- (a) in discharging any sums owing to the Security Agent, any Receiver (including any payment of any remuneration to the same) or any Delegate;
- (b) in payment of all costs and expenses incurred by any Secured Party in connection with any realisation or enforcement of this deed and of all outgoings properly payable by any Secured Party;
- (c) for application in accordance with clause 31.5 (*Partial Payments*) of the Agreement; and
- (d) the balance (if any) will be applied as required by law.

11.2 *Prospective liabilities*

The Security Agent may, in its discretion, hold any amount of the Recoveries in an interest bearing suspense or impersonal account(s) in the name of the Security Agent (or at its option the name of any other Finance Party any of whose Secured Liabilities are at that time still contingent) with such financial institution (including itself) and for so long as the Security Agent shall think fit (the interest being credited to the relevant account) for later application under clause 11.1 (*Order of Application*) in respect of:

- (a) any sum owing to the Security Agent, any Receiver or any Delegate; and
- (b) any part of the Secured Liabilities,

that the Security Agent reasonably considers, in each case, might become due or owing at any time in the future.

11.3 *Investment of proceeds*

Prior to the application of the proceeds of the Recoveries in accordance with clause 11.1 (*Order of Application*) the Security Agent may, in its discretion, hold all or part of those proceeds in an interest bearing suspense or impersonal account(s) in the name of the Security Agent with such financial institution (including itself) and for so long as the Security Agent shall think fit (the interest being credited to the relevant account) pending the application from time to time of those moneys in the Security Agent's discretion in accordance with clause 11.1 (*Order of Application*).

11.4 *Currency Conversion*

- (a) For the purpose of, or pending the discharge of, any of the Secured Liabilities the Security Agent may convert any moneys received or recovered by the Security Agent from one currency to the currency in which the Secured Liabilities are denominated, at a market rate of exchange.
- (b) The Secured Liabilities shall only be satisfied to the extent of the amount of the due currency purchased after deducting the costs of conversion.

11.5 *Permitted Deductions*

The Security Agent shall be entitled, in its discretion:

- (a) to set aside by way of reserve amounts required to meet, and to make and pay, any deductions and withholdings (on account of Taxes or otherwise) which it is or may be required by any applicable law to make from any distribution or payment made by it under this deed; and
- (b) to pay all Taxes which may be assessed against it in respect of any of the Charged Property, or as a consequence of performing its duties, or by virtue of its capacity as Security Agent under any of the Finance Documents or otherwise (other than in connection with its remuneration for performing its duties under the Agreement).

12. **Protection of Persons Dealing with Security Agent Receiver or Delegate**

No person dealing with the Security Agent or any Receiver or Delegate will be concerned to enquire:

- (a) whether any event has happened upon which any of the powers conferred by this deed may have arisen or be exercisable;
- (b) otherwise as to the propriety or regularity of any exercise of the powers conferred by this deed or of any act purporting or intended to be in exercise of such powers; or
- (c) whether any Secured Liabilities remain owing.

13. Notice of Subsequent Charge

If any Finance Party receives notice of any Security or other interest affecting any Charged Property:

- (a) it may open a new account for any Assignor in its books and may transfer any outstanding balance of the Secured Liabilities to such new account;
- (b) if it does not open a new account then, unless it gives express written notice to the contrary to that Assignor, all payments of the Secured Liabilities will as from the time of receipt of such notice be treated as having been credited to a new account of that Assignor and not as having been applied in reduction of the Secured Liabilities.

14. Further Assurance

When required by the Security Agent or any Receiver each Assignor shall, at its own cost:

- (a) execute an assignment of any Charged Property and such assignment shall secure the Secured Liabilities and contain a power of sale which arises immediately upon execution, provisions excluding s.93 of the LPA and the restrictions contained in s.103 of the LPA and such other provisions including any similar to those in this deed as the Security Agent may reasonably require;
- (b) execute any documents or do any other thing which the Security Agent or any Receiver may require for perfecting or protecting any Security created by this deed or in connection with the exercise of any powers given to the Security Agent or any Receiver under this deed; and
- (c) convey, transfer, assign or otherwise deal with any Charged Property in such manner as the Security Agent or any Receiver may require in connection with any enforcement of any Security created by this deed.

15. Power of Attorney by the Assignors

Each Assignor irrevocably and by way of security appoints each of the Security Agent, any person selected by the Security Agent and any Receiver its attorney in each case (with full power to appoint substitutes and to delegate) severally in its name and on its behalf to execute any document or do any act or thing which:

- (a) that Assignor is entitled to execute or do in relation to the Charged Property including giving a receipt for any money and exercising any rights or remedies forming part of the Charged Property; or

- (b) that Assignor is obliged to execute or do under this deed or the Subordination Agreement.

