial statements of Pangbourne Developments Limited (the 'Company'):

- give a true and fair view of the state of the Company's affairs as at 31 December 2018 and of its profit for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice including Financial Reporting Standard 101 "Reduced Disclosure Framework"; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

We have audited the financial statements of the Company which comprise:

- the statement of comprehensive income;
- the statement of financial position;
- the statement of changes in equity; and
- the related notes 1 to 11.

The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 101 "Reduced Disclosure Framework" (United Kingdom Generally Accepted Accounting Practice).

##### **Basis for opinion**

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the auditor's responsibilities for the audit of the financial statements section of our report.

We are independent of the company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the Financial Reporting Council's (the 'FRC's') Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

##### **Conclusions relating to going concern**

We are required by ISAs (UK) to report in respect of the following matters where:

- the Directors' use of the going concern basis of accounting in preparation of the financial statements is not appropriate; or
- the Directors have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the Company's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

We have nothing to report in respect of these matters.

## **PANGBOURNE DEVELOPMENTS LIMITED**

### **INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF PANGBOURNE DEVELOPMENTS LIMITED (continued)**

#### **Other information**

The Directors are responsible for the other information. The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in respect of these matters.

#### **Responsibilities of Directors**

As explained more fully in the Directors' responsibilities statement, the Directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the Directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Directors either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

#### **Auditor's responsibilities for the audit of the financial statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the FRC's website at: [www.frc.org.uk/auditorsresponsibilities](http://www.frc.org.uk/auditorsresponsibilities). This description forms part of our auditor's report.

**PANGBOURNE DEVELOPMENTS LIMITED**

**INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF PANGBOURNE DEVELOPMENTS LIMITED (continued)**

**Report on other legal and regulatory requirements**

**Opinions on other matters prescribed by the Companies Act 2006**

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Directors' Report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the Directors' report has been prepared in accordance with applicable legal requirements.

In the light of the knowledge and understanding of the Company and its environment obtained in the course of the audit, we have not identified any material misstatements in the Directors' Report.

**Matters on which we are required to report by exception**

Under the Companies Act 2006 we are required to report in respect of the following matters if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of Directors' remuneration specified by law are not made; or
- the Directors were not entitled to take advantage of the small companies exemption in preparing the Directors' report and from the requirement to prepare a strategic report; or
- we have not received all the information and explanations we require for our audit.

We have nothing to report in respect of these matters.

**Use of our report**

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

### **NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2018**

#### **1. Accounting policies**

##### **General information and basis of preparation**

The following accounting policies have been used consistently throughout the current and prior year.

Pangbourne Developments Limited is a private company incorporated and domiciled in the United Kingdom. The Company is limited by shares. The Company is registered in England and Wales and its registered office is noted on page 4 and its principal activities are noted on page 2.

The financial statements have been prepared under the historical cost basis. Historical cost is generally based on the fair value of the consideration given in exchange for the goods and services. The financial statements have been prepared in accordance with the Companies Act 2006 and Financial Reporting Standard 101 (FRS 101), "Reduced Disclosure Framework". The financial statements are prepared in pounds sterling, which is the functional currency of the Company and rounded to the nearest thousand pounds.

The preparation of financial statements in compliance with FRS 101 requires the use of certain critical accounting estimates. It also requires management to exercise judgement in applying the Company's accounting policies. The areas involving a higher degree of judgement or complexity, or areas where assumptions and estimates are significant to the financial statements are disclosed in note 2.

##### **Going concern**

The Company is reliant on continued funding from its ultimate parent company Taylor Wimpey plc ("TW plc") to fund its operations. The Directors of the Company have confirmed with TW plc that it will continue to provide the necessary financial support to the Company, for a period of at least 12 months from the date of approval of these financial statements.

TW plc is the ultimate parent of the Taylor Wimpey group ("the Group"). The Group is profitable and is in a strong financial position.

The Directors of the Company are of the view, at the time of approving the financial statements, that there is a reasonable expectation the Company will be able to remain in existence for at least 12 months from the date of approval of these financial statements. Accordingly, the financial statements have been prepared on a going concern basis.

