### DIRECTORS' REPORT FOR THE YEAR ENDED 30 JUNE 2020

---

The Directors present their report and the financial statements for the year ended 30 June 2020.

#### Principal activity

The principal activity of the company continued to be that of the supply of technology staffing and technology consulting services.

#### Directors

The Directors who served during the year were:

J R Butterfield  
P M Dundon

#### Going concern

The Directors have concluded that it is appropriate to prepare the financial statements on going concern basis. Please refer to note 2.3 for further details

#### Directors' responsibilities statement

The Directors are responsible for preparing the Directors' report and the financial statements in accordance with applicable law and regulations.

Company law requires the Directors to prepare financial statements for each financial year. Under that law the Directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law, including FRS 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland'). Under company law the Directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs and profit or loss of the company for that period. In preparing these financial statements, the Directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The Directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Directors are responsible for the maintenance and integrity of the corporate and financial information included on the company's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

---

**DIRECTORS' REPORT (CONTINUED)  
FOR THE YEAR ENDED 30 JUNE 2020**

---

**Qualifying third party indemnity provisions**

Insurance policies are in place that indemnify the Directors against liability when acting for Talent Outsourcing Solutions Limited

**Disclosure of information to auditor**

The Directors confirm that:

- so far as each Director is aware, there is no relevant audit information of which the company's auditor is unaware, and
- the Directors have taken all the steps that they ought to have taken as Directors in order to make themselves aware of any relevant audit information and to establish that the company's auditor is aware of that information.

**Auditor**

The auditor, Grant Thornton UK LLP, will be proposed for reappointment in accordance with section 485 of the Companies Act 2006.

**Small companies note**

In preparing this report, the Directors have taken advantage of the small companies exemptions provided by section 415A of the Companies Act 2006.

This report was approved by the board and signed on its behalf.

## INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF TALENT OUTSOURCING SOLUTIONS LIMITED

---

### Opinion

We have audited the financial statements of Talent Outsourcing Solutions Limited (the 'company') for the year ended 30 June 2020, which comprise the Statement of comprehensive income, the Statement of financial position, the Statement of changes in equity and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' (United Kingdom Generally Accepted Accounting Practice).

In our opinion, the financial statements:

- give a true and fair view of the state of the company's affairs as at 30 June 2020 and of its profit for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

### Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the 'Auditor's responsibilities for the audit of the financial statements' section of our report. We are independent of the company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion

### The impact of macro-economic uncertainties on our audit

Our audit of the financial statements requires us to obtain an understanding of all relevant uncertainties, including those arising as a consequence of the effects of macro-economic uncertainties such as COVID-19 and Brexit. All audits assess and challenge the reasonableness of estimates made by the Directors and the related disclosures and the appropriateness of the going concern basis of preparation of the financial statements. All of these depend on assessments of the future economic environment and the company's future prospects and performance.

COVID-19 and Brexit are amongst the most significant economic events currently faced by the UK, and at the date of this report their effects are subject to unprecedented levels of uncertainty, with the full range of possible outcomes and their impacts unknown. We applied a standardised firm-wide approach in response to these uncertainties when assessing the company's future prospects and performance. However, no audit should be expected to predict the unknowable factors or all possible future implications for a company associated with these particular events.

---

## INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF TALENT OUTSOURCING SOLUTIONS LIMITED (CONTINUED)

---

### Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the Directors' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the Directors have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the company's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

In our evaluation of the directors' conclusions, we considered the risks associated with the company's business model, including effects arising from macro-economic uncertainties such as COVID-19 and Brexit, and analysed how those risks might affect the company's financial resources or ability to continue operations over the period of at least twelve months from the date when the financial statements are authorised for issue. In accordance with the above, we have nothing to report in these respects.

However, as we cannot predict all future events or conditions and as subsequent events may result in outcomes that are inconsistent with judgements that were reasonable at the time they were made, the absence of reference to a material uncertainty in this Auditor's report is not a guarantee that the company will continue in operation.