16. Protective Provisions

16.1 *Waiver of defences*

The obligations of each Assignor under this deed and the security constituted by this deed will not be affected by an act, omission, matter or thing which, but for this clause, would reduce, release or prejudice any of such obligations or security including (whether or not known to it or any Secured Party):

- (a) any time, waiver or consent granted to, or composition with, any other Obligor or other person;
- (b) the release of any other Obligor or any other person under the terms of any composition or arrangement with any creditor of any Obligor;
- (c) the taking, variation, compromise, exchange, renewal or release of, or refusal or neglect to perfect, take up or enforce, any rights against, or security over property of, any other Obligor or other person or any non-presentation or non-observance of any formality or other requirement in respect of any instrument or any failure to realise the full value of any security;
- (d) any incapacity or lack of power, authority or legal personality of or dissolution or change in the members or status of any other Obligor or any other person;
- (e) any amalgamation, merger or reconstruction of any Secured Party with any other person or any sale or transfer of the whole or any part of the assets of any Secured Party to any other person;
- (f) the existence of any claim, set-off or other rights which any other Obligor may have at any time against any Secured Party, whether in connection with the Finance Documents or otherwise;
- (g) any novation, amendment (however fundamental) or replacement of a Finance Document or any other document or security;
- (h) any obligation of any person under any Finance Document or any other document or security being Unenforceable; or
- (i) any insolvency or similar proceedings.

16.2 *Assignors' Intent*

Without prejudice to the generality of clause 16.1 (*Waiver of defences*), each Assignor expressly confirms that it intends that the security created by this deed shall extend from time to time to any (however fundamental) variation, increase, extension or addition of or to any of the Finance Documents and/or any facility or amount made available under any of the Finance Documents for the purposes of or in connection with any of the following: acquisitions of any nature; increasing working capital; enabling investor distributions to be made; carrying out restructurings; refinancing existing facilities; refinancing any other indebtedness; making available acceptance credit facilities, note purchase facilities, guarantee, stand-by or documentary credit issuance facilities; making facilities available to new borrowers; any other variation or extension of the purposes for which any such facility or amount might be made

available from time to time; and any fees, costs and/or expenses associated with any of the foregoing.

16.3 *Immediate recourse*

Each Assignor waives any right it may have of first requiring any Secured Party to proceed against or enforce any other rights or security or claim payment from any person before enforcing the security constituted by this deed. This waiver applies irrespective of any law or any provision of a Finance Document to the contrary.

16.4 *Appropriations*

Until the Secured Liabilities have been irrevocably paid in full, the Security Agent may:

- (a) refrain from applying or enforcing any other moneys, security or rights held or received by the Security Agent in respect of the Secured Liabilities, or apply and enforce the same in such manner and order as it sees fit (whether against the Secured Liabilities or otherwise) and no Assignor shall be entitled to the benefit of the same; and
- (b) hold in an interest-bearing suspense account any money received under this deed.

16.5 *Deferral of Assignors' rights*

Until the Secured Liabilities have been irrevocably paid in full and unless the Security Agent otherwise directs, no Assignor will exercise any rights which it may have by reason of the enforcement of this deed:

- (a) to be indemnified by the Borrower;
- (b) to claim any contribution from any other Obligor or any other person in respect of any obligations of that person under the Finance Documents;
- (c) to take the benefit (in whole or in part and whether by way of subrogation or otherwise) of any rights of any Secured Party under the Finance Documents or of any other guarantee or security taken pursuant to, or in connection with, the Finance Documents by any Finance Party;
- (d) to bring legal or other proceedings for an order requiring any Obligor to make any payment, or perform any obligation, in respect of which the Assignor has given security under this deed;
- (e) to exercise any right of set-off against any Obligor; and/or
- (f) to claim or prove as a creditor of any Obligor in competition with any Secured Party.

16.6 *Turnover*

If any Assignor receives any benefit, payment or distribution in relation to the rights referred to in clause 16.5 (*Deferral of Assignors' rights*) it shall hold that benefit, payment or distribution to the extent necessary to enable the Secured Liabilities to be repaid in full on trust for the Security Agent and shall promptly pay or transfer the same to the Security Agent or as the Security Agent may direct for application as provided in clause 11 (*Application of Sums Realised*).

17. Discharge of Security

Any discharge of an Assignor by the Security Agent in reliance on a payment or security received by the Security Agent will cease to be effective if that payment or security is avoid, reduced or invalidated for any reason and the Security Agent will be entitled to recover from that Assignor on demand the amount of the Secured Liabilities discharged by such payment or security.

18. Re-assignment

If the Security Agent determines in accordance with the Agreement that all of the Secured Liabilities have been fully and finally discharged and none of the Secured Parties is under any commitment, obligation or liability (actual or contingent) to make advances or provide other financial accommodation to any Obligor pursuant to the Finance Documents the Security Agent shall:

- (a) re-assign to each Assignor, without recourse or warranty all of the Security constituted by this deed; and
- (b) release the rights of the Security Agent under this deed.