##### **Disclosure exemptions**

As permitted by FRS 101, the Company has taken advantage of the disclosure exemptions available under that standard in relation to share based payments, financial instruments, capital management, presentation of comparative information in respect of certain assets, presentation of a cash flow statement, standards not yet effective, impairment of assets and related party transactions. Where required, equivalent disclosures are given in the Group financial statements of Taylor Wimpey plc. The Group financial statements of Taylor Wimpey plc are available to the public and can be obtained as set out in note 11.

##### **Adoption of new and revised standards of interpretation**

In the year the Company has applied amendments to IFRSs and adopted new IFRSs issued by the International Accounting Standards Board as noted below. Their adoption has not had any material impact on the disclosures or amounts reported in these financial statements:

- Annual improvements to IFRS 2014-2016 cycle
- IFRS 2 'Share-based payment' (amendments) - classification and measurement of share-based payment transactions
- Adoption of IFRS 9 'Financial Instruments'
- Adoption of IFRS 15 'Revenue from Contracts with Customers'
- Adoption of IFRS16 'Leases'

## **PANGBOURNE DEVELOPMENTS LIMITED**

### **NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2018 (continued)**

#### **1. Accounting policies (continued)**

##### **Revenue**

Revenue is measured at the fair value of the consideration received or receivable, net of incentives and value added taxes. The policies adopted for the recognition of turnover are as follows:

##### ***a) Private housing and land sales***

Revenue is recognised in the Statement of Comprehensive Income when the significant risks and rewards of ownership have been transferred to the purchaser. Revenue in respect of the sale of residential properties is recognised on legal completion.

##### ***b) Affordable housing contracts***

Where the outcome of a long term contract can be estimated reliably, revenue and costs are recognised by reference to the stage of completion of the contract activity at the Statement of Financial Position date. This is normally measured by surveys of work performed to date. Variations in contract work, claims and incentive payments are included to the extent that it is probable that they will result in revenue and they are capable of being reliably measured.

Where the outcome of a long term contract cannot be estimated reliably, contract revenue is recognised to the extent of contract costs incurred that it is probable will be recoverable. Contract costs are recognised as expenses in the period in which they are incurred.

When it is probable that total contract costs will exceed total contract revenue, the expected loss is recognised as an expense immediately.

##### **Profit recognition**

Profit arising from the sale of private residential, commercial properties and land sales is taken on legal completion. Residential development profit is calculated based on total expected revenues less total expected costs. Profit on affordable housing is only recognised by reference to the stage of completion when the outcome of the contract can be reasonably estimated. When it is probable that total costs will exceed total revenue the expected loss is recognised immediately.

##### **Part exchange**

In certain instances property may be accepted in part consideration for a sale of a residential property. It is recorded at its fair value, established by independent surveyors, less cost to sell. Net proceeds generated from the subsequent sale of part exchange properties are recorded as a reduction to cost of sales.

##### **Interest and dividends receivable**

Interest income is recognised in the income statement as it falls due. Dividend income is recognised as the Company's right to receive payment is established.

##### **Borrowing costs**

Borrowing costs are recognised in the Statement of Comprehensive Income in the year in which they are incurred.

##### **Financial instruments**

Financial assets and liabilities are recognised in the Company's Statement of Financial Position when the Company becomes a party to the contractual provisions of the instrument. The below financial instruments are measured at amortised cost.

## **PANGBOURNE DEVELOPMENTS LIMITED**

### **NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2018 (continued)**

#### **1. Accounting policies (continued)**

##### ***Trade and other receivables***

Trade and other receivables are measured at amortised cost, less any loss allowance based on expected credit losses. The measurement of expected credit losses is based on the probability of default and the magnitude of the loss if there is a default. The assessment of probability of default is based on historical data adjusted for any known factors that would influence the future amount to be received in relation to the receivable.

##### ***Trade and other payables***

Trade payables on normal terms are not interest bearing and are stated at their nominal value. Trade payables on extended terms, particularly in respect of land, are recorded initially at the fair value at the date of acquisition of the asset to which they relate and then subsequently at amortised cost. The discount to nominal value is amortised over the period of the credit term and charged to finance costs.

