## Notes to the Abbreviated Accounts for the period ended 31 October 2016

## 1 Accounting Policies

**Basis of measurement and preparation of accounts**

The financial statements are prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008)

**Turnover policy**

Turnover comprises the invoiced value of services provided by the company, net of Value Added Tax and trade discounts.

**Tangible assets depreciation policy**

Tangible Fixed Assets, other than freehold land, are stated at cost or valuation less depreciation and any provision for impairment. Depreciation is provided at rates calculated to write off the cost or valuation of fixed assets, less their estimated residual value, over their expected useful lives on the following basis:

Plant and Machinery 20% Straight Line

Motor Car 20% Straight Line

Furniture and Fittings 20% Straight Line

No depreciation is provided on the company's freehold properties since in the opinion of the directors the expected useful lives are sufficiently long and the estimated residual values are sufficiently high that any such depreciation would be immaterial. The directors undertake an annual impairment review of those properties.
