The directors of the company have elected not to include a copy of the income statement within the financial statements.

For the financial year ended 30 April 2019 the company was entitled to exemption from audit under section 477 of the Companies Act 2006 relating to small companies.

The directors acknowledge their responsibilities for complying with the requirements of the Companies Act 2006 with respect to accounting records and the preparation of financial statements.

The member has not required the company to obtain an audit of its financial statements for the year in question in accordance with section 476.

These financial statements have been prepared and delivered in accordance with the provisions applicable to companies subject to the small companies regime.

# Statement of financial position (continued) as at 30 April 2019

The financial statements were approved by the board of directors and authorised for issue on 29 January 2020 and are signed on its behalf by:

J K Scott Director

Company Registration No. 09871695

# Notes to the financial statements for the year ended 30 April 2019

#### 1 Accounting policies

#### **Accounting convention**

These financial statements have been prepared in accordance with FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" ("FRS 102") and the requirements of the Companies Act 2006 as applicable to companies subject to the small companies regime. The disclosure requirements of section 1A of FRS 102 have been applied other than where additional disclosure is required to show a true and fair view.

The financial statements are prepared in sterling, which is the functional currency of the company.

#### Turnover

Turnover represents amounts receivable for goods and services. Turnover is recognised on the supply of services to the customer.

#### Intangible fixed assets - goodwill

Goodwill represents the excess of the cost of acquisition of unincorporated businesses over the fair value of net assets acquired. It is initially recognised as an asset at cost and is subsequently measured at cost less accumulated amortisation. Goodwill is considered to have a finite useful life and is amortised on a systematic basis over its expected life, which is 5 years.

#### Tangible fixed assets

Tangible fixed assets are initially measured at cost and subsequently measured at cost less depreciation.

Depreciation is recognised so as to write off the cost or valuation of assets less their residual values over their useful lives on the following bases:

Fixtures, fittings & equipment 20% reducing balance Computer equipment 33% reducing balance

#### **Current tax**

The tax currently payable is based on taxable profit for the year. Taxable profit differs from net profit as reported in the income statement because it excludes items of income or expense that are taxable or deductible in other years and it further excludes items that are never taxable or deductible. The company's liability for current tax is calculated using tax rates that have been enacted or substantively enacted by the reporting end date.

#### Deferred tax

Deferred tax is recognised in respect of all timing differences that have originated, but not reversed, at the balance sheet date. Timing differences represent accumulated differences between the company's taxable profit and its financial profit arise primarily from the differences between the accelerated capital allowances and depreciation.

#### 2 Employees

The average monthly number of persons (including directors) employed by the company during the year was 1 (2018 - 1).
