## Chairman's Report for the Year Ended 31 March 2020

2019 was another successful year for the BID but all those wonderful events and bustling streets seem a distant memory now. During the hot summer of 2019 our town centre was alive with colour from the beautifully kept flower beds and the addition of the complimentary arrangements the BID installed. We were awarded 'Gold' in the Anglia in Bloom in 2019.

We hosted two of our most successful events, the World Food Festival and Cinema on the Green, both attracting thousands of people to our town centre.

Christmas 2019 we introduced two feature Christmas installations that were so well received and enjoyed by many. The Teddy feature remained in place to form part of the Garden City Lights Festival, which was the opening event to 2020, the Centenary year for WGC. The event was delightful and kicked off the new year in style. The Centenary Foundation had been preparing for that moment for years. We were all excited to see the years of hard work and planning come to fruition. Little did we know what lay ahead.

March 2020, the whole country was put into lockdown and all non-essential businesses, including restaurants and pubs, were closed. People were no longer allowed to meet and socialise and all events were stopped. As we heard so many times, totally unprecedented times and devastating for all businesses. Our focus was entirely to support you all, where ever possible, to ensure we all survived the turbulent time. As a BID, we tightened the purse strings but maintained operations during the lockdown period and continue to be at the forefront of the local recovery effort, proactively engaging with the strategic recovery partnership, coordinating a range of campaigns and practical support to build confidence amongst you, our businesses and our consumers.

We made sure you were could all access grants available to you and knew how to apply for them. Our regular zoom meetings which many of you engaged in, became a great source for sharing cost saving ideas, security concerns and support for assisting negotiations with landlords and others. We launched the FREE marketplace through our town centre app, providing you with an online selling platform at 0% commission.

Once through the initial crisis we swiftly moved into recovery mode and did our best to support you all to reopen safety, providing or signposting you to appropriate training, providing town centre ambassadors, social distancing measures and hand sanitizing station, around town and promoting our safe and wonderful town as back in business. Our 'Welcome back to Wonderful Welwyn' campaign encouraged visitors back to safely enjoy our town centre.

We closed the year, March 2019, in a strong financial position and looking to invest to some key initiatives in the coming year. Unfortunately, that surplus is what has kept us afloat since as the pandemic has affected the level of income we expected in 2020/21.

Undoubtedly the BID team will continue to be busy, and the BID Board will continue to support the team, ensuring they deliver and work towards achieving what is best for the town centre and you, the levy payer.
