Project Light Bidco Limited

Strategic report for the year ended 31 October 2019

The Directors present the Strategic report for the year ended 31 October 2019.

Fair review of the business

The Company operates as an intermediate parent company.

During the year, the Company recorded a retained profit for the year of £866,952 (2018: £791,746). This arose from interest payable to the Company in respect of intercompany balances due from subsidiary undertakings. During the year dividends totalling £Nil (2018: £2,875,000) were declared and paid to the Company's immediate parent undertaking.

Principal risks and uncertainties

As the Company acts as an intermediate parent company, there are no specific risks and uncertainties relevant to the Company.

Key performance indicators

As the Company acts as an intermediate parent company and its only transactions have been to record interest receivable on intercompany debts, the key financial and operational performance indicators monitored by management include the calculation of interest owed from other group undertakings. The key financial and operational performance indicators monitored by the Directors, in relation to the wider business, are set out in the consolidated financial statements of Project Light Topco Limited.

By order of the Board of Directors

O J Lightowlers
Director

27 May 2020

Project Light Bidco Limited

Directors' report for the year ended 31 October 2019

The Directors present their report and the audited financial statements of Project Light Bidco Limited for the year ended 31 October 2019.

Principal activities

The principal activity of the Company is to act as an intermediate parent company.

Result for the year and dividends

During the year, the Company recorded a retained profit for the year of £866,952 (2018: £791,746). During the year dividends totalling £Nil (2018: £2,875,000) were declared and paid to the Company's immediate parent undertaking.

Directors

The Directors who served during the year (unless indicated) were as follows:

K W Roberts	(resigned 31 January 2019)
O J Lightowlers	
M G Goulding	
I B Jackson	
P E Kumchev	(resigned 1 February 2019)
K A Harkin	(appointed 30 January 2020)
M C Rushton	(appointed 30 January 2020)

Audit information

The Directors confirm that, so far as they are aware, there is no relevant audit information of which the auditor is unaware and that each Director has taken all reasonable steps to make themselves aware of any relevant audit information and to establish that the auditor is aware of that information.

Going concern

The Directors are required to make an assessment of the Company's ability to continue as a going concern. The Company is an intermediate parent company within a group of companies. Consequently, the going concern assessment has been carried out on a group basis.

The Directors consider that, as at the date of approving the financial statements, there is a reasonable expectation that the Company will have sufficient support from its parent undertaking and other group companies and therefore have adequate resources to remain in operation for the foreseeable future. For this reason, the Directors continue to adopt the going concern basis in preparing the financial statements.

In arriving at this view, the Directors have taken account of the impact to date of the Coronavirus. The virus has resulted in higher costs being incurred relating to consumables and staffing and at the same time reductions in occupancy caused by higher mortality and reduced admissions. Other operating subsidiaries within the Group have received some additional financial support from Local Authorities and it is anticipated other financial support will be forthcoming. Whilst the precise ongoing impact of the Coronavirus is difficult to quantify, the Directors have undertaken revised forecasting of performance and cash flows in determining the appropriateness of continuing to adopt the going concern basis in preparing the financial statements. This forecasting has included considering further reductions to occupancy caused by the virus and reduced admissions and continued higher operating costs arising from the virus. Where appropriate, the Directors have also considered the potential impact of strategies to reduce costs to reflect lower occupancy as well as actions that might be taken to manage cash. After carefully considering these and other factors, the Directors continue to adopt the going concern basis in preparing the financial statements.

Financial risk management

The financial performance of the wider business is monitored closely and forecasting is used to identify peaks and troughs in the cash requirement and plan accordingly.

Project Light Bidco Limited

Directors' report for the year ended 31 October 2019

Independent auditor

RSM UK Audit LLP have indicated their willingness to continue in office and a resolution concerning their reappointment shall be proposed at the Annual General Meeting.

Project Light Bidco Limited

Directors' statement of responsibilities

The Directors are responsible for preparing the Strategic report, the Directors' report and the financial statements in accordance with applicable law and regulations.

Company law requires the Directors to prepare financial statements for each financial period. Under that law the Directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the Directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period. In preparing those financial statements, the Directors are required to:

- a. select suitable accounting policies and then apply them consistently;
- b. make judgements and estimates that are reasonable and prudent;
- c. state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- d. prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

The Directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Independent auditor's report to the members of Project Light Bidco Limited

Opinion

We have audited the financial statements of Project Light Bidco Limited (the 'Company') for the year ended 31 October 2019 which comprise the statement of comprehensive income, statement of financial position, statement of changes in equity and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" (United Kingdom Generally Accepted Accounting Practice).