19. Default Interest

Any sum payable by any Assignor under this deed will bear interest from the date on which it is due or if payable on demand from the date of demand until payment (both before and after judgment) at the Default Rate as calculated and compounded from time to time in accordance with the Agreement.

20. Notices

20.1 Communications in writing

Any communication to be made under or in connection with this deed shall be made in writing and, unless otherwise stated, may be made by fax or letter.

20.2 Addresses

The address and fax number (and the department or officer, if any, for whose attention the communication is to be made) of each Party for any communication or document to be made or delivered under or in connection with this deed is:

- (a) in the case of an Assignor, that identified with its name below; and

- (ii) if by way of letter, when it has been left at the relevant address or five Business Days after being deposited in the post postage prepaid in an envelope addressed to it at that address;

and, if a particular department or officer is specified as part of its address details provided under clause 20.2 (*Addresses*), if addressed to that department or officer.

- (a) Any communication or document to be made or delivered to the Security Agent will be effective only when actually received by the Security Agent and then only if it is expressly marked for the attention of the department or officer identified with the Security Agent's signature below (or any substitute department or officer as the Security Agent shall specify for this purpose).
- (c) Any communication or document which becomes effective, in accordance with paragraphs (a) to (b) above, after 5.00 p.m. in the place of receipt shall be deemed only to become effective on the following day.

20.4 *Notification of address and fax number*

Promptly upon changing its address or fax number, Security Agent shall notify the other Parties.

21. **Changes to the parties**

21.1 *Security Agent*

The Security Agent may assign or transfer the rights and interests of the Security Agent under or in connection with this deed to any successor to the Security Agent.

21.2 *Assignor*

No Assignor may assign any of its rights or transfer any of its rights or obligations under this deed.

21.3 *Disclosure*

Any Finance Party may disclose any information about an Assignor to any person connected to or associated with it, and to any person to whom it proposes to assign or transfer (or has assigned or transferred) any of its rights under any Finance Document.

22. **Tax Gross-up**

- (a) Each Assignor shall make all payments to be made by it under this deed without any deduction or withholding for or on account of Tax (a "**Tax Deduction**") unless a Tax Deduction is required by law.
- (b) Each Assignor shall promptly upon becoming aware that it must make a Tax Deduction (or that there is any change in the rate or the basis of a Tax Deduction) notify the Security Agent accordingly.
- (c) If a Tax Deduction is required by law to be made by any Assignor, the amount of the payment due from that Assignor shall be increased to an amount which (after making any Tax Deduction) leaves an amount equal to the payment which would have been due if no Tax Deduction had been required.

- (d) If any Assignor is required to make a Tax Deduction, it shall make that Tax Deduction and any payment required in connection with that Tax Deduction within the time allowed and in the minimum amount required by law.
- (e) Within 30 days of making either a Tax Deduction or any payment required in connection with that Tax Deduction, each Assignor shall deliver to the Security Agent evidence satisfactory to the Security Agent that the Tax Deduction has been made or (as applicable) any appropriate payment has been paid to the relevant taxing authority.

23. Set-off

The Security Agent may set off any obligation whether or not matured due from any Assignor under this deed against any obligation whether or not matured owed by the Security Agent to such Assignor, regardless of the place of payment, booking branch or currency of either obligation. If the obligations are in different currencies, the Security Agent may convert either obligation at a market rate of exchange in its usual course of business for the purpose of the set-off.

24. Miscellaneous

24.1 Trust

The Security Agent holds the benefit of this deed as trustee for the Secured Parties on the terms set out in the Agreement.

Clauses 2.3 (*Finance Parties' rights and obligations*), 12 (*Tax gross up and indemnities*), 14 (*Other indemnities*), 16 (*Costs and expenses*), 24 (*Events of Default*), 27 (*Role of the Agent, the Security Agent and the Arranger*), 30 (*Sharing among the Finance Parties*), 31 (*Payment mechanics*), 33 (*Notices*), 34 (*Calculations and certificates*), 35 (*Partial invalidity*), 36 (*Remedies and waivers*), 37 (*Amendments and waivers*) and 39 (*Counterparts*) of the Agreement shall be deemed to be incorporated into this deed.

24.3 Third Party Rights

- (a) Unless expressly provided to the contrary, a person who is not a party to this deed has no right under the Third Parties Act to enforce or to enjoy the benefit of any term of this deed.
- (b) Notwithstanding any term of this deed, the consent of any person other than the Assignors and the Security Agent is not required to rescind or vary this deed at any time.
- (c) A Secured Party may, subject to this clause 24.3 and the Third Parties Act, rely on any provision of this deed which expressly confers rights on it.

24.4 Continuing Security

This deed is a continuing security and extends to the balance from time to time of the Secured Liabilities irrespective of any intermediate payment of the Secured Liabilities.
