3. PROGRESS MADE IN THE PERIOD, TOGETHER WITH RECEIPTS AND PAYMENTS ACCOUNT MADE

Attached at Appendix A is a copy of our Receipts and Payments Account for the period under review, from 19 March 2021 to 18 March 2022, together with cumulative total. I have reconciled the account against the financial records that I am required to maintain.

All figures detailed in the Receipts and Payments account are shown net of VAT.

The progress and movement on the Account is explained as follows:

Asset Realisations

(i) Cash at Bank

The Declaration of Solvency detailed the company held cash at bank as at the date of Liquidation. As detailed in the attached Receipts and Payments Account, these monies (£255,243.52) have been received during the period under review.

It is noted that the amount received was in line with that originally anticipated.

(ii) Overdrawn Director's Loan Account

Since the date of Liquidation, it was identified that the company held an overdrawn director's loan account.

A resolution was passed to enable these funds to be distributed in Specie.

As a result, the overdrawn director's loan account was distributed to members during the period under review (£26,494).

Costs of Realisations

I have not needed the assistance of any professional agent to realise the company's assets, or to assist with Liquidation matters in general. As such, no costs have been incurred.

4. ASSETS WHICH REMAIN TO BE REALISED

The Receipts and Payments Account at Appendix 1 not only provides the realisations to date but also provides the Declaration of Solvency figure as provided by the Company's Director(s). It will be seen from the anticipated assets (shown in the far left-hand column) that all the assets have been realised.

However, I would like to comment on the following:

(i) Tax Refund

Since the date of Liquidation, it was identified that the company was due a Tax Refund.

I confirm that efforts are still being made for this to be received.

I will provide a further update in my next report.

5. ESTIMATED OUTCOME FOR CREDITORS / DISTRIBUTIONS

I set out specific information for each class of creditor.

Secured Creditors

The company has no secured creditors.

Preferential Creditors

There are no known preferential claims.

Crown Creditors

The Declaration of Solvency detailed the company held no creditors. However, during the period under review, two claims were received from HM Revenue & Customs in respect of Corporation Tax and VAT.

After validating both claims, dividends of £10,629.17 plus statutory interest and £5,200 plus statutory interest was paid to HM Revenue & Customs in respect of Corporation Tax and VAT. This sum was paid during the period under review.

In accordance with Rule 14.36 of the Insolvency Rules (England & Wales) 2016, I can confirm that no further dividend to creditors will be made in this matter.

Unsecured Creditors

There are no known unsecured claims.

Share Capital

The following distributions have been made to the Members:

Date	Amount Distribution	Type of Distribution	Rate of Distribution Per Share
06/05/2021	£239,261.79	Cash	£2,392.62 per Ordinary Share
06/05/2021	£26,494.00	In Specie	£264.94 per Ordinary Share

The distributions paid to date, were all paid during the period under review.

6. PRE-APPOINTMENT REMUNERATION

Prior to my appointment at a meeting held on 19 March 2021, the Board previously authorised the payment of a fee of £995 plus VAT to Clarke Bell Limited for preparing the Declaration of Solvency, and for producing and circulating the notices for the meeting of Members.

The fee for preparing the Declaration of Solvency and convening the meeting was paid prior to the Liquidation, by the Company.

7. LIQUIDATORS' REMUNERATION AND EXPENSES

Remuneration

At the meeting of members held on 19 March 2021, the following resolution was passed in respect of my remuneration in this matter.

That the Joint Liquidators be entitled to draw £250 plus VAT for the realisation of each asset, together with £250 plus VAT for the payment of each creditor, which were not detailed on the Declaration of Solvency.

Whilst creditors were paid during the period of the Liquidation, and additional assets were realised, no post appointment fees were drawn.