In our opinion, the financial statements:

- give a true and fair view of the state of the Company's affairs as at 31 October 2019 and of its profit for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice;
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the Company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the Directors' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the Directors have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the Company's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

Other information

The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. The Directors are responsible for the other information. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Strategic report and the Directors' report for the financial period for which the financial statements are prepared is consistent with the financial statements; and
- the Strategic report and the Directors' report have been prepared in accordance with applicable legal requirements.

Independent auditor's report to the members of Project Light Bidco Limited (continued)

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the Company and its environment obtained in the course of the audit, we have not identified material misstatements in the Strategic report and the Directors' report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of Directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of Directors

As explained more fully in the Directors' responsibilities statement set out on page 5, the Directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the Directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Directors either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: <http://www.frc.org.uk/auditorsresponsibilities> This description forms part of our auditor's report.

Use of our report

This report is made solely to the Company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the Company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Company and the Company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Project Light Bidco Limited

Accounting policies for the year ended 31 October 2019

General information

Project Light Bidco Limited is a private limited company, limited by shares and incorporated in England and Wales, and its registered number is 10224740. The registered office of the Company is Fourth Floor, 84 Albion Street, Leeds, LS1 6AG. The principal activity of the Company is that of intermediate parent company.

Basis of accounting

These financial statements have been prepared in accordance with FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" ("FRS 102") and the requirements of the Companies Act 2006, including the provisions of the Large and Medium-sized Companies and Groups (Accounts and Reports) Regulations 2008, and under the historical cost convention.

The financial statements are prepared in sterling, which is the functional currency of the Company.

The Company has taken advantage of the exemption under section 400 of the Companies Act 2006 not to prepare consolidated financial statements. The financial statements present information about the Company as an individual entity and not about its Group.

Reduced disclosures

The Company has taken advantage of the exemption from disclosing the following information, as permitted by the reduced disclosure regime within FRS 102:

- Section 7 'Statement of Cash Flows' – Presentation of a Statement of Cash Flow and related notes and disclosures
- Section 11 'Basic Financial Instruments' & Section 12 'Other Financial Instrument Issues' – Carrying amounts, interest income/expense and net gains/losses for each category of financial instrument; basis of determining fair values; details of collateral, loan defaults or breaches, details of hedges, hedging fair value changes recognised in profit or loss and in other comprehensive income
- Section 33 'Related Party Disclosures' – Compensation for key management personnel

The financial statements of the Company are consolidated in the financial statements of Project Light Topco Limited. The consolidated financial statements of Project Light Topco Limited are available from its registered office, Fourth Floor, 84 Albion Street, Leeds, LS1 6AG.

Financial assets

Intercompany debtors

Intercompany debtors which are receivable within one year and which do not constitute a financing transaction are initially measured at the transaction price and subsequently measured at amortised cost, being the transaction price less any amounts settled and any impairment losses.

Financial liabilities and equity

Financial instruments are classified as liabilities and equity instruments according to the substance of the contractual arrangements entered into. An equity instrument is any contract that evidences a residual interest in the assets of the Company after deducting all of its liabilities.

Equity instruments

Financial instruments classified as equity instruments are recorded at the fair value of the cash or other resources received or receivable, net of direct costs of issuing the equity instruments.

Derecognition of financial assets and liabilities

A financial asset is derecognised only when the contractual rights to cash flows expire or are settled, or substantially all the risks and rewards of ownership are transferred to another party, or if some significant risks and rewards of ownership are retained but control of the asset has transferred to another party that is able to sell the asset in its entirety to an unrelated third party. A financial liability (or part thereof) is derecognised when the obligation specified in the contract is discharged, cancelled or expires.

Project Light Bidco Limited

Accounting policies for the year ended 31 October 2019

Investments

Investments in subsidiary undertakings are stated at cost less any provision for impairment. Interests in subsidiary undertakings are assessed for impairment at each reporting date. Any impairment losses or reversals of impairment losses are recognised immediately in profit or loss.

Going concern

The Directors are required to make an assessment of the Company's ability to continue as a going concern. The Company is an intermediate parent company within a group of companies. Consequently, the going concern assessment has been carried out on a group basis.

The Directors consider that, as at the date of approving the financial statements, there is a reasonable expectation that the Company will have sufficient support from its parent undertaking and other group companies and therefore have adequate resources to remain in operation for the foreseeable future. For this reason, the Directors continue to adopt the going concern basis in preparing the financial statements.

In arriving at this view, the Directors have taken account of the impact to date of the Coronavirus. The virus has resulted in higher costs being incurred relating to consumables and staffing and at the same time reductions in occupancy caused by higher mortality and reduced admissions. Other operating subsidiaries within the Group have received some additional financial support from Local Authorities and it is anticipated other financial support will be forthcoming. Whilst the precise ongoing impact of the Coronavirus is difficult to quantify, the Directors have undertaken revised forecasting of performance and cash flows in determining the appropriateness of continuing to adopt the going concern basis in preparing the financial statements. This forecasting has included considering further reductions to occupancy caused by the virus and reduced admissions and continued higher operating costs arising from the virus. Where appropriate, the Directors have also considered the potential impact of strategies to reduce costs to reflect lower occupancy as well as actions that might be taken to manage cash. After carefully considering these and other factors, the Directors continue to adopt the going concern basis in preparing the financial statements.