### Other information

The Directors are responsible for the other information. The other information comprises the information included in the Directors report, other than the financial statements and our Auditor's report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

### Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Directors' report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the Directors' report has been prepared in accordance with applicable legal requirements.

---

**INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF TALENT OUTSOURCING SOLUTIONS LIMITED (CONTINUED)**

---

**Matter on which we are required to report under the Companies Act 2006**

In the light of the knowledge and understanding of the company and its environment obtained in the course of the audit, we have not identified material misstatements in the Directors' report.

**Matters on which we are required to report by exception**

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of Directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the Directors were not entitled to prepare the financial statements in accordance with the small companies regime and take advantage of the small companies' exemptions in preparing the Directors' report and from the requirement to prepare a strategic report.

**Responsibilities of Directors for the financial statements**

As explained more fully in the Directors' responsibilities statement set out on page 1, the Directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the Directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Directors are responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Directors either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

## INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF TALENT OUTSOURCING SOLUTIONS LIMITED (CONTINUED)

---

### Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: [www.frc.org.uk/auditorsresponsibilities](http://www.frc.org.uk/auditorsresponsibilities). This description forms part of our Auditor's report.

### Use of our report

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an Auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

**TALENT OUTSOURCING SOLUTIONS LIMITED**

---

---

**NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 30 JUNE 2020**

---

**1. General information**

Talent Outsourcing Solutions Limited is a private company limited by shares & incorporated in England and Wales. Its registered head office is located at First Floor, 134 Edmund Street, Birmingham, B3 2ES.

**2. Accounting policies****2.1 Basis of preparation of financial statements**

The financial statements have been prepared under the historical cost convention unless otherwise specified within these accounting policies and in accordance with Financial Reporting Standard 102, the Financial Reporting Standard applicable in the UK and the Republic of Ireland and the Companies Act 2006.

The preparation of financial statements in compliance with FRS 102 requires the use of certain critical accounting estimates. It also requires management to exercise judgement in applying the company's accounting policies (see note 3).

The financial statements are presented in Sterling (£) (the company's functional currency).

The following principal accounting policies have been applied:

**2.2 Financial reporting standard 102 - reduced disclosure exemptions**

The company has taken advantage of the following disclosure exemptions in preparing these financial statements, as permitted by the FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland":

- the requirements of Section 4 Statement of Financial Position paragraph 4.12(a)(iv);
- the requirements of Section 7 Statement of Cash Flows;
- the requirements of Section 3 Financial Statement Presentation paragraph 3.17(d);
- the requirements of Section 11 Financial Instruments paragraphs 11.42, 11.44 to 11.45, 11.47, 11.48(a)(iii), 11.48(a)(iv), 11.48(b) and 11.48(c);
- the requirements of Section 12 Other Financial Instruments paragraphs 12.26 to 12.27, 12.29(a), 12.29(b) and 12.29A;
- the requirements of Section 33 Related Party Disclosures paragraph 33.7.

This information is included in the consolidated financial statements of Talent International (UK) Limited as at 30 June 2020 and these financial statements may be obtained from Companies House.

---

**TALENT OUTSOURCING SOLUTIONS LIMITED**

---

---

**NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 30 JUNE 2020**

---

**2. Accounting policies (continued)****2.3 Going concern**

The company is funded by a combination of loans from its parent company and an invoice discounting facility.

Following the year end the wider group received additional CBIL funding via its main funder and reset its banking covenants.

Management have prepared forecasts to June 2022, which incorporate any further expected impact of Covid-19, and these forecasts indicate the entity will be able to continue to operate, within its existing facilities, for the foreseeable future and for at least 12 months from the date of approval of these financial statements.

The company has obtained written confirmation of support from its ultimate parent company for at least 12 months from the date of these financial statements. The company's parent has renewed its credit line during the year and facilities are now in place until 31 January 2022.

