**Notes to the Financial Statements
for the Year Ended 28 February 2022**

1. STATUTORY INFORMATION

Hanson Oakley Limited is a private company, limited by shares, registered in England and Wales. The company's registered number and registered office address can be found on the Company Information page.

2. ACCOUNTING POLICIES

Basis of preparing the financial statements

These financial statements have been prepared in accordance with Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" including the provisions of Section 1A "Small Entities" and the Companies Act 2006. The financial statements have been prepared under the historical cost convention.

Turnover

Turnover represents net invoiced sale of goods, excluding value added tax.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.
Plant and machinery etc - 25% on cost

Taxation

Taxation for the year comprises current and deferred tax. Tax is recognised in the Income Statement, except to the extent that it relates to items recognised in other comprehensive income or directly in equity.

Current or deferred taxation assets and liabilities are not discounted.

Current tax is recognised at the amount of tax payable using the tax rates and laws that have been enacted or substantively enacted by the balance sheet date.

Deferred tax

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date.

Timing differences arise from the inclusion of income and expenses in tax assessments in periods different from those in which they are recognised in financial statements. Deferred tax is measured using tax rates and laws that have been enacted or substantively enacted by the year end and that are expected to apply to the reversal of the timing difference.

Unrelieved tax losses and other deferred tax assets are recognised only to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits.

Going concern

Although the balance sheet recorded net liabilities at the end of the period, the directors consider it appropriate to prepare the accounts on a going concern basis.

The directors also acknowledge the uncertainty concerning Covid-19 and the impact that this could have on the company's operational existence. At the time of approving the financial statements, Covid-19 has not had a detrimental impact on the activities of the company and the directors have a reasonable expectation that the company has adequate resources to continue in operational existence for the foreseeable future. Therefore, the directors deem it appropriate to continue to adopt the going concern basis in preparing the financial statements.

3. EMPLOYEES AND DIRECTORS

The average number of employees during the year was 2 (2021 - 2) .
