Notes to the Abbreviated Accounts for the period ended 31 December 2013

1 Accounting Policies

Basis of measurement and preparation of accounts

The accounts have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities effective April 2008.

Turnover policy

Revenue is recognised when the company fulfils contractual obligations to customers of the supply of its services. Turnover represents the total invoice value, excluding value added tax, of sales made during the year and derives from the provision of services falling within the company's ordinary activities.

Tangible assets depreciation policy

Depreciation is provided at rates calculated to write off the cost less residual value of each asset over its expected useful life, as follows:

Fixtures, fittings and equipment - 20% reducing balance basis

Other accounting policies**Pensions**

The pension costs charged in the financial statements represent the contribution payable by the company during the year.