##### ***Group receivables***

Amounts receivable from Group undertakings are stated at their nominal value.

##### ***Group payables***

Amounts payable to Group undertakings are stated at their nominal value.

##### ***Customer deposits***

Customer deposits are recorded as a liability, deducted from the construction work in progress on receipt and released to the Income Statement as revenue upon legal completion.

##### ***Tax***

The tax charge represents the sum of the tax currently payable and deferred tax.

##### ***Current tax***

The tax currently payable is based on taxable profit for the year. Taxable profit differs from profit before tax as reported in the Statement of Comprehensive Income because it excludes items of income or expense that are taxable or deductible in other years and it further excludes items that are never taxable or deductible. The Company's liability for current tax is calculated using corporation tax rates that have been enacted or substantively enacted by the Statement of Financial Position date.

Any liability or credit in respect of group relief in lieu of current tax is also calculated on the same basis unless a different rate (including a nil rate) has been agreed within the Group.

##### ***Deferred tax***

Deferred tax is the tax expected to be payable or recoverable on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit.

Deferred tax liabilities are generally recognised for all taxable temporary differences and deferred tax assets are recognised to the extent that it is probable that future taxable profits will be available against which deductible temporary differences can be utilised.

Such assets and liabilities are not recognised if the temporary difference arises from goodwill or from the initial recognition (other than in a business combination) of other assets and liabilities in a transaction that affects neither the tax profit nor the accounting profit.

# PANGBOURNE DEVELOPMENTS LIMITED

## NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2018 (continued)

### 1. Accounting policies (continued)

#### *Deferred tax (continued)*

Deferred tax liabilities are also recognised for taxable temporary differences arising on investments in subsidiaries and interests in joint ventures, except where the Company is able to control the reversal of the temporary difference and it is probable that it will not reverse in the foreseeable future.

Deferred tax is calculated, on a non-discounted basis, at the tax rates that are expected to apply in the period when the liability is settled or the asset is realised based on tax laws and rates that have been enacted or substantively enacted by the Statement of Financial Position date.

The carrying amount of deferred tax assets is reviewed at each Statement of Financial Position date and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered. Deferred tax is charged or credited in the Statement of Comprehensive income, except when it relates to items charged or credited directly to other comprehensive income or equity, in which case the deferred tax is also dealt with in other comprehensive income or equity.

### 2. Key sources of estimation uncertainty and critical accounting judgements

Preparation of the financial statements requires management to make judgements that have a significant impact on the amounts recognised and to make estimates and assumptions about the carrying amounts of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates. Management consider that there are no material areas of estimation uncertainty or critical accounting judgements to be made in the preparation of these financial statements.

### 3. Revenue

Revenue in the year arose solely in the United Kingdom.

### 5. Employees and Directors

The Company did not employ any persons during the year (2017: none).

Directors' remuneration and benefits paid by the Company in the year amounted to £nil (2017: £nil). Directors are not remunerated for qualifying services provided to the Company. All Directors' emoluments are borne by a fellow Group company and have not been recharged. Full Directors' remuneration is disclosed in the Group financial statements. The Group financial statements of TW plc are available to the public and can be obtained as set out in note 11.

### 6. Finance income

<b>Tax on profit</b>	<u>—</u>	<u>—</u>

The standard rate of current tax for the year, based on the weighted average of the UK standard rate of corporation tax is 19.00% (2017: 19.25%).

The tax charge for the year can be reconciled as follows:

	2018 £'000	2017 £'000
Profit before tax	643	100
Standard rate of corporation tax of 19% (2017: 19.25%)	122	19
Effects of:		
Group relief claimed for no payment	(122)	(19)
Total tax credit	<u>—</u>	<u>—</u>

Finance Act 2016 introduced legislation to reduce the main rate of corporation tax to 17% from 1 April 2020 and these rates have therefore been used to measure deferred tax assets and liabilities where applicable.