Based on the above, the Directors have concluded that it is appropriate to prepare the financial statements on going concern basis.

**2.4 Revenue**

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the company and the revenue can be reliably measured. Revenue is measured as the fair value of the consideration received or receivable, excluding discounts, rebates, value added tax and other sales taxes.

Permanent placement revenue is recognised in the month in which the candidate starts and contractor revenue is recognised in the accounts based on week ending date.

**2.5 Other income**

Grants of a revenue nature are recognised in the Statement of Comprehensive Income in the same period as the related expenditure. Furlough income, which is a grant awarded by the government, is recognised in income in the periods in which the company recognises the related costs for which the grant is intended to compensate.

**2.6 Tangible fixed assets**

Tangible fixed assets under the cost model are stated at historical cost less accumulated depreciation and any accumulated impairment losses. Historical cost includes expenditure that is directly attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by management.

---

**TALENT OUTSOURCING SOLUTIONS LIMITED**

---

---

**NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 30 JUNE 2020**

---

**2. Accounting policies (continued)****2.6 Tangible fixed assets (continued)**

Depreciation is charged so as to allocate the cost of assets less their residual value over their estimated useful lives, using the straight-line method.

Depreciation is provided on the following basis:

Computer equipment	-	33%
--------------------	---	-----

The assets' residual values, useful lives and depreciation methods are reviewed, and adjusted prospectively if appropriate, or if there is an indication of a significant change since the last reporting date.

Gains and losses on disposals are determined by comparing the proceeds with the carrying amount and are recognised in the Statement of comprehensive income.

**2.7 Debtors**

Short term debtors are measured at transaction price, less any impairment.

**2.8 Cash and cash equivalents**

Cash is represented by cash in hand and deposits with financial institutions repayable without penalty on notice of not more than 24 hours. Cash equivalents are highly liquid investments that mature in no more than three months from the date of acquisition and that are readily convertible to known amounts of cash with insignificant risk of change in value.

---

**TALENT OUTSOURCING SOLUTIONS LIMITED**

---

---

**NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 30 JUNE 2020**

---

**2. Accounting policies (continued)****2.9 Financial instruments**

The company only enters into basic financial instrument transactions that result in the recognition of financial assets and liabilities like trade and other debtors and creditors, loans from banks and other third parties, loans to related parties and investments in ordinary shares.

Debt instruments (other than those wholly repayable or receivable within one year), including loans and other accounts receivable and payable, are initially measured at present value of the future cash flows and subsequently at amortised cost using the effective interest method. Debt instruments that are payable or receivable within one year, typically trade debtors and creditors, are measured, initially and subsequently, at the undiscounted amount of the cash or other consideration expected to be paid or received. However, if the arrangements of a short-term instrument constitute a financing transaction, like the payment of a trade debt deferred beyond normal business terms or in case of an out-right short-term loan that is not at market rate, the financial asset or liability is measured, initially at the present value of future cash flows discounted at a market rate of interest for a similar debt instrument and subsequently at amortised cost, unless it qualifies as a loan from a director in the case of a small company, or a public benefit entity concessionary loan.

Financial assets that are measured at cost and amortised cost are assessed at the end of each reporting period for objective evidence of impairment. If objective evidence of impairment is found, an impairment loss is recognised in the Statement of comprehensive income.

For financial assets measured at amortised cost, the impairment loss is measured as the difference between an asset's carrying amount and the present value of estimated cash flows discounted at the asset's original effective interest rate. If a financial asset has a variable interest rate, the discount rate for measuring any impairment loss is the current effective interest rate determined under the contract.

For financial assets measured at cost less impairment, the impairment loss is measured as the difference between an asset's carrying amount and best estimate of the recoverable amount, which is an approximation of the amount that the company would receive for the asset if it were to be sold at the reporting date.

