Executive Summary

The above Company Voluntary Arrangement ("CVA") was approved on 09 October 2019.

This report describes the progress since 09 October 2020 to 08 October 2021 and the progress of the CVA as a whole.

Termination

In accordance with the approved terms of the Arrangement, the Company was to make 60 monthly contributions of £1,000. The Company has failed to maintain payments and has fallen into arrears. As such, a Notice of Breach was issued on 12 April 2021.

The Breach remains unremedied and in accordance with the modified terms of the Arrangement a Winding Up Petition was presented to Court on 07 October 2021 and subsequently heard on 22 November 2021, the Winding Up Petition was granted and the Company has now been wound up.

Accordingly, the CVA has terminated and the Supervisor has issued a Notice of Termination along with this report. Therefore, creditors are no longer bound by the CVA.

Receipts and Payments

I attach a copy of my Final Receipts and Payments Account for the Review Period and for the CVA as a whole.

Contributions

Under the terms of the CVA Proposal, the Company was required to contribute £1,000 each month for 60 months.

Contributions totalling £10,250 have been received since the commencement of the CVA and therefore the Company was in breach of the requirement in relation to the payment of contributions.

Creditors' Claims

A schedule of creditor claims received, and their current status, is attached to this report.

Dividends

No distributions will be made to unsecured creditors due to insufficient funds.

Fees

In accordance with the CVA terms, Nominee's fees of £9,812 have been drawn to date.

The CVA terms provide that the Supervisor is remunerated on the basis of 20% of realisations and drawn proportionally as funds are received.

Creditors may access a Guide to Voluntary Arrangement Fees at: <https://www.insolvency-practitioners.org.uk/regulation-and-guidance/guides-to-fees> or a hard copy will be provided on request.

The tasks undertaken since my last progress report are as follows:

Administration: complying with the statutory and regulatory duties as regards filing, maintaining records, managing a cash book and bank account, conducting periodic case reviews and drafting

this progress report; pursuing delivery of the Company's accounts; issuing the Notice of Breach described above and monitoring the Company's remedial actions.

Realisation of assets: monitoring and processing the Company's payment of voluntary contributions.

Creditors: responding to creditors' queries; logging creditors' claims and supporting information; maintaining the database as regards creditors' contact details and claims; adjudicating on all claims received.

Disbursements have been drawn in accordance with the terms of the proposal.

Conclusion

The Arrangement has now been terminated and the Supervisor will vacate office once a copy of this final report has been filed with the Registrar of Companies. However, he may continue to exercise such powers granted to him under the CVA terms as are necessary for him to conclude all duties, obligations and responsibilities under the CVA, Act and Rules.

If there are any queries regarding the content of this report, please do not hesitate to contact me.