Joint Liquidators' Expenses

Expenses are any payments from the Estate which are neither an office holder's remuneration nor a distribution to a creditor or a member. Expenses also includes disbursements. Disbursements are payments which are first met by the office holder and then reimbursed to the office holder from the estate. Expenses are split into:

- Category 1 expenses, which are payments to persons providing the service to which the expense relates who are not an associate of the office holder; and
- Category 2 expenses, which are payments to associates or which have an element of shared costs. Before being paid category 2 expenses require approval in the same manner as an office holder's remuneration.

A detailed explanation of Category 1 and Category 2 expenses, together with the approved rates for Category 2 expenses, is set out in Appendix B.

Category 1 expenses are those that are directly attributable to a third party invoice.

Category 1 expenses incurred in the period under review, together with those incurred to date, are set out in the table below.

Type Of Expense	Provider	Incurred During The Period Under Review (£)	Paid To Date (£)	Total Amount Outstanding (£)
Statutory Advertising	Courts Advertising	243.00	243.00	0.00
Bordereau	Marsh Limited	110.00	110.00	0.00

Category 1 expenses paid to date, were all discharged by the Company, prior to my appointment.

Category 2 expenses are those that are based upon an estimate or an internally set rate.

To date, no approval to enable us to draw Category 2 expenses has been sought.

8. FURTHER INFORMATION

A Member may, with the permission of the court or with at least 5% of the total voting rights of all the Members having the right to vote at general meetings of the company request further details of the Joint Liquidators' remuneration and expenses, within 21 days of receipt of this report.

A Member may, with the permission of the court or with at least 10% of the total voting rights of all the Members having the right to vote at general meetings of the company, apply to Court to challenge the amount of remuneration charged by the Joint Liquidators as being excessive, and/or the basis of the Joint Liquidators' remuneration, and/or the amount of the expenses incurred as being excessive, within 8 weeks of their receipt of this report.

To comply with the Provision of Services Regulations, some general information above about Clarke Bell Limited that is of relevance to creditors can be found via our website at <https://www.clarkebell.com/provision-of-services-regulations/>

9. CONCLUSION

I am required to deliver a copy of our progress report within two months after the end of the period covered by the report.

We are currently waiting for HM Revenue and Customs to grant clearance in relation to Corporation Tax, VAT & PAYE/NIC.

Additionally as detailed at 4(i), we are still in the process of realising this asset. As such, the Liquidation will remain open until these matters are formally concluded.

If members have any queries regarding the conduct of the Liquidation, or if they want hard copies of any of the documents made available on-line, they should contact Rachel Tsang on 0161 907 4044, or by email at mvl@clarkebell.com.

Yours faithfully

JOHN PAUL BELL
JOINT LIQUIDATOR

DATED: 26 APRIL 2022

APPENDIX A

RECEIPTS AND PAYMENTS ACCOUNT

APPENDIX B

JOINT LIQUIDATORS' EXPENSES POLICY

Category 1 & Category 2 Expenses

Expenses are categorised as either Category 1 or Category 2.

Category 1

Category 1 expenses are clearly identifiable third party costs that are directly attributable to the case. Occasionally these expenses are paid by Clarke Bell Limited and then recharged to the case, usually when there are insufficient funds within the case to pay the expense at the time it falls due. Specific approval from creditors is not required for Category 1 expenses.

Typical examples of Category 1 expenses are:

- Postage
- Advertising
- Insurance
- Travel costs
- External room hire

Category 2

Category 2 expenses are estimated or shared costs which may include some internal recharges from Clarke Bell Limited. It is likely that it is not possible, or too costly, to calculate the exact cost and an estimate is therefore used. These expenses can be paid from the case if the basis of the charge has been approved by creditors.

Typical examples of Category 2 expenses are:

- Photocopying
- Mileage
- Storage
- Agent costs where the Agent is deemed as an associate

The current levels of Category 2 expenses recovered by Clarke Bell Limited are as follows:

Photocopying at £0.15 per copy.
Mileage at £0.45 per mile.
Storage and destruction of records at £17 per box of records, per annum.