Taxation

Current tax is based on taxable profit for the year. Current tax assets and liabilities are measured using tax rates that have been enacted or substantively enacted by the reporting date.

Deferred tax is calculated at the tax rates that are expected to apply to the period when the asset is realised or the liability is settled based on tax rates that have been enacted or substantively enacted by the reporting date.

Deferred tax liabilities are recognised in respect of all timing differences that exist at the reporting date. Timing differences are differences between taxable profits and total comprehensive income that arise from the inclusion of income and expenses in tax assessments in different periods from their recognition in the financial statements. Deferred tax assets are recognised only to the extent that it is probable that they will be recovered by the reversal of deferred tax liabilities or other future taxable profits.

Current and deferred tax is charged or credited in profit or loss, except when it relates to items charged or credited to other comprehensive income or equity, when the tax follows the transaction or event it relates to and is also charged or credited to other comprehensive income, or equity.

Current tax assets and current tax liabilities and deferred tax assets and deferred tax liabilities are offset, if and only if, there is a legally enforceable right to set off the amounts and the entity intends either to settle on a net basis or to realise the asset and settle the liability simultaneously.

Project Light Bidco Limited

Accounting policies for the year ended 31 October 2019

Judgements and sources of estimation uncertainty

In the application of the Company's accounting policies, the Directors are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.

The Directors do not consider there to be any key estimates or critical judgements in preparing these financial statements.

Project Light Bidco Limited

Notes to the financial statements for the year ended 31 October 2019

1 Revenue

The Company has not recorded any revenue in the year.

2 Operating profit

Fees payable by the Company in respect of its annual audit were settled by another subsidiary undertaking (2018: Same).

3 Staff costs

The Company has no employees other than the Directors, who did not receive any remuneration (2018: £Nil).

9 Called up share capital

	2019 £	2018 £
Allotted, called up and fully paid		
At 1 November 2018 and 1 November 2017 – Ordinary shares of £0.01 and £1 each	452,272	45,227,249
Capital reduction during April 2018 - £0.99 per Ordinary share	-	(44,774,977)
At 31 October 2018 and 31 October 2019 – 45,227,249 Ordinary shares of £0.01 each	452,272	452,272

During April 2018, paid up capital to the extent of £0.99 on each of 45,227,249 Ordinary shares of £1 each was cancelled and the nominal value of each Ordinary share was reduced from £1.00 to £0.01. The Company's Ordinary shares, which carry no right to fixed income, each carry the right to one vote at general meetings of the Company.

10 Contingent liabilities

The Company has provided various security, together with certain other group undertakings in respect of borrowings, made either by itself or other group undertakings in favour of US Bank Trustees Limited on behalf of the Company's bankers. As at 31 October 2019, the value of these borrowings amounted to £20,957,775 (2018: £24,194,443).

11 Reserves

Profit and loss account

Cumulative profit and loss net of distributions to owners.

12 Ultimate parent undertaking and controlling party

The immediate parent undertaking is Project Light Cleanco Limited, a company registered in England and Wales. The largest and smallest group for which consolidated financial statements are prepared for the year ended 31 October 2019, is headed by Project Light Topco Limited, a company registered in England and Wales, whose registered address is 84 Albion Street, Leeds, LS1 6AG. Copies of these financial statements are available from the Registrar of Companies.

The Company's ultimate controlling party at the balance sheet date was CSP IV (Cayman 2), L.P., registered in the Cayman Islands.

13 Related party disclosures

The Company has taken advantage of the exemption permitted by FRS 102 to not disclose transactions entered into by two or more members of the group on the grounds that the Company is a wholly owned subsidiary undertaking.

Project Light Bidco Limited

Notes to the financial statements for the year ended 31 October 2019

14 Post balance sheet events

The Company is an intermediate parent company. Other operating subsidiaries within the Group have been impacted by the Coronavirus in the period since the year end date. The virus has resulted in higher costs being incurred relating to consumables and staffing and at the same time some reductions in occupancy caused by higher mortality and reduced admissions. Other operating subsidiaries have received some additional financial support from Local Authorities and it is anticipated other financial support will be forthcoming. The precise ongoing impact of the Coronavirus is difficult to quantify but the Directors have undertaken revised forecasting of performance and cash flows in determining the appropriateness of continuing to adopt the going concern basis in preparing the financial statements.