Financial assets and liabilities are offset and the net amount reported in the Statement of financial position when there is an enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

**2.10 Creditors**

Short term creditors are measured at the transaction price. Other financial liabilities are measured initially at fair value, net of transaction costs, and are measured subsequently at amortised cost using the effective interest method.

---

**TALENT OUTSOURCING SOLUTIONS LIMITED**

---

---

**NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 30 JUNE 2020**

---

**2. Accounting policies (continued)****2.11 Foreign currency translation****Functional and presentation currency**

The company's functional and presentational currency is GBP.

**Transactions and balances**

Foreign currency transactions are translated into the functional currency using the spot exchange rates at the dates of the transactions.

At each period end foreign currency monetary items are translated using the closing rate. Non-monetary items measured at historical cost are translated using the exchange rate at the date of the transaction and non-monetary items measured at fair value are measured using the exchange rate when fair value was determined.

Foreign exchange gains and losses resulting from the settlement of transactions and from the translation at period-end exchange rates of monetary assets and liabilities denominated in foreign currencies are recognised in the Statement of comprehensive income.

Foreign exchange gains and losses that relate to borrowings and cash and cash equivalents are presented in the Statement of comprehensive income within 'finance income or costs'. All other foreign exchange gains and losses are presented in the Statement of comprehensive income within 'other operating income'.

**2.12 Taxation**

Tax is recognised in the Statement of comprehensive income, except that a change attributable to an item of income and expense recognised as other comprehensive income or to an item recognised directly in equity is also recognised in other comprehensive income or directly in equity respectively.

The current income tax charge is calculated on the basis of tax rates and laws that have been enacted or substantively enacted by the reporting date in the countries where the company operates and generates income.

**2.13 Finance costs**

Finance costs are charged to the Statement of comprehensive income over the term of the debt using the effective interest method so that the amount charged is at a constant rate on the carrying amount. Issue costs are initially recognised as a reduction in the proceeds of the associated capital instrument.

---

**TALENT OUTSOURCING SOLUTIONS LIMITED**

---

**NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 30 JUNE 2020**

---

**2. Accounting policies (continued)**
**2.14 Pensions**
**Defined contribution pension plan**

The company operates a defined contribution plan for its employees. A defined contribution plan is a pension plan under which the company pays fixed contributions into a separate entity. Once the contributions have been paid the company has no further payment obligations.

The contributions are recognised as an expense in the Statement of comprehensive income when they fall due. Amounts not paid are shown in accruals as a liability in the Statement of financial position. The assets of the plan are held separately from the company in independently administered funds.

**3. Judgements in applying accounting policies and key sources of estimation uncertainty**

Management consider there to be no key judgements in the application of accounting policies, nor any key sources of estimation uncertainty.

**4. Turnover**

The whole of the turnover is attributable to the principal activity of the company. All turnover arose within the United Kingdom.

**5. Other operating income**

	2020 £	2019 £
Grants received under the Government Coronavirus Job Retention Scheme	<u>2,950</u>	<u>-</u>

**6. Auditor's remuneration**

	2020 £	2019 £
Fees payable to the company's auditor and its associates for the audit of the company's annual financial statements	<u>5,200</u>	<u>4,800</u>

The company has taken advantage of the exemption not to disclose amounts paid for non audit services as these are disclosed in the group accounts of the parent company.

---

**10. Taxation (continued)****Factors affecting tax charge for the year**

The tax assessed for the year is lower than (2019 - *higher than*) the standard rate of corporation tax in the UK of 19% (2019 - 19%). The differences are explained below:

	2020 £	2019 £
Profit/(loss) on ordinary activities before tax	<b>33,884</b>	<b>(21,871)</b>
Profit/(loss) on ordinary activities multiplied by standard rate of corporation tax in the UK of 19% (2019: 19%)	<b>6,438</b>	<b>(4,155)</b>
<b>Effects of:</b>		
Expenses not deductible for tax purposes, other than goodwill amortisation and impairment	71	334
Adjustment to tax charge in respect of prior periods - deferred tax	-	19
