## Notes to the Abbreviated Accounts for the period ended 31 March 2015

## 1 Accounting Policies

**Basis of measurement and preparation of accounts**

The accounts have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities effective April 2008.

**Turnover policy**

Turnover represent the total invoice value, excluding value added tax, of sales made during the period.

**Tangible assets depreciation policy**

Depreciation is provided at the rates calculated to write off the cost less residual value of each asset over its expected useful life, as follows:

Motor vehicles - 20% written down value

**Other accounting policies**

Leasing and hire purchase commitments - Assets obtained under hire purchase contracts and finance leases are capitalised as tangible assets and depreciated over the shorter of the lease term and their useful lives. Obligations under such agreements are included in creditors net of the finance charge allocated to future periods. The finance element of the rental payment is charged to the profit and loss account so as to produce constant periodic rates of charge on the net obligations outstanding in each period.
