**NOTES TO THE FINANCIAL STATEMENTS**  
**For the financial year ended 31 December 2020**

## **1. Accounting policies**

The principal accounting policies are summarised below. They have all been applied consistently throughout the financial year and to the preceding financial year.

### **General information and basis of accounting**

PICS Therapeutics Ltd (the Company) is a private company, limited by shares, incorporated in the United Kingdom under the Companies Act 2006 and is registered in England and Wales. The address of the Company's registered office is Londoneast-Uk Business And Technical Park Yewtree Avenue, Dagenham, London, RM10 7FN, England, United Kingdom.

The financial statements have been prepared under the historical cost convention, modified to include certain items at fair value, and in accordance with Section 1A of Financial Reporting Standard 102 (FRS 102) 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' issued by the Financial Reporting Council.

The functional currency of PICS Therapeutics Ltd is considered to be pounds sterling because that is the currency of the primary economic environment in which the Company operates.

### **Going concern**

The directors have assessed the Balance Sheet and likely future cash flows at the date of approving these financial statements. The directors note that the business has net liabilities of £437,750. The Company is supported through loans from the Parent Company. The directors have received assurances that the loan facilities will continue to be available for at least 12 months from the date of signing these financial statements and the Parent Company will continue to support the Company. After making enquiries, the directors believe that any foreseeable debts can be met for at least 12 months from the date of signing these financial statements. Accordingly, they continue to adopt the going concern basis in preparing the financial statements.

### **Foreign currency**

Transactions in foreign currencies are recorded at the rate of exchange at the date of the transaction. Monetary assets and liabilities denominated in foreign currencies at the Balance Sheet date are reported at the rates of exchange prevailing at that date.

Exchange differences are recognised in the Statement of Income and Retained Earnings in the period in which they arise except for exchange differences arising on gains or losses on non-monetary items which are recognised in the Statement of Comprehensive Income.

### **Employee benefits**

#### *Defined contribution schemes*

The Company operates a defined contribution scheme. The amount charged to the Statement of Income and Retained Earnings in respect of pension costs and other post-retirement benefits is the contributions payable in the financial year. Differences between contributions payable in the financial year and contributions actually paid are included as either accruals or prepayments in the Balance Sheet.

### **Taxation**

#### *Current tax*

Current tax is provided at amounts expected to be paid (or recoverable) using the tax rates and laws that have been enacted or substantively enacted at the Balance Sheet date.

### **Leases**

#### *The Company as lessee*

Rentals under operating leases are charged on a straight-line basis over the lease term, even if the payments are not made on such a basis. Benefits received and receivable as an incentive to sign an operating lease are similarly spread on a straight-line basis over the lease term.

**NOTES TO THE FINANCIAL STATEMENTS**

Assets, other than those measured at fair value, are assessed for indicators of impairment at each Balance Sheet date. If there is objective evidence of impairment, an impairment loss is recognised in the Statement of Income and Retained Earnings as described below.

**Trade and other debtors**

Trade and other debtors are initially recognised at fair value and thereafter stated at amortised cost using the effective interest method less impairment losses for bad and doubtful debts, except where the effect of discounting would be immaterial in such cases the receivables are stated at cost less impairment losses for bad and doubtful debts.

**Cash and cash equivalents**

Cash and cash equivalents include cash in hand, deposits held at call with banks and bank overdrafts. Bank overdrafts are shown within borrowings in creditors: amounts falling due within one year.

**Trade and other creditors**

Trade and other creditors are initially recognised at fair value and thereafter stated at amortised cost using the effective interest rate method, unless the effect of discounting would be immaterial, in which case they are stated at cost.
