### WARREN CONTRACTING SERVICES (NW) LTD

### Notes to the Financial Statements For the year ended 31 May 2017

#### **Statutory Information**

Warren Contracting Services (NW) Ltd is a private limited company, limited by shares, domiciled in England and Wales, registration number 08517094.

The presentation currency is £ sterling.

#### 1. Accounting Policies

#### Basis of accounting

The financial statements are prepared under the historical cost convention and in accordance with the FRS 102 Financial Reporting Standard for Smaller Entities (effective January 2016).

#### **Turnover**

Turnover comprises the invoiced value of goods and services supplied by the company, net of Value Added Tax and trade discounts.

#### Operating lease rentals

Rentals payable under operating leases are charged against income on a straight line basis over the lease term.

#### Finance lease and hire purchase charges

The finance element of the rental payment is charged to the profit and loss account on a straight line basis.

#### **Deferred taxation**

Deferred tax is provided in full in respect of taxation deferred by timing differences between the treatment of certain items for taxation and accounting purposes. The deferred tax balance has not been discounted.

#### **Dividends**

Proposed dividends are only included as liabilities in the financial statements when their payment has been approved by the shareholders prior to the balance sheet date.

#### Tangible fixed assets

Tangible fixed assets, other than freehold land, are stated at cost or valuation less depreciation and any provision for impairment. Depreciation is provided at rates calculated to write off the cost or valuation of fixed assets, less their estimated residual value, over their expected useful lives on the following basis:

Motor Vehicles 4 years Straight Line
Computer Equipment 3 years Straight Line
Fixtures and Fittings 4 years Straight Line
Leasehold Property 3 years Straight Line

#### Assets on finance lease and hire purchase

Assets held under finance lease or hire purchase contracts i.e. those contracts where substantially all the risks and rewards of ownership have passed to the company, are included in the appropriate category of tangible fixed assets and depreciated over the shorter of the lease term and their estimated expected useful lives.

Future obligations under such contracts are included in creditors net of the finance charge allocated to future periods.

#### Stocks

Stocks are valued at the lower of cost and net realisable value after making due allowance for obsolete and slow moving items. Cost includes all direct costs and an appropriate proportion of fixed and variable overheads.

#### **Provisions**

Provisions are recognised when the company has a present obligation as a result of a past event which it is more probable than not will result in an outflow of economic benefits that can be reasonably estimated.
